

Brateck

Comfort at Your Fingertips

Clamp-On Sit-Stand Keyboard Tray

with Wrist Rest & Storage Drawer

KEYBOARD TRAY

The **Brateck Clamp-On Sit-Stand Keyboard Tray** helps create a more comfortable and organised workspace. Designed for under-desk or on-desk use, it offers ergonomic adjustability, practical storage and a clean, space-saving setup for home or office environments.

Two Ways to Install

Flexible under-desk or on-desk use for a workspace that suits your needs.

Ergonomic Positioning

Tilt and height adjustment help create a more comfortable typing experience.

Height
Adjustment

Tilt

Integrated Storage Drawer

Keeps pens, notes and small essentials close at hand while maintaining a tidy desktop.

Comfortable & Durable Design

Ideal for reducing desktop clutter and improving everyday workspace organisation.

Wrist Support

Comfortable wrist rest reduces fatigue during long working hours.

Protective Pads

Table mounting clamp with pads protects your furniture.

Durable Construction

Heavy-duty steel construction for strength and durability.

Clean & Organised Setup

A supportive wrist rest and heavy-duty construction deliver comfort and long-term reliability.
