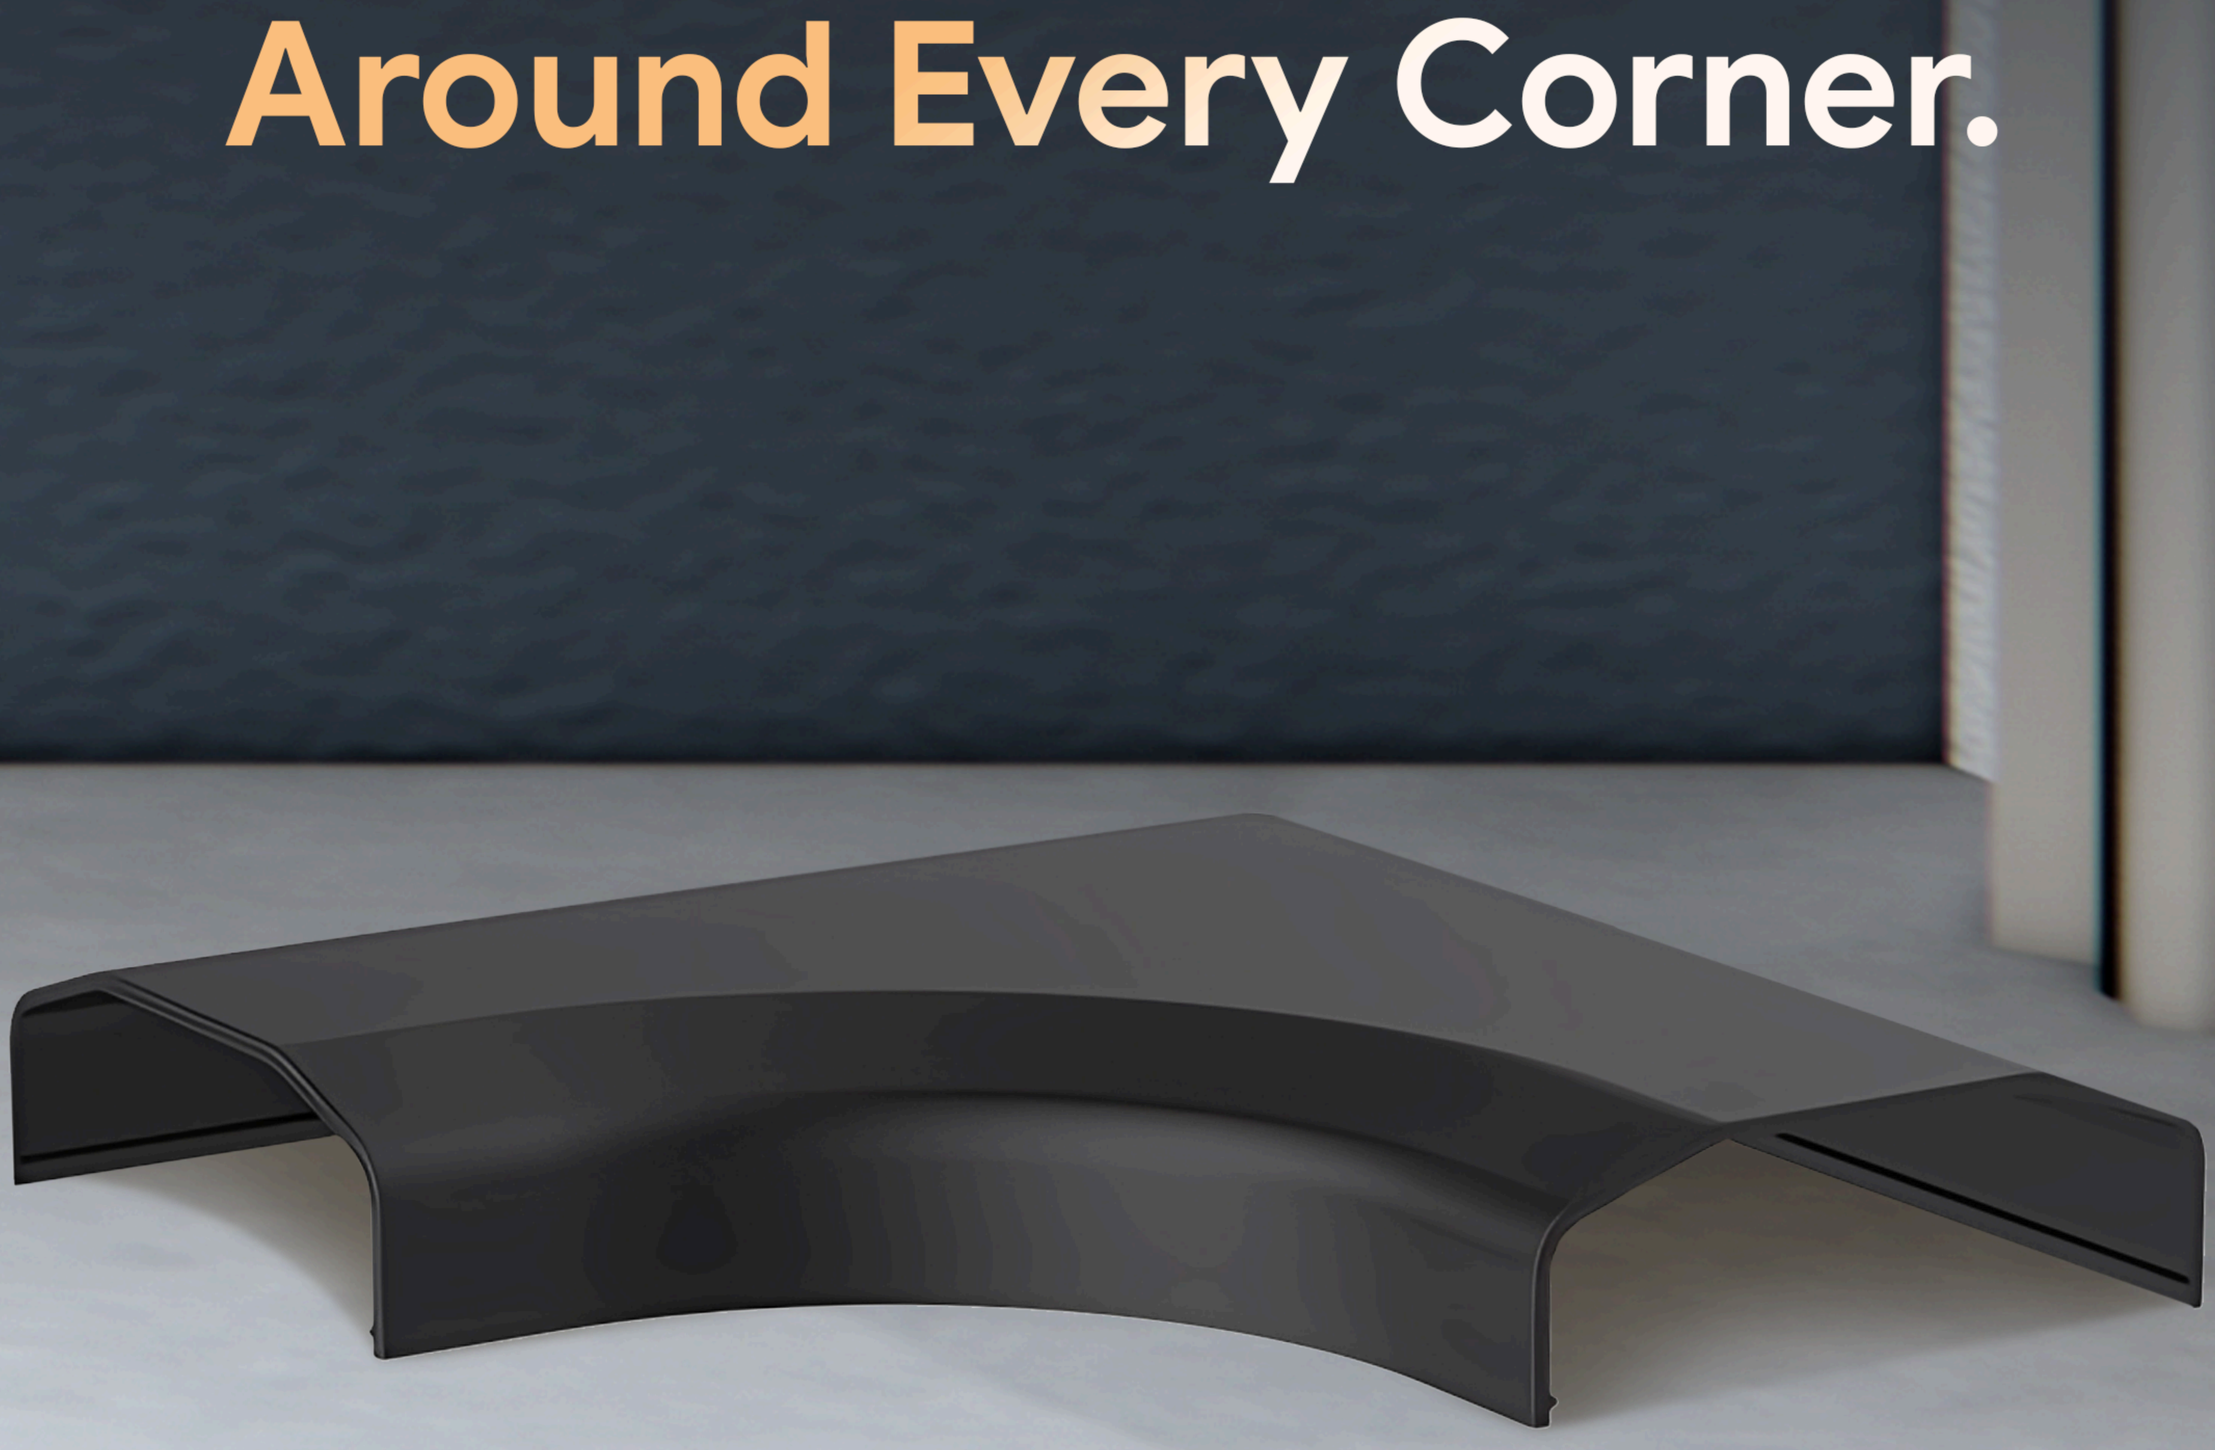
Brateck

Clean Cable Management, Around Every Corner.



CABLE COVER JOINT L SHAPE

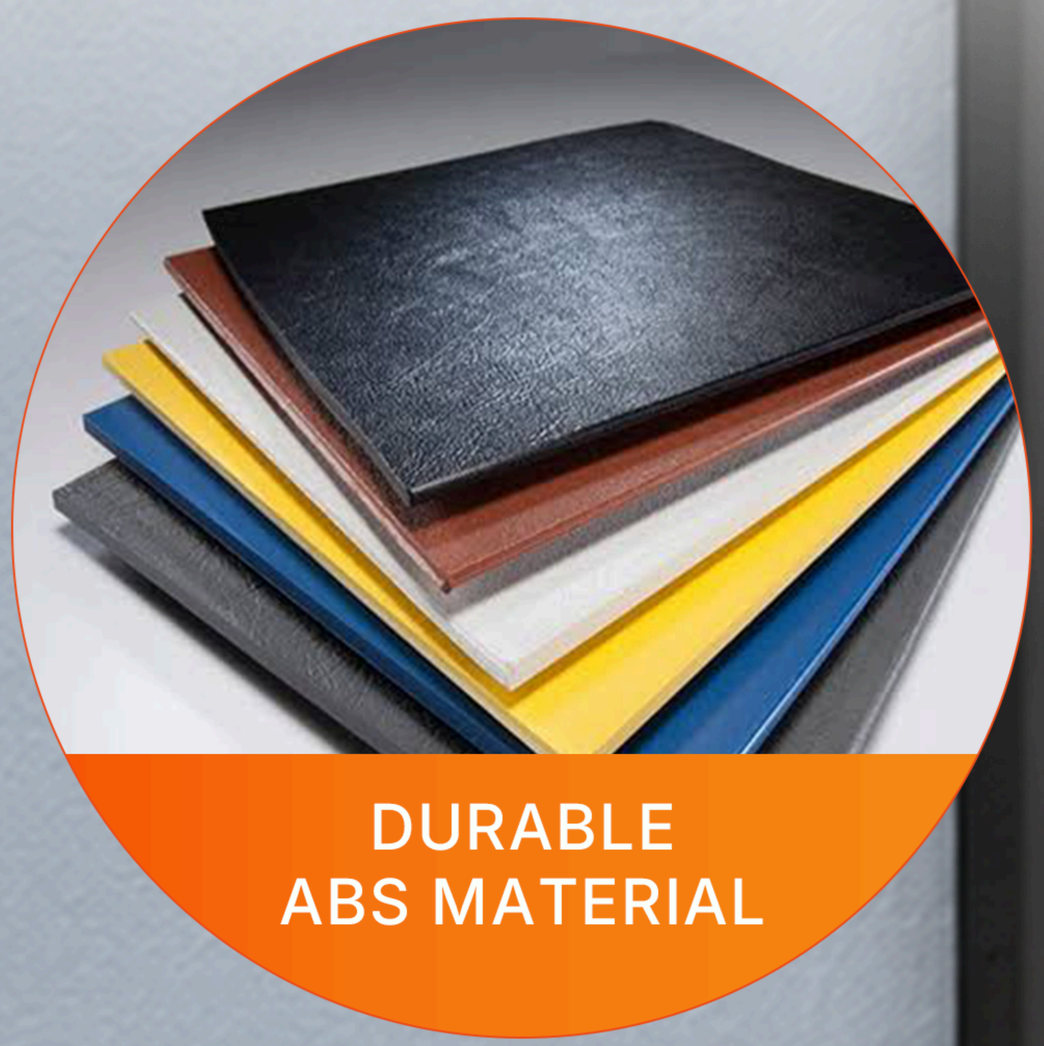
Create cleaner cable runs around corners with the **Brateck L-Shaped Plastic Cable Cover Joint.** Made from durable ABS and finished in black, it provides a neat 90° transition between compatible cable cover sections for a more organised and professional installation.

90° L-Shaped Cable Routing

Creates a neat right-angle transition between compatible cable cover sections for cleaner routing around corners.

Durable ABS Construction

Made from strong, lightweight ABS for reliable everyday performance and long-lasting use.



DURABLE
ABS MATERIAL

Seamless Corner Connection

Helps keep cable runs continuous and professionally finished through wall or surface corners.

Compact 127 × 127mm Design

Provides a practical corner connection while maintaining a compact, low-profile appearance.
