

Magnetic Cable Management

Simple Magnetic Mounting. Cleaner Workspaces.

Brateck Magnetic Cable Management Channel compact black design provides a clean way to organise and route cables around desks, workstations and other compatible setups.

Magnetic Mounting Design

Attaches quickly to compatible metal surfaces for easy installation, repositioning and removal.

Clean Cable Organisation

Keeps power, data and peripheral cables neatly grouped to reduce clutter around the workspace.

Clean Black Finish

Blends naturally with black desks, monitor arms, PC setups and contemporary office furniture.

Magnetic Cable Management

Simple Magnetic Mounting. Cleaner Workspaces.

The magnetic mounting concept makes installation and repositioning more convenient, helping maintain a tidier workspace without adding unnecessary visual clutter.

Features

Compact 32 × 50mm Profile

Offers useful cable capacity while maintaining a slim, unobtrusive appearance.

Durable Steel

Provides lightweight strength and reliable everyday performance.

Easy Access for Maintenance

Makes it simpler to add, remove or rearrange cables whenever your setup changes.

Flexible Workspace Use

Ideal for offices, gaming desks, sit-stand workstations and other compatible metal-frame setups.
