

Brateck

A Simple Upgrade for a Cleaner Setup.

POLE MOUNTED STORAGE SHELF

Keep everyday essentials organized and within easy reach with the **Brateck Pole Mounted Storage Shelf**. Designed to mount securely, its compact platform adds practical storage without taking up valuable desk or counter space. Finished in black for a clean, professional look, it's a smart addition to monitor arms, POS setups and other pole-mounted workstations.

Secure Pole-Mount Design

Firmly attaches to compatible 30–48mm (1.2"–1.9") circular poles, adding convenient storage without taking up valuable desk or counter space.

Smart Everyday Storage

Keeps your phone upright and easy to view while providing dedicated space for frequently used tools and small accessories, all neatly organised and within reach.

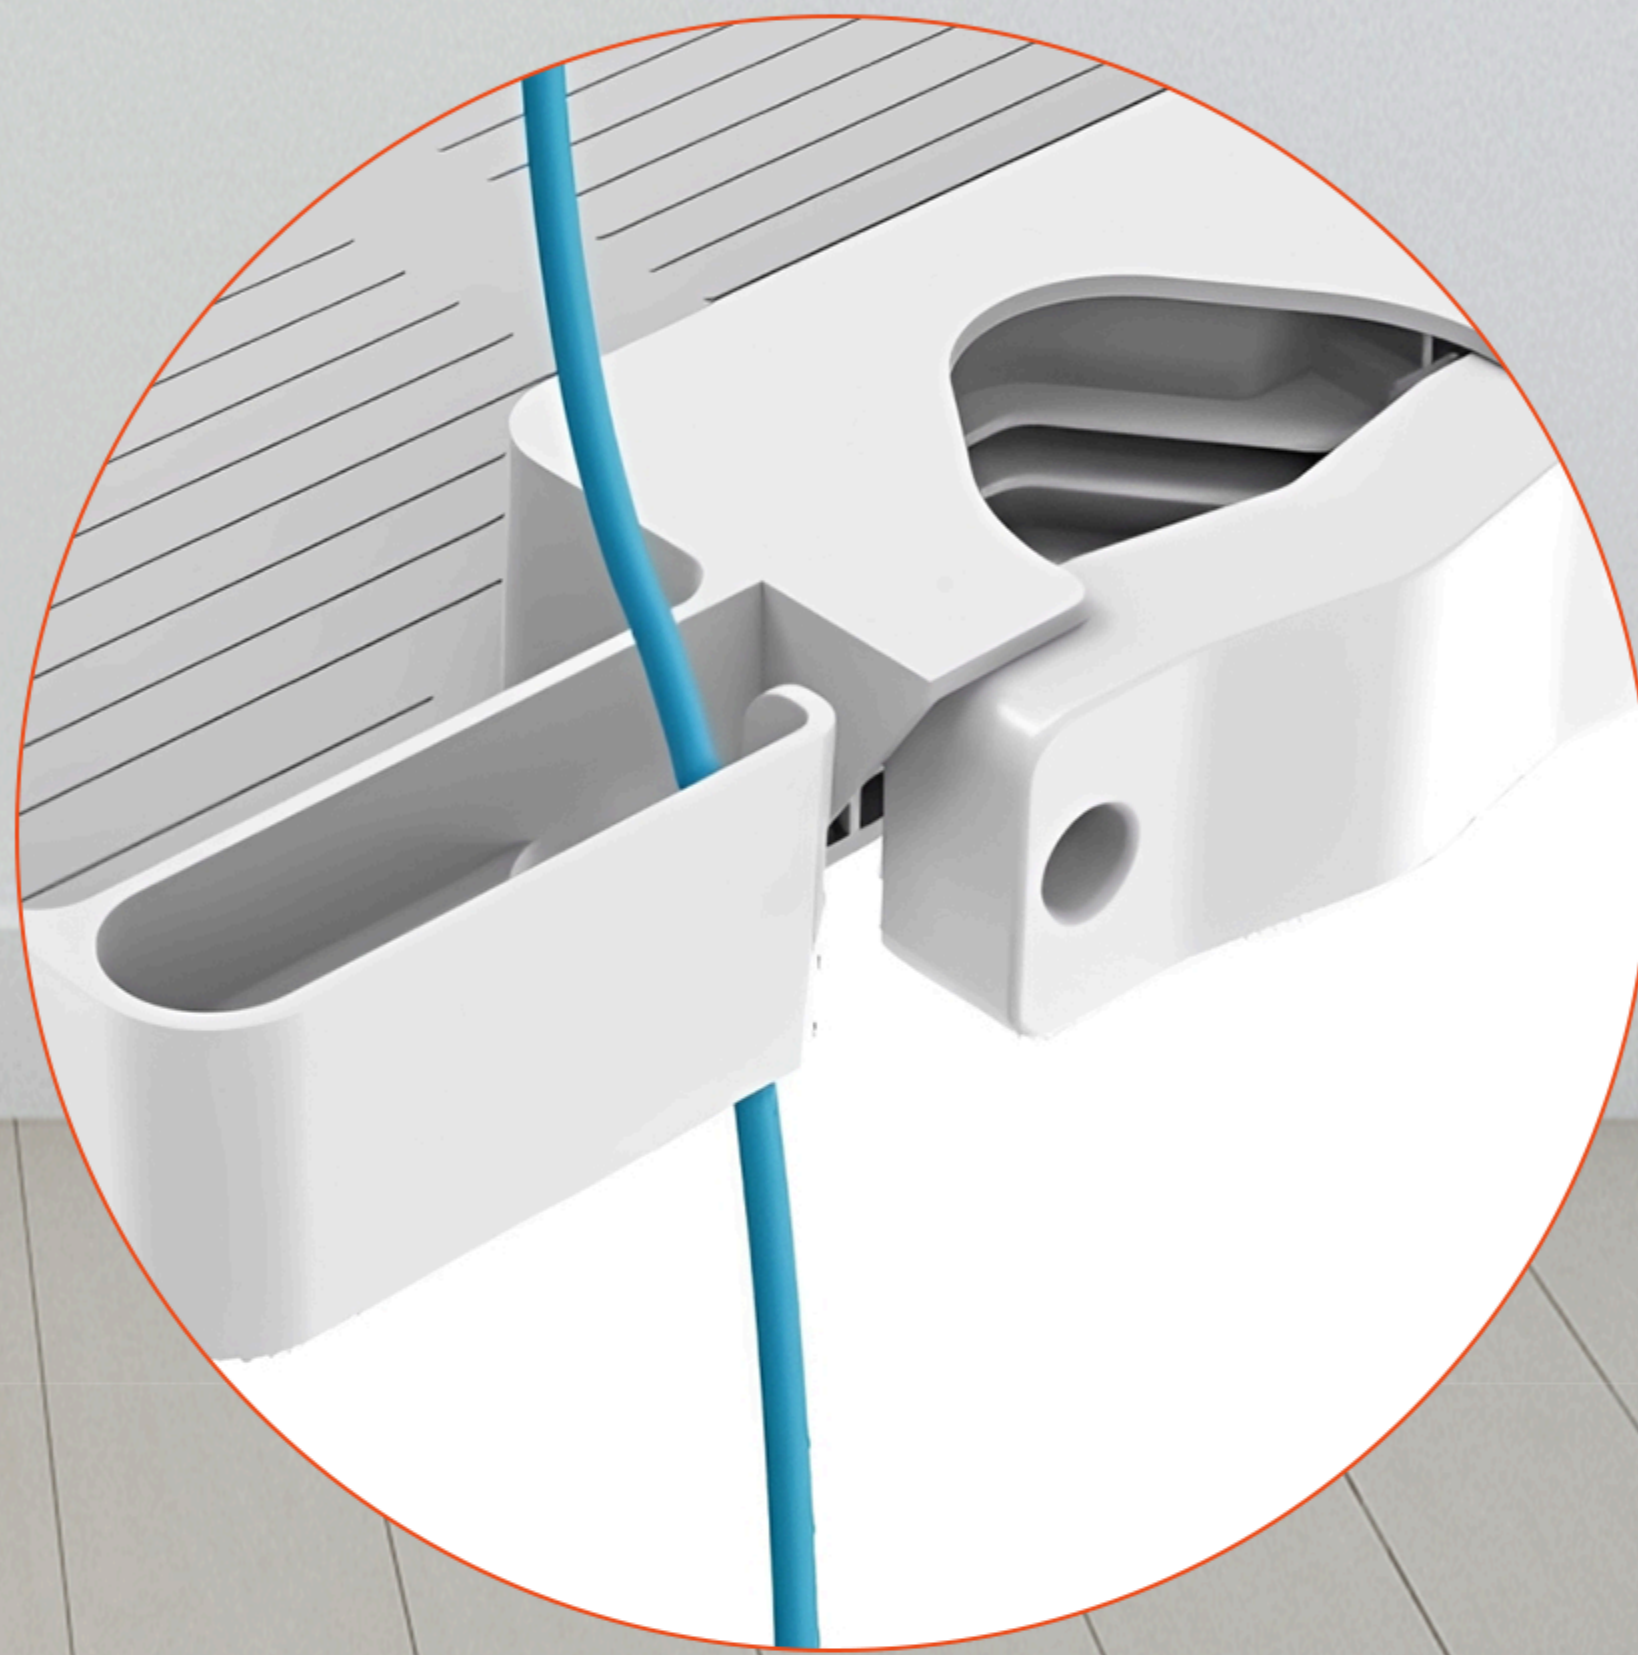

EXTRA TOOL STORAGE

INTEGRATED PHONE SLOT

Built-In Cable Management

Helps route and organise charging or device cables for a cleaner, tidier and more professional workspace.

Quick-Fit Pole Clamp

Easily adjusts to fit 30–48mm circular poles, providing a secure and stable attachment for quick, flexible installation.
