

Brateck

Better Viewing Starts with Better Positioning.

HEIGHT-ADJUSTABLE DISPLAY WALL MOUNT

Brateck Manual Height-Adjustable Display Wall Mount provides a strong, professional mounting solution for meeting rooms, classrooms, commercial spaces and large-format display areas. Its manual height adjustment allows the screen to be positioned more appropriately for different viewing needs.

Smooth & Effortless Height Adjustment

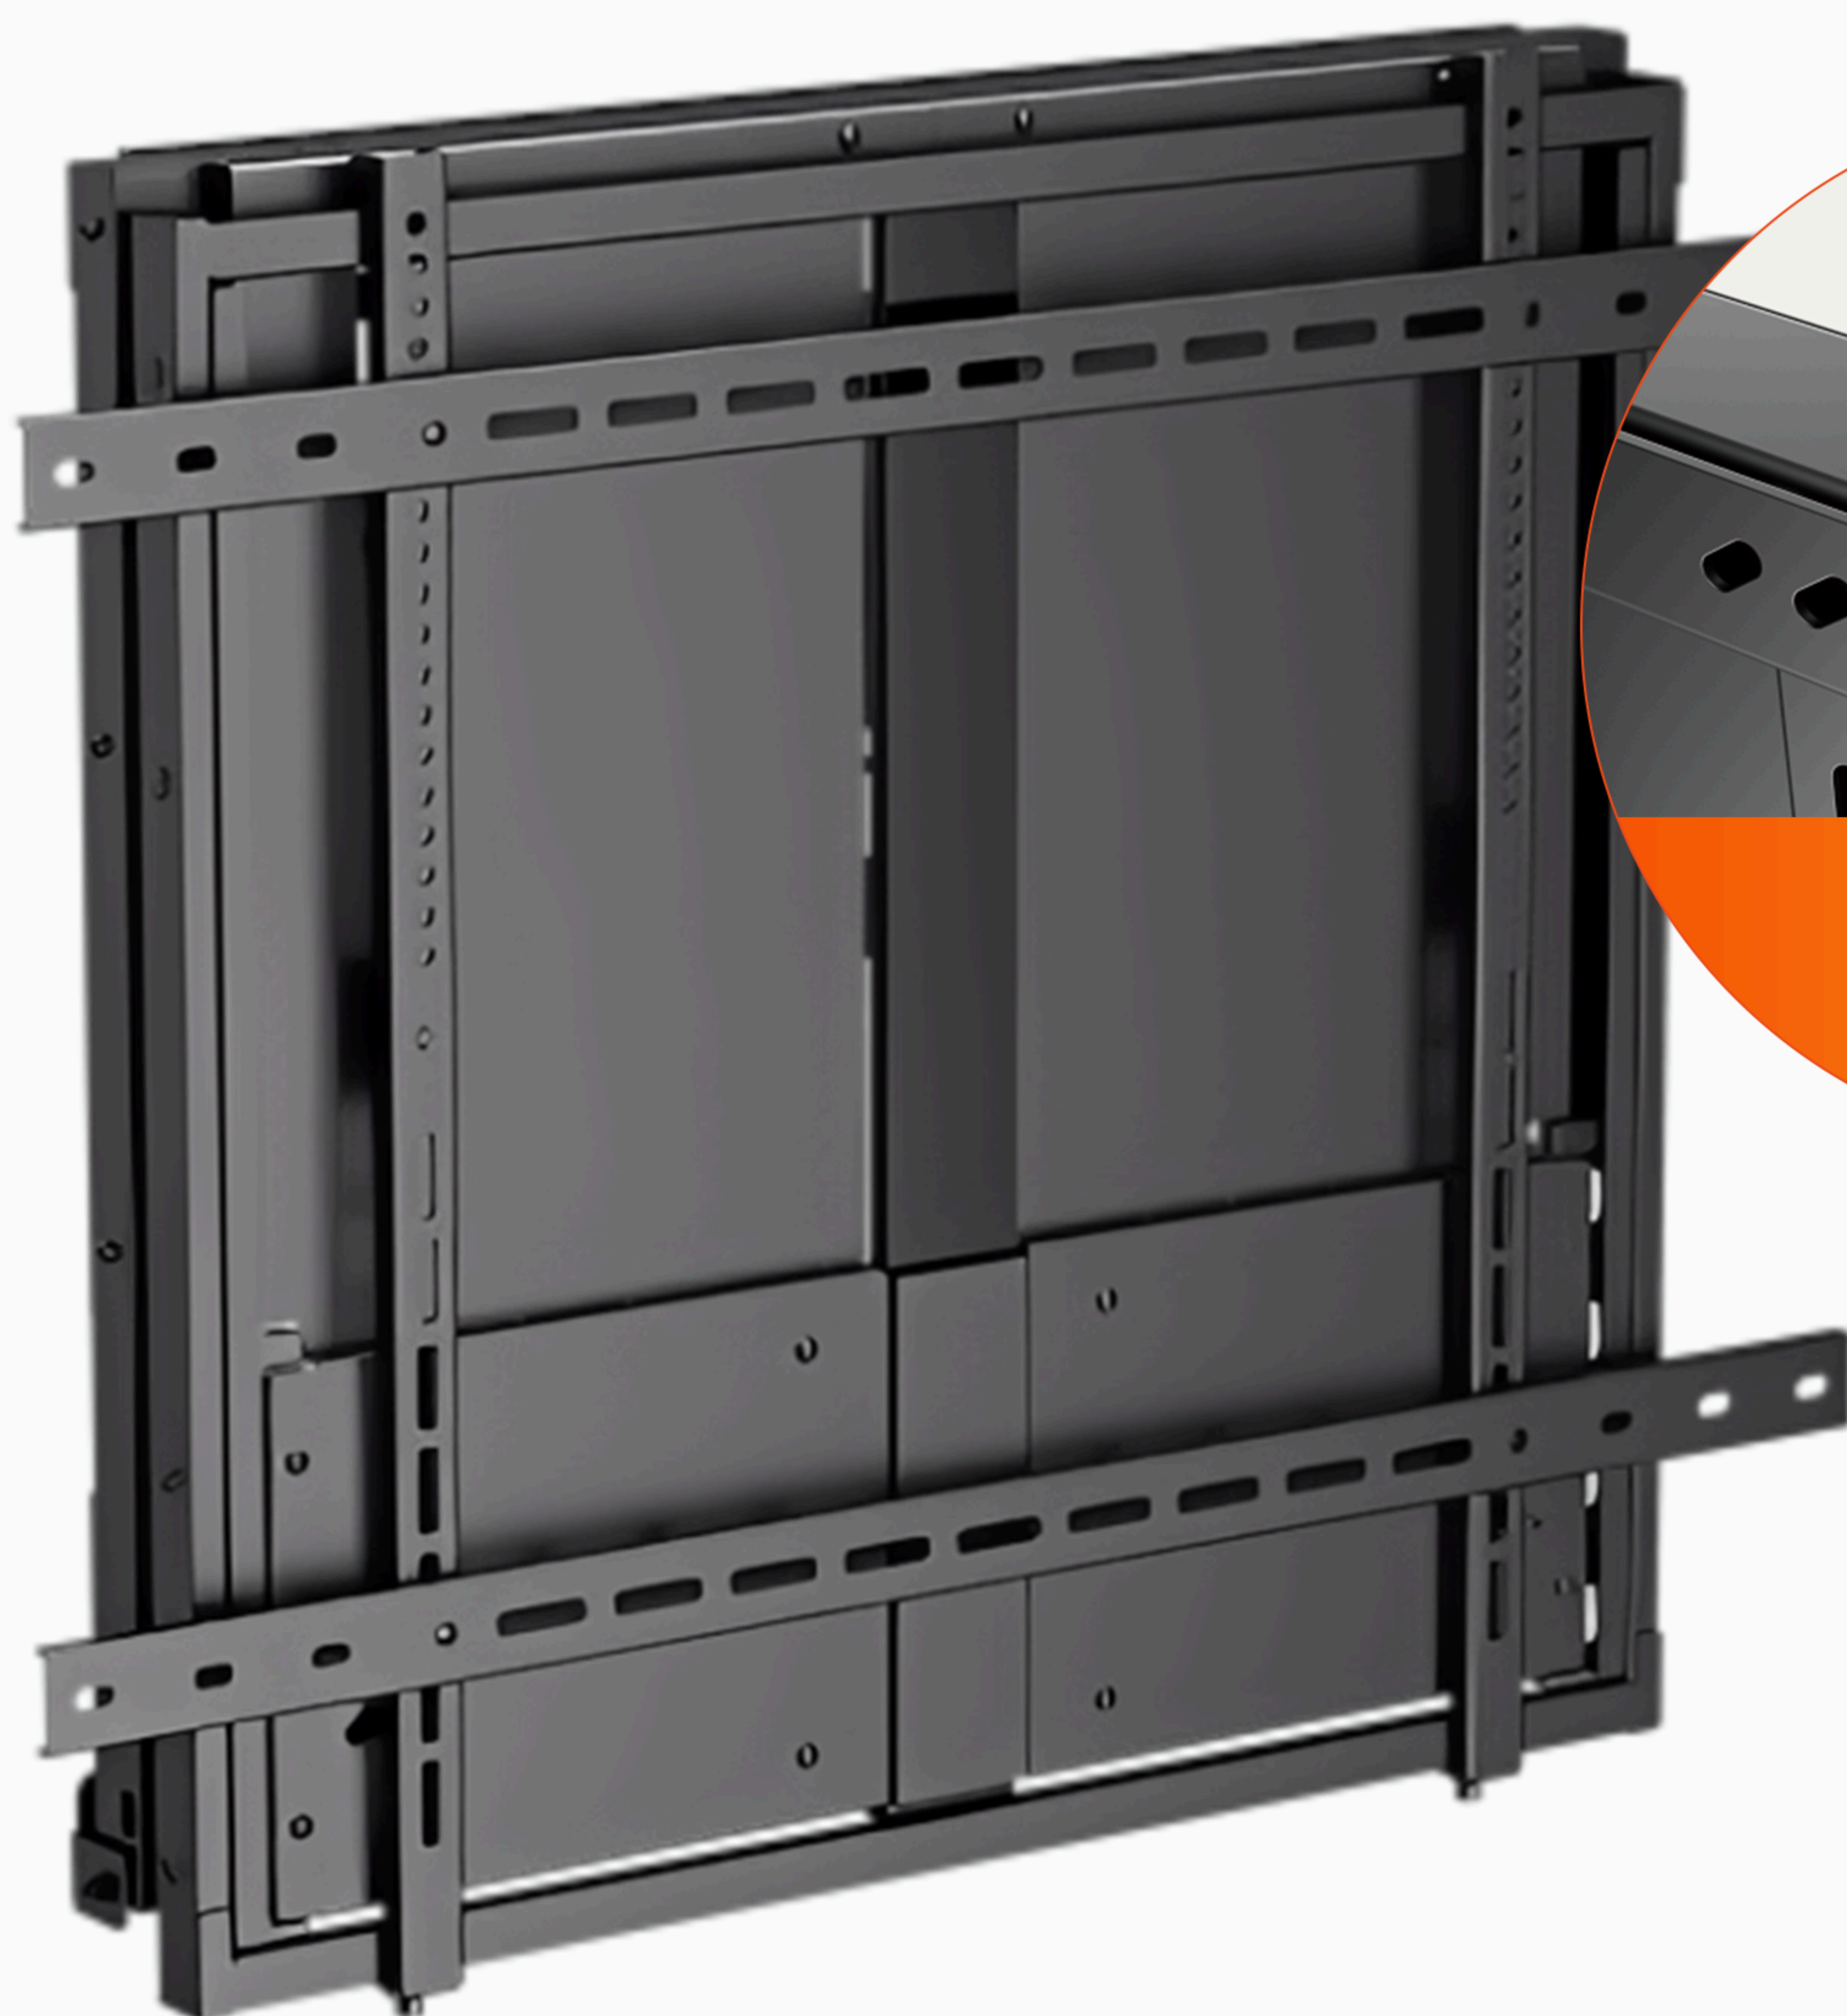

Allows high-to-low screen positioning with light-touch control for quick, convenient adjustment.

400MM HEIGHT ADJUST

Weight Balance Design

Helps accommodate different compatible display weights
for smoother, more controlled movement.

Heavy-Duty Support for Large Displays

Built from strong steel to support 65"–86" TVs weighing 36–65kg, delivering secure, dependable performance for meeting rooms, classrooms and commercial spaces.

↗ SUPPORTS UP TO 86"

🛒 65KG WEIGHT CAPACITY

Compatible TV Cart Support

Pair the mount with the TV Cart Support for added structural support and greater installation flexibility, making it especially suitable for large, heavy displays and professional environments.
