

Braided Polyester Cable Sock

Conceal the clutter. Protect your cables.

The Brateck CMBT-CS-20-B neatly bundles loose TV, gaming and computer cables into one clean, protected run. Its durable black polyester construction and flexible, cut-to-fit design make cable management simple for home, office and entertainment setups.

Conceals & Protects

Bundles loose cables neatly while helping prevent everyday wear and damage.

Cut-to-Fit Design

Easily trims to the required length for precise cable coverage.

Flame-Resistant Build

Designed to help reduce fire risk around connected electronics.

Instant Cable Protection with Simple Tool-Free Setup

Flexible cable management for a cleaner, more organised setup.

Organise loose TV, gaming and computer cables in minutes with the Brateck CMBT-CS-20-B. Its flexible braided sleeve creates one clean, protected cable run, while the cut-to-fit design makes setup quick and simple—no tools or expert installation required.

Features

Premium Polyester Weave

Flexible protection built to last. Made from tightly braided polyester that comfortably bundles multiple cables while helping protect them from everyday wear.

Flame-Resistant Safety

Added protection around your electronics. The flame-resistant polyester construction helps reduce fire risk, providing greater confidence around connected devices.

Cutttable, Tool-Free Design

Cut it. Fit it. Organise it. Easily trim the sleeve to suit your cable run or use multiple lengths end-to-end. Installation is quick and requires no tools or specialist expertise.

Cable Organiser & Hider

One sleeve. A cleaner setup. Conceals untidy TV, gaming and computer cables in a single, organised sleeve for a cleaner workspace or entertainment area.
