

Brateck

Simple Magnetic Mounting. Cleaner Workspaces.

MAGNETIC CABLE MANAGEMENT

Brateck Magnetic Cable Management Channel compact black design provides a clean way to organise and route cables around desks, workstations and other compatible setups. The magnetic mounting concept makes installation and repositioning more convenient, helping maintain a tidier workspace without adding unnecessary visual clutter.

Compact 350mm Cable Management

The 350mm channel provides practical cable coverage, while its slim 32 × 50mm profile keeps wires neatly contained without adding unnecessary bulk.

Magnetic Quick-Mount Design

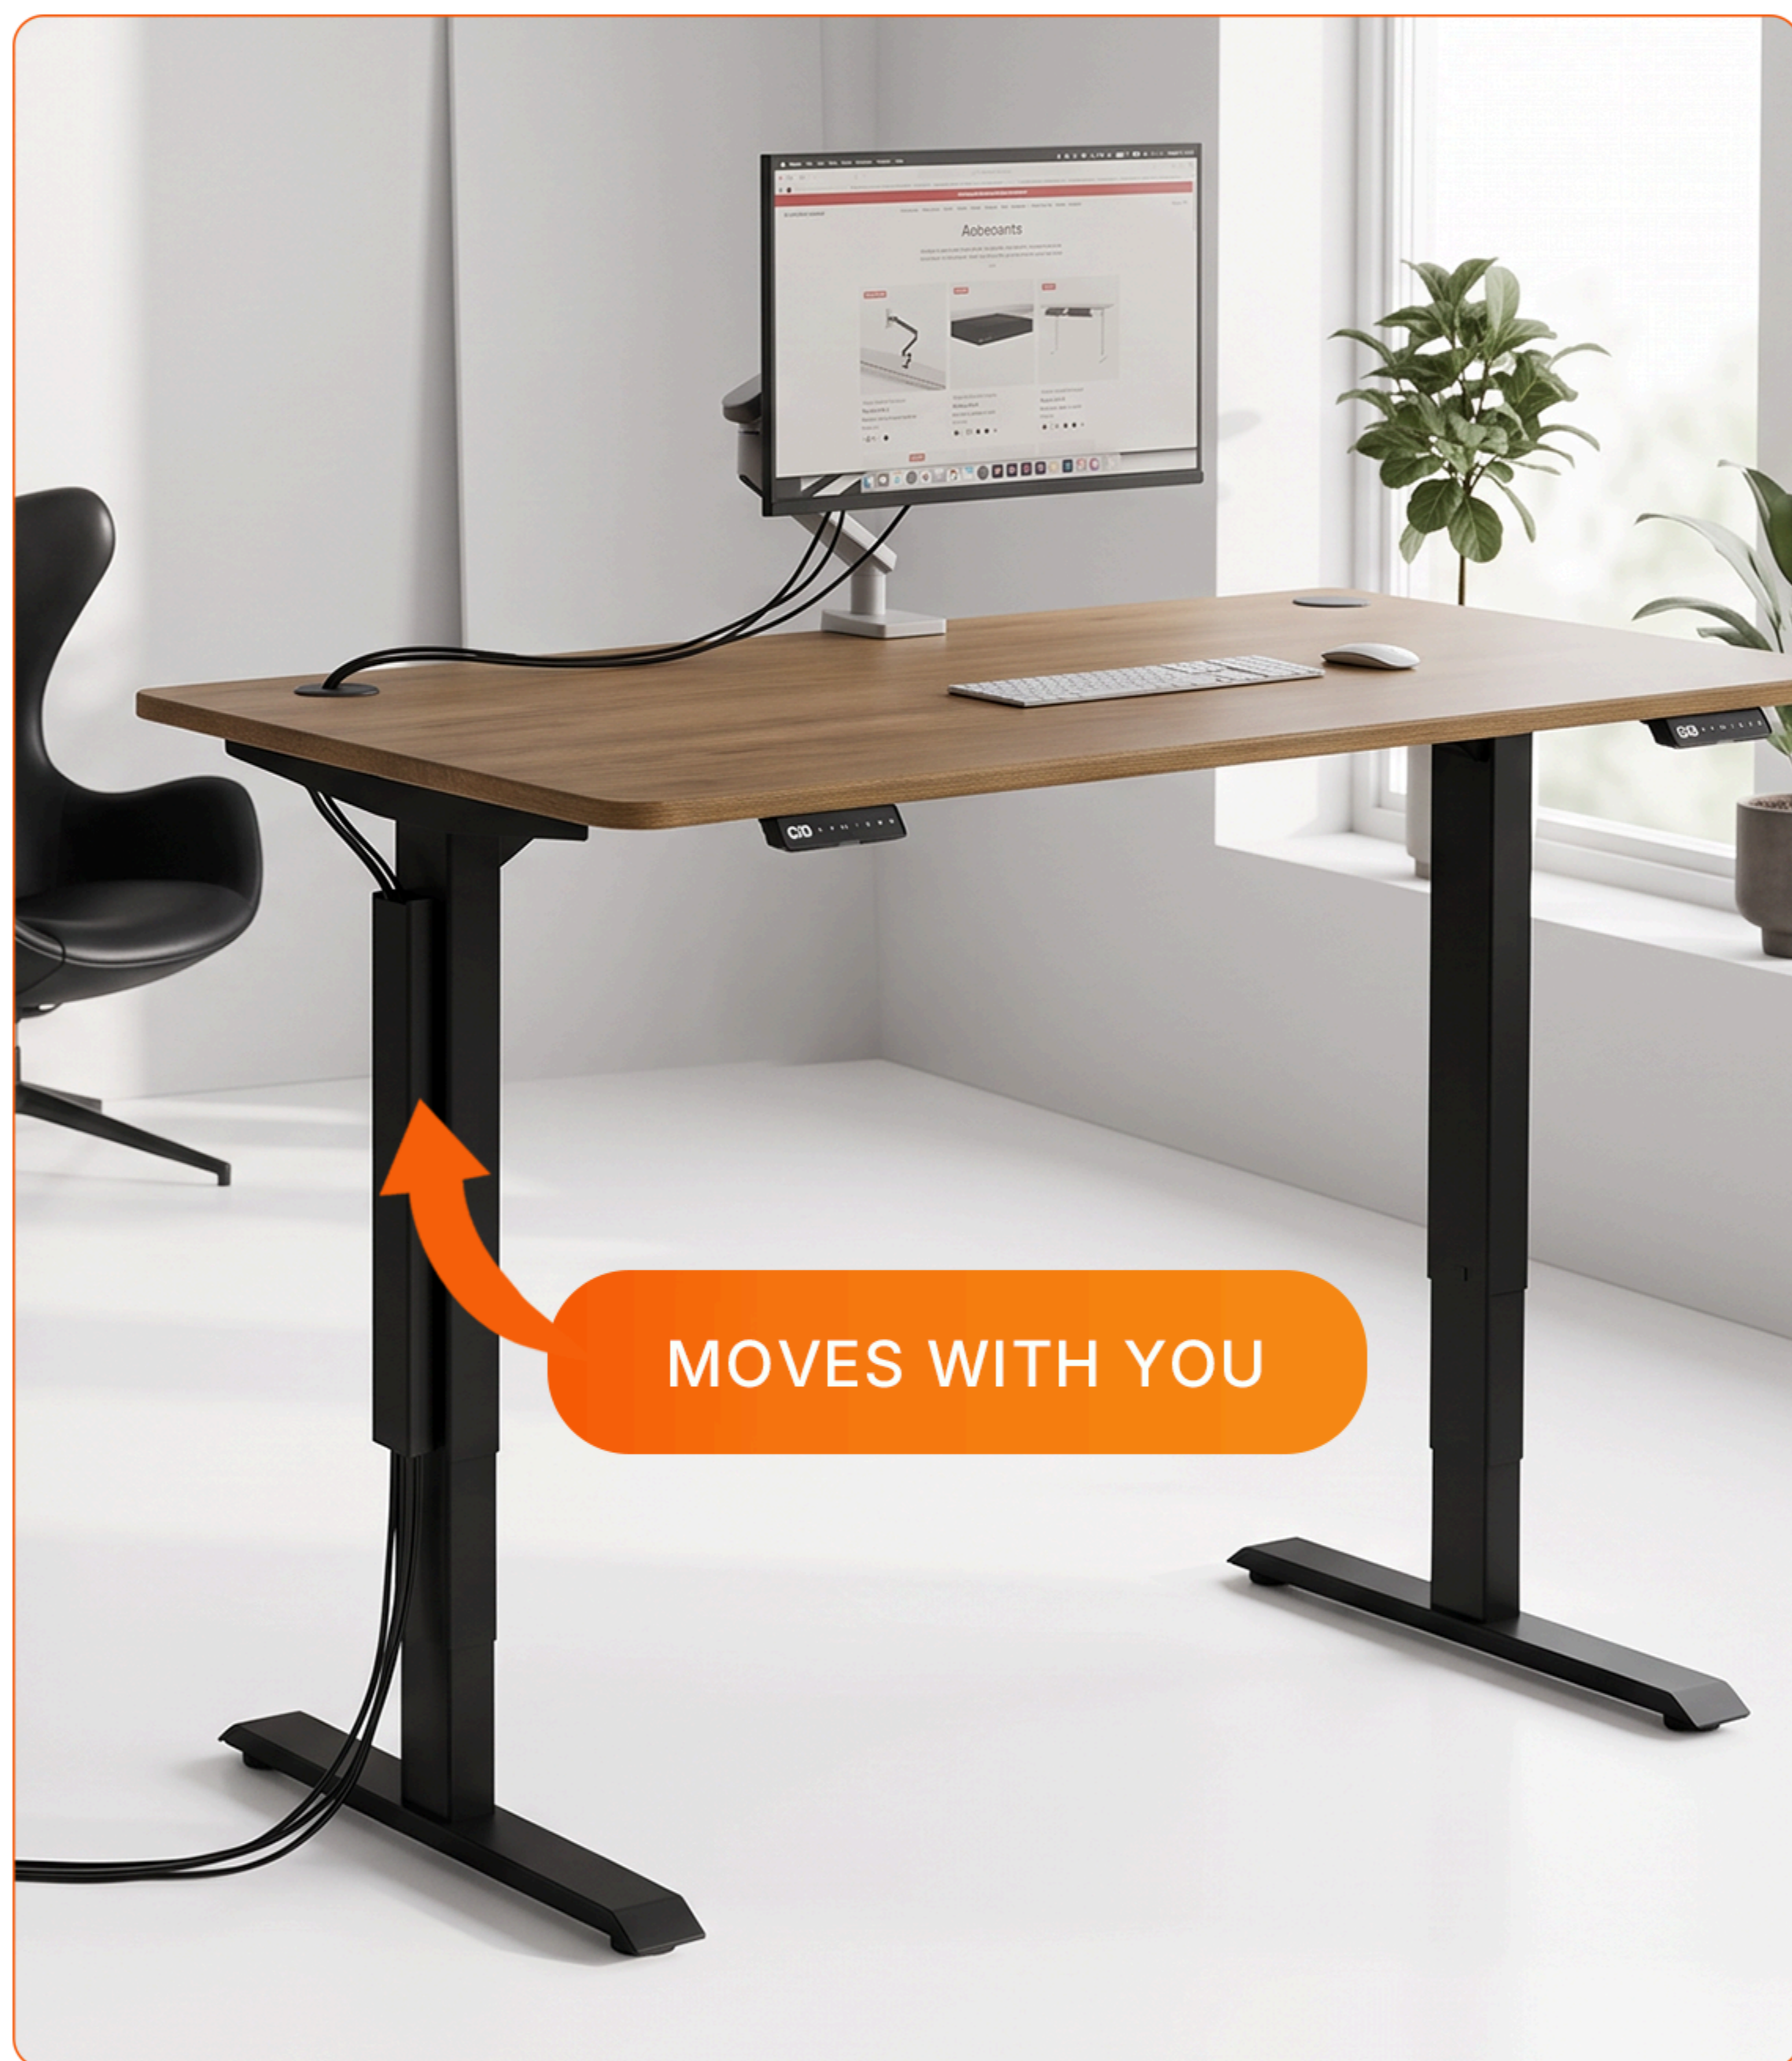

Attaches quickly to compatible metal surfaces for easy installation, repositioning and removal.
