Brateck

A Neater Way to Manage Your Cables.

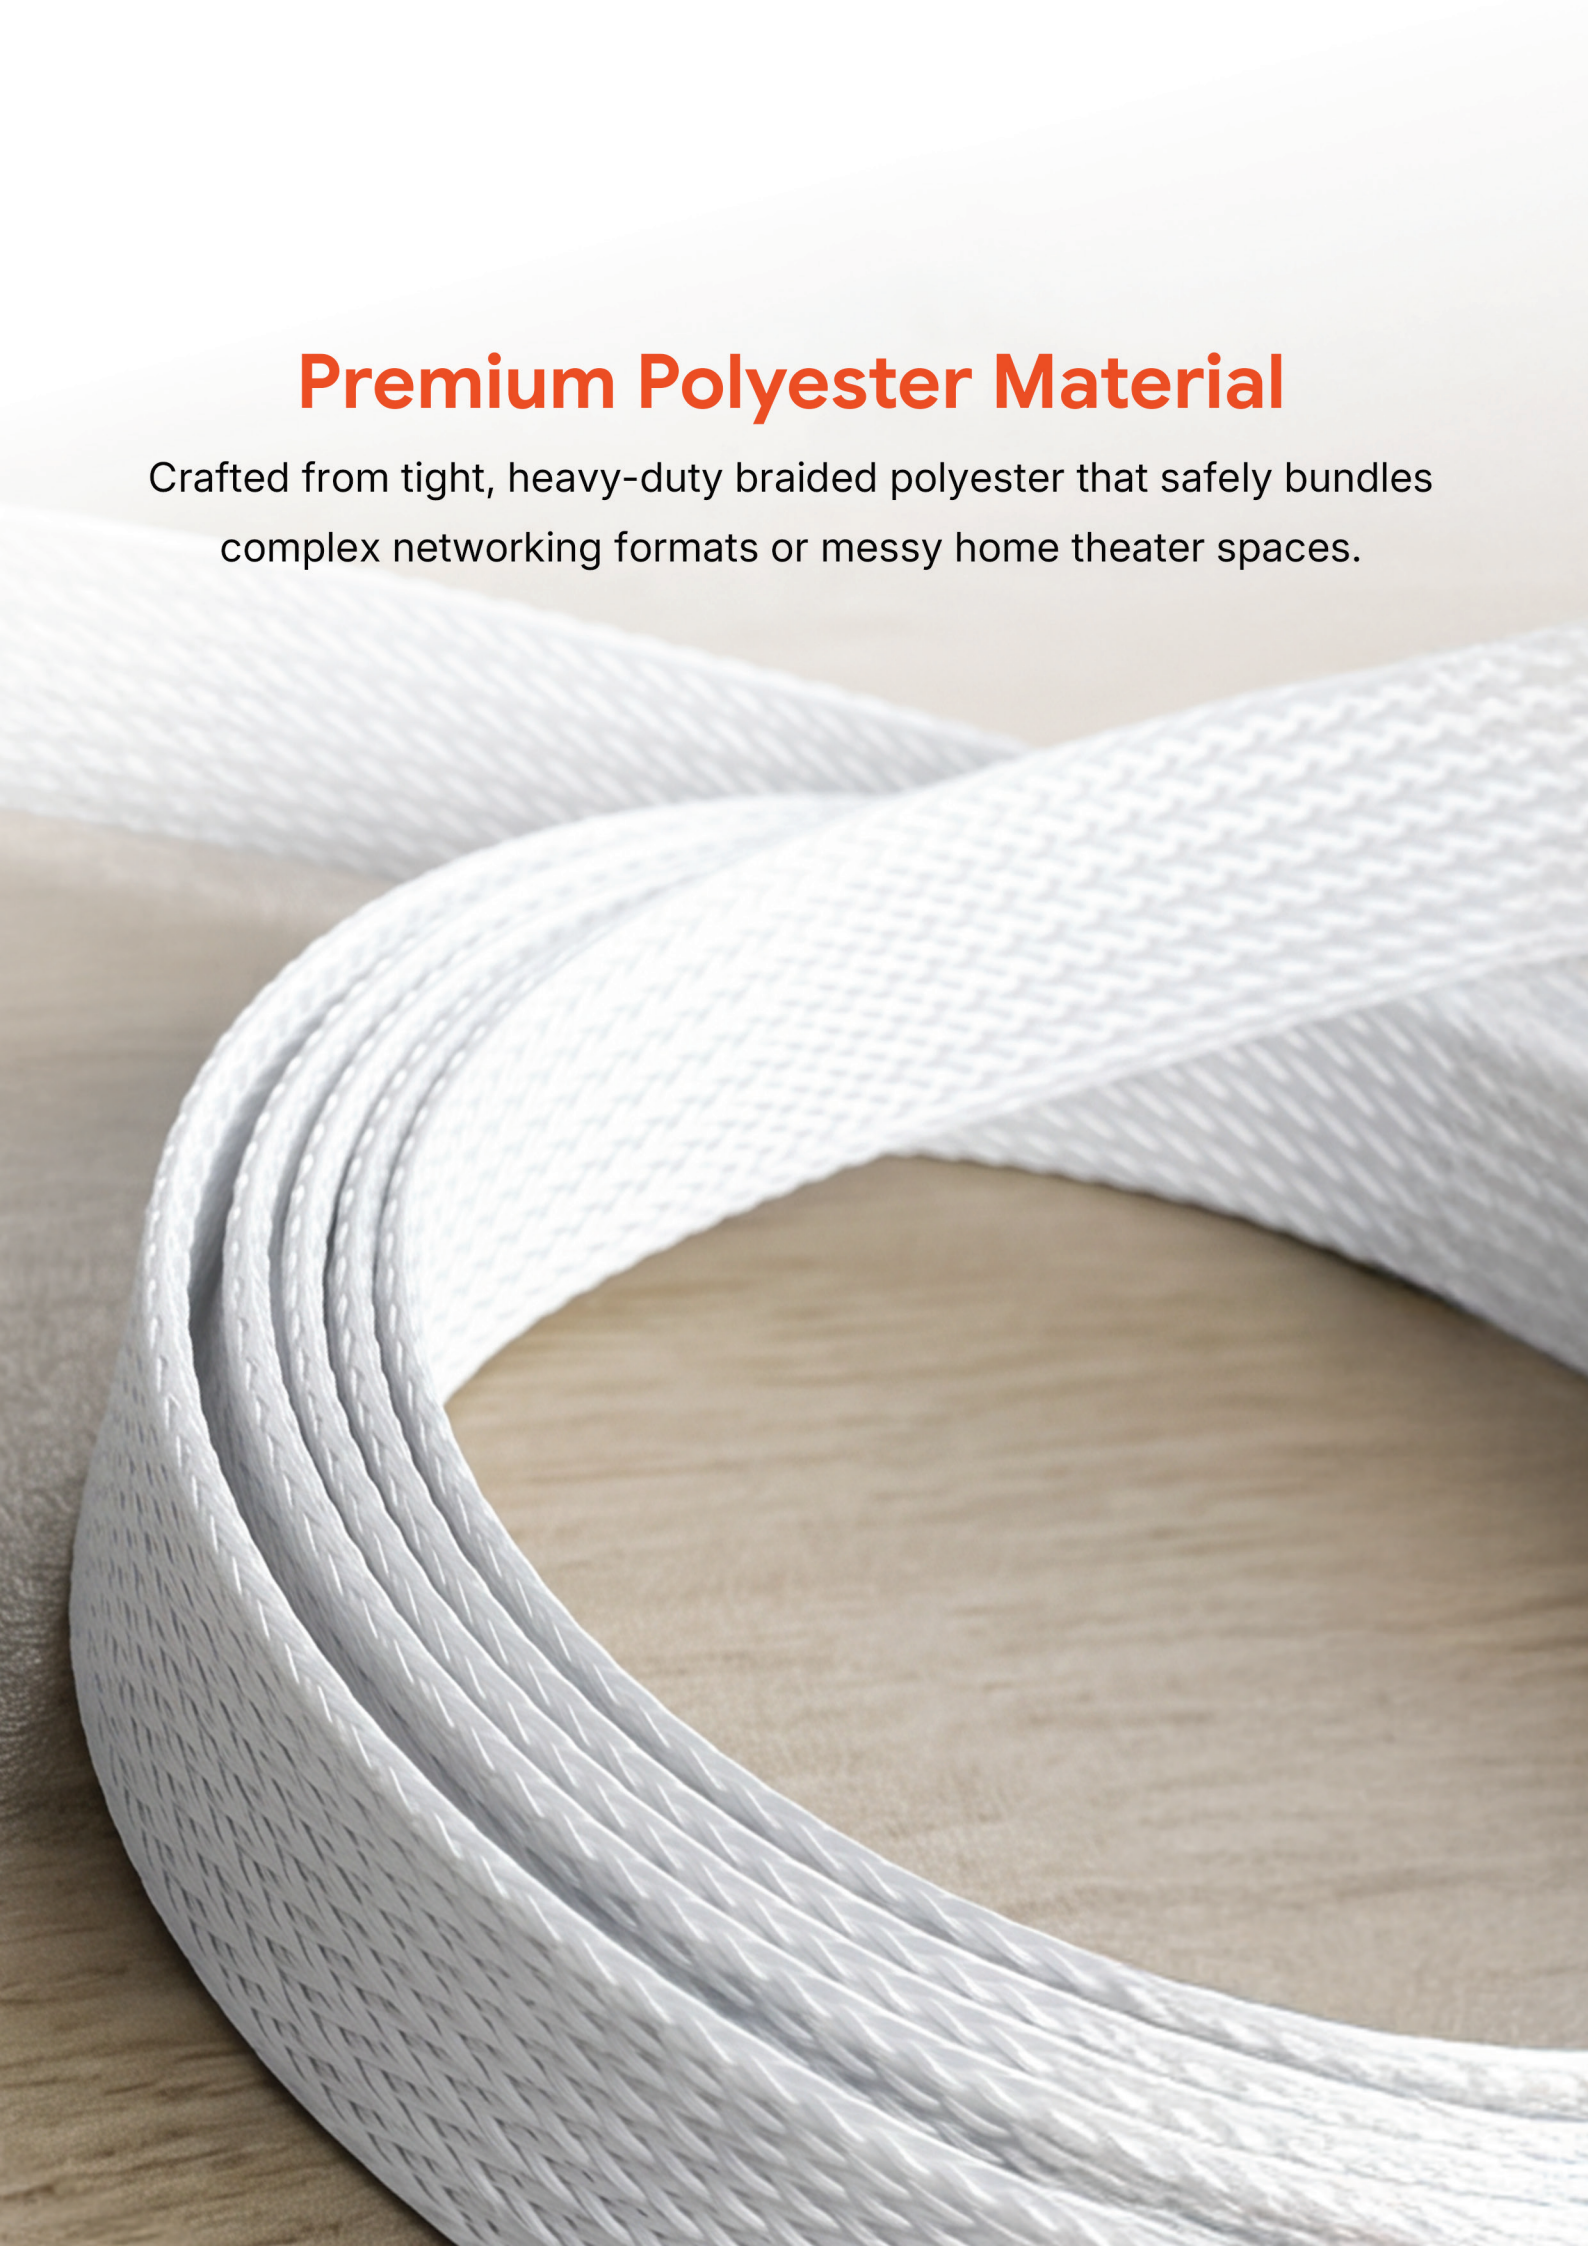

CABLE SLEEVE

The **Brateck Braided Cable Sock** is crafted from premium-grade polyester to neatly bundle and protect TV, video, audio and computer cables. Its compact 20mm width provides a practical solution for organising smaller cable bundles while keeping cords contained and out of sight. Maintain a clean, clutter-free workspace and help protect

Premium Polyester Material

Crafted from tight, heavy-duty braided polyester that safely bundles complex networking formats or messy home theater spaces.

Cable Organizer & Hider

Conceals and unifies TV, video game, and computer wires into a single bundle to protect cords from daily wear and tear.

Flame-Resistant Build

Engineered with fire-resistant properties to significantly lower the risk of electrical fire hazards behind your electronics.

Cuttable Custom Design

Can be easily snipped to your exact required length or used end-to-end for precise, custom-tailored cable coverage.
