

Brateck

A Better Way to Position Your PC Tower.

MOBILE CPU STAND

Brateck Mobile ATX Case Stand provides a practical base that helps lift the computer off the floor while allowing easier movement for cleaning, cable access or workstation changes. Its compact design is ideal for home offices, gaming setups and professional workspaces that need better PC organisation and mobility.

Adjustable & Heavy-Duty Support

The 119–209mm adjustable width fits a variety of compatible ATX cases, while the heavy-duty construction provides strong, durable support for everyday use.

Heavy-Duty Locking Casters

Move the PC tower easily when needed, then lock the wheels securely in place for stable positioning.

LOCKABLE
WHEELS

Keeps the PC Off the Floor

Helps elevate the tower away from direct floor contact
for a cleaner and more organised setup.
