

# Brateck

## Built for the TV. Designed for the Room.

### LINEAR TABLETOP TV STAND

The **Brateck Modern Linear Tabletop TV Stand** features a sleek, slim design that combines a matte black finish with walnut accents for a contemporary, furniture-inspired look. It provides stable tabletop support while allowing your TV to blend seamlessly into modern living rooms, meeting spaces, showrooms, and hospitality environments.

# Quick Snap-Lock Assembly

Designed for quicker, easier TV installation  
with a secure locking mechanism.

SNAP-LOCK  
ASSEMBLY

## Swivel Viewing Adjustment

Allows the screen to turn for more flexible viewing angles across the room.

## Clean & Secure Setup

Integrated cable management keeps cords neatly organised, while the included anti-skid helps improve stability while protecting the tabletop from scratches and scuffs.

# Strong Support for Large Screens

Designed for 49"-70" TVs with a weight capacity of up to 40kg for dependable everyday support.
