

# Linear Tabletop TV Stand

**Built for the TV. Designed for the Room.**

The Brateck Modern Linear Tabletop TV Stand. Its slim linear form combines a matte black finish with walnut accents for a modern furniture-inspired look.

## **Supports 49"-70" TVs**

Designed for a wide range of large-screen televisions.

## **Swivel Viewing Adjustment**

Allows the screen to turn for more flexible viewing angles across the room.

## **Built-In Cable Management**

Helps route and conceal cables for a cleaner, more organised entertainment setup.

# Linear Tabletop TV Stand

Built for the TV. Designed for the Room.

It offers stable tabletop support while helping the TV integrate naturally into contemporary living rooms, meeting spaces, showrooms and hospitality environments.

## Features

### Safety Kits Included

Supplied with the required hardware to help reduce the risk of accidental tipping.

### Snap-Lock Assembly

Designed for quicker, easier TV installation with a secure locking mechanism.

### Anti-Skid Pads

Help keep the stand stable while protecting furniture surfaces from scratches and scuffs.

### Matte Black & Walnut Finish

Combines a crisp modern finish with warm wood accents for a more furniture-inspired look.
