Braided Cable Sock

A Neater Way to Manage Your Cables.

The Brateck CMBT-CS-20-W is a braided cable sock crafted from premium-grade polyester to neatly bundle and protect TV, video game, and computer cables. Its practical 20mm width helps keep smaller cable runs tidy, contained, and protected in homes, offices, and workshops.

Premium Polyester Material

Braided polyester construction helps bundle cables neatly while offering everyday protection.

Cable Organizer & Hider

Conceals and unifies loose wires to create a cleaner, more organised setup.

Flame-Resistant Build

Designed with flame-resistant properties to help reduce electrical fire risk.

Braided Cable Sock

Bundle Cables. Reduce Clutter.

Designed for home, office, and workshop use, the Brateck CMBT-CS-20-W helps bundle smaller cable runs into one neat sleeve for a cleaner, more organised setup.

Features

Premium Polyester Material

Braided polyester construction helps bundle and protect everyday cable runs.

Cable Organizer & Hider

Keeps TV, gaming, and computer wires contained and out of sight.

Flame-Resistant Build

Flame-resistant properties help reduce electrical fire risk around equipment.

Cuttable Design

Trim to your required length or use end-to-end for custom coverage.

Easy Setup

Slip it over existing cables for fast, tools-free cable organisation.

Compact 20mm Width

Designed for smaller cable bundles where tidy cable management matters.

Ideal for Home & Office

Suitable for desks, entertainment setups, workshops, and everyday cable routing.
