Brateck

One Flexible Solution For Multiple Cables.

CABLE SLEEVE

The **Brateck 30mm Coiled Tube Cable Sleeve** keeps multiple cables neatly bundled, concealed and protected with a flexible, expandable coiled sleeve. Designed for easy cable routing and convenient access, it delivers a simple solution for a clutter-free workspace.

30mm Large Capacity Sleeve

Spacious 1-inch diameter design accommodates multiple cables at once, ideal for PCs, TVs, gaming setups, and office desks.

Clean & Organized Setup

Helps reduce cable clutter for a neater workspace, improving both aesthetics and safety in home or office environments.

Durable Polyethylene Construction

Made from high-quality PE material for enhanced flexibility, durability, and long-term cable protection against everyday wear.

Customizable 1000mm Length

Long 1-meter sleeve provides versatile cable coverage and can be trimmed to fit different cable management requirements.
