Protect Your Cables
Perfect Your Space

ALUMINUM FLOOR CABLE COVER

Eliminate cable clutter and protect wires from foot and pet traffic with this durable aluminium cable cover. Featuring a flexible lid, secure double-sided tape mounting and protective end caps, it's ideal for homes, offices and workshops. **Easy to install and affordable.**

Built for Everyday Use

Heavy-duty aluminium construction provides lasting protection for your cables, keeping your workspace safe, organised and professional.

CUTTABLE DESIGN FOR FLEXIBLE INSTALLATION

Smart Design for Flexible Installation

The dual-profile design and rugged end caps allow for easy cable entry and exit from both sides, making installation simple and adaptable to your space.

ALUMINUM TOP COVER

Durable and stylish finish

DUAL INTERNAL CABLE CHANNELS

Keeps cables separated and organised

Keeps Cables Organised and Out of Sight

Effectively conceals cables and reduces tripping hazards, helping you maintain a cleaner, safer work environment.

Simple Access When You Need It

The removable lid provides quick and easy access to cables for changes, maintenance or upgrades – without hassle.
