

**Brateck**

# Affordable TV Mounting Made Easy.

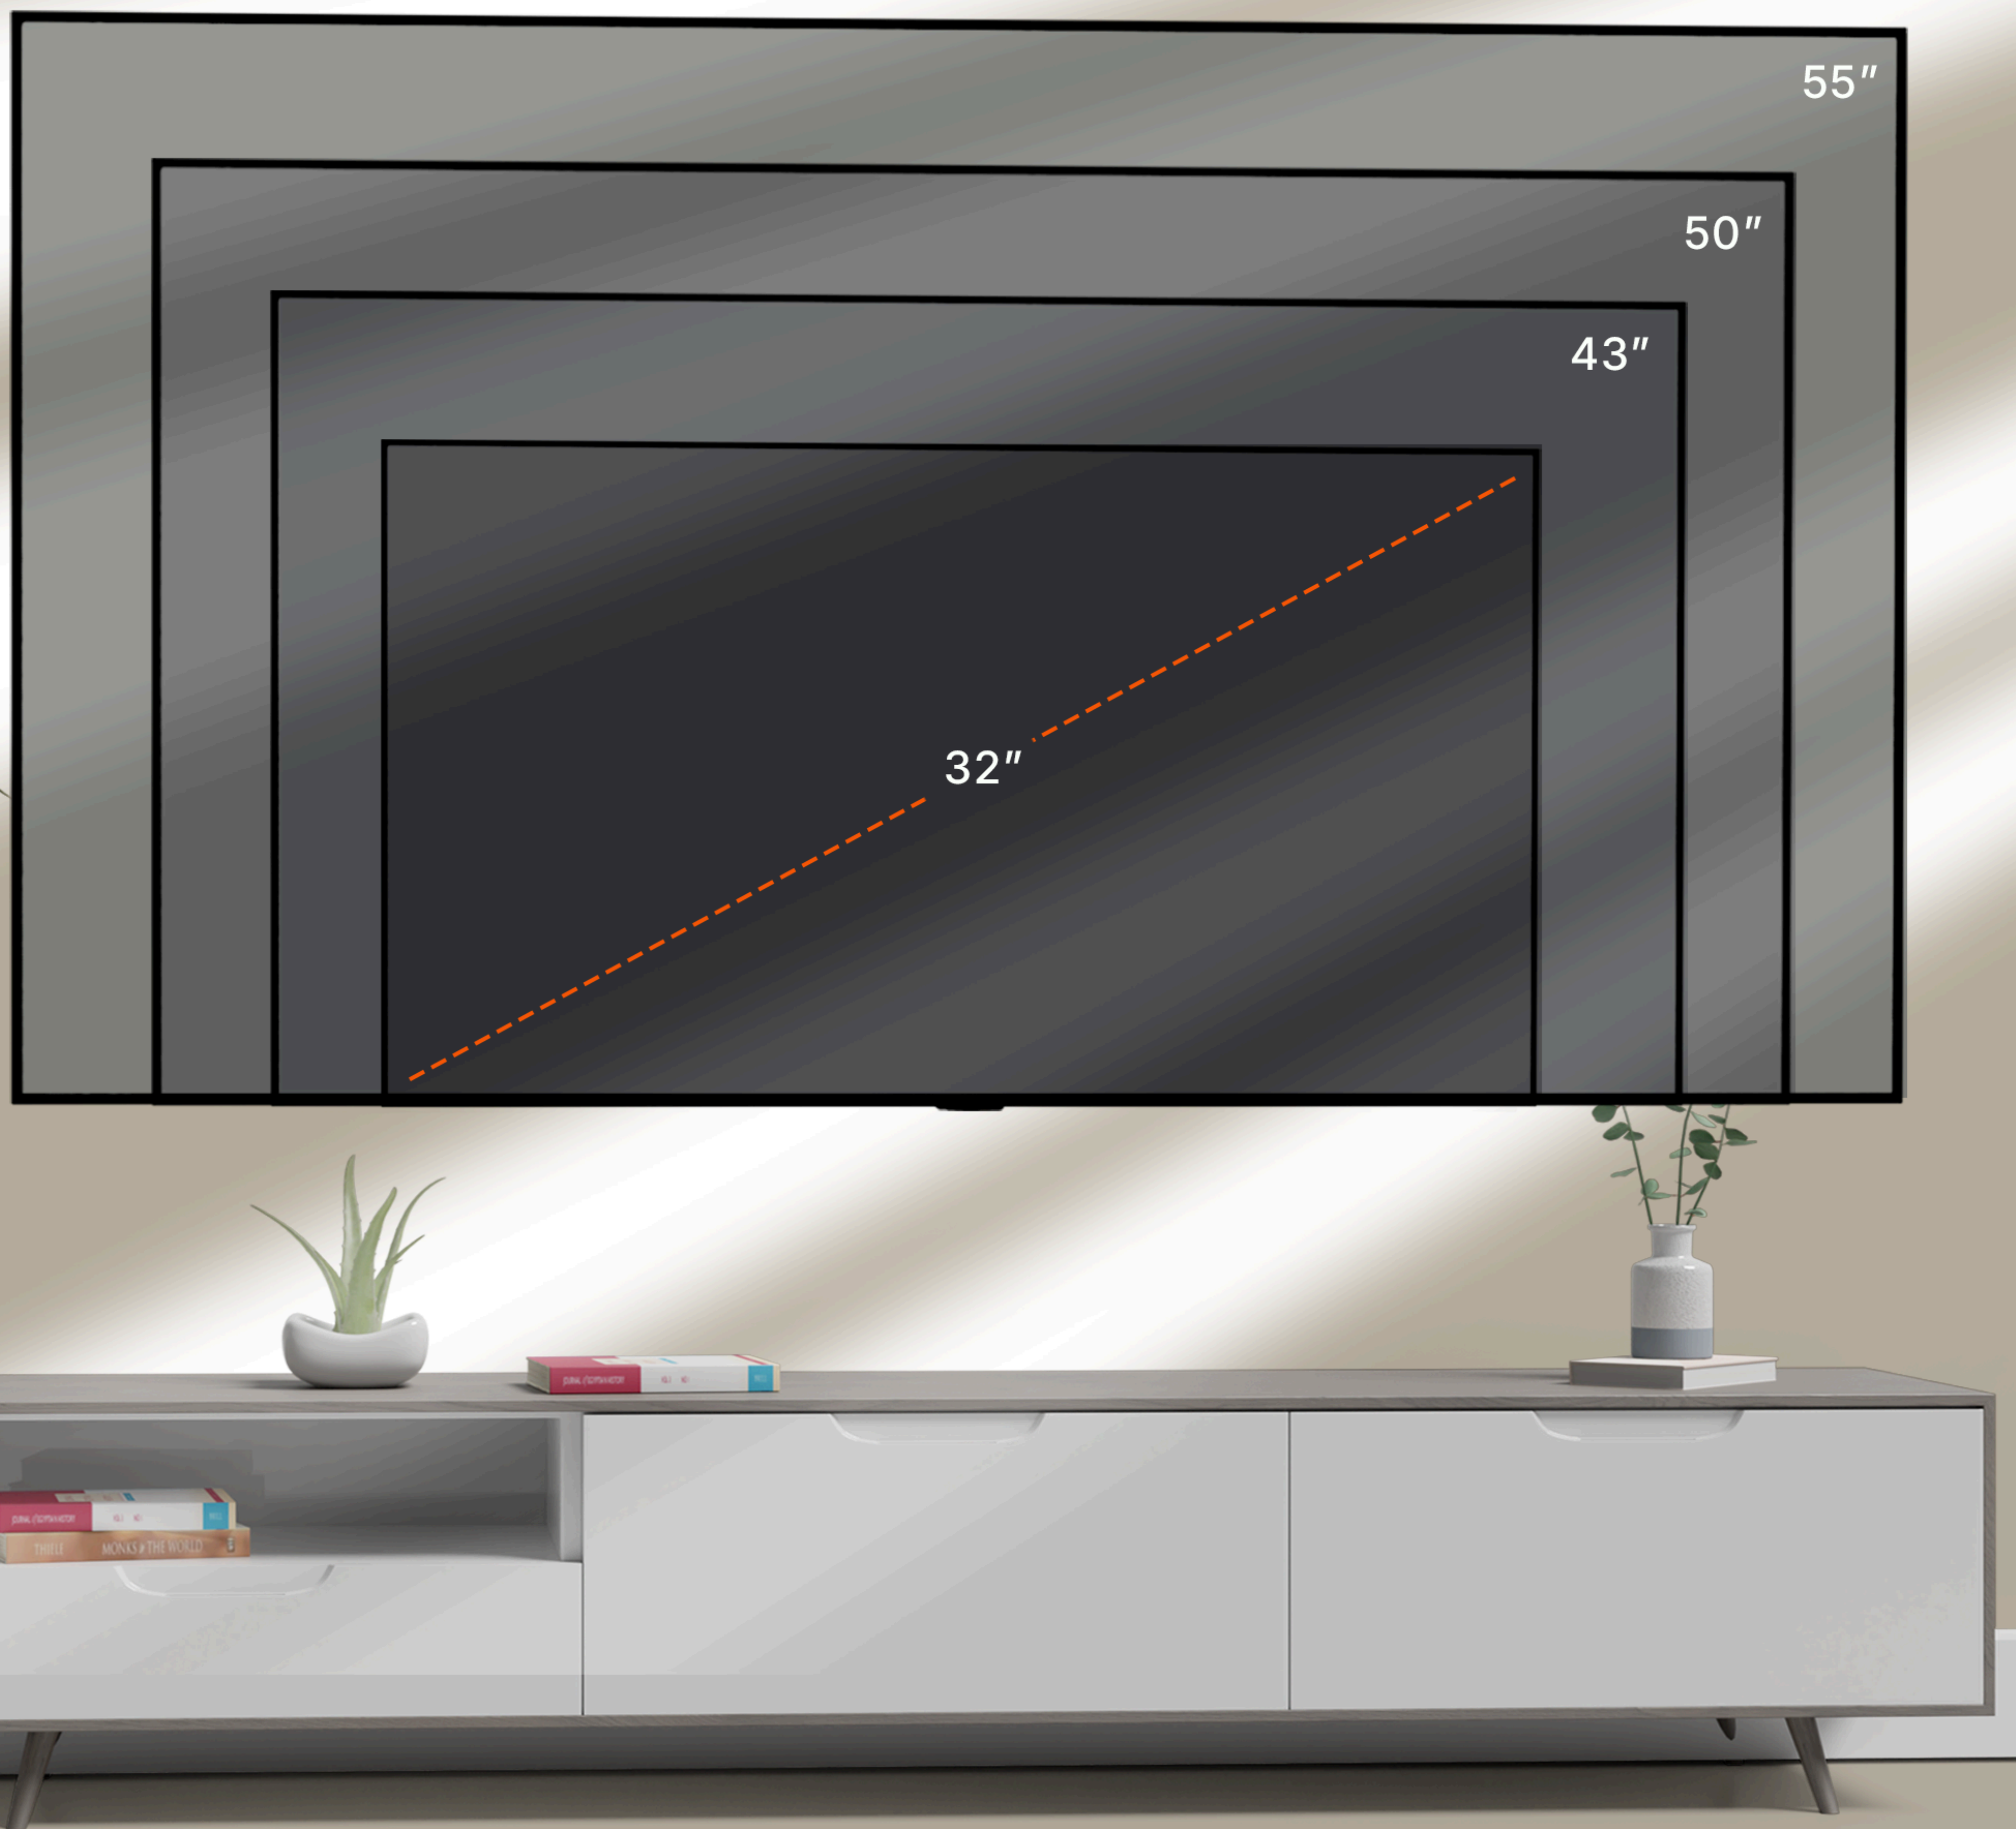

## FIXED TV WALL MOUNT

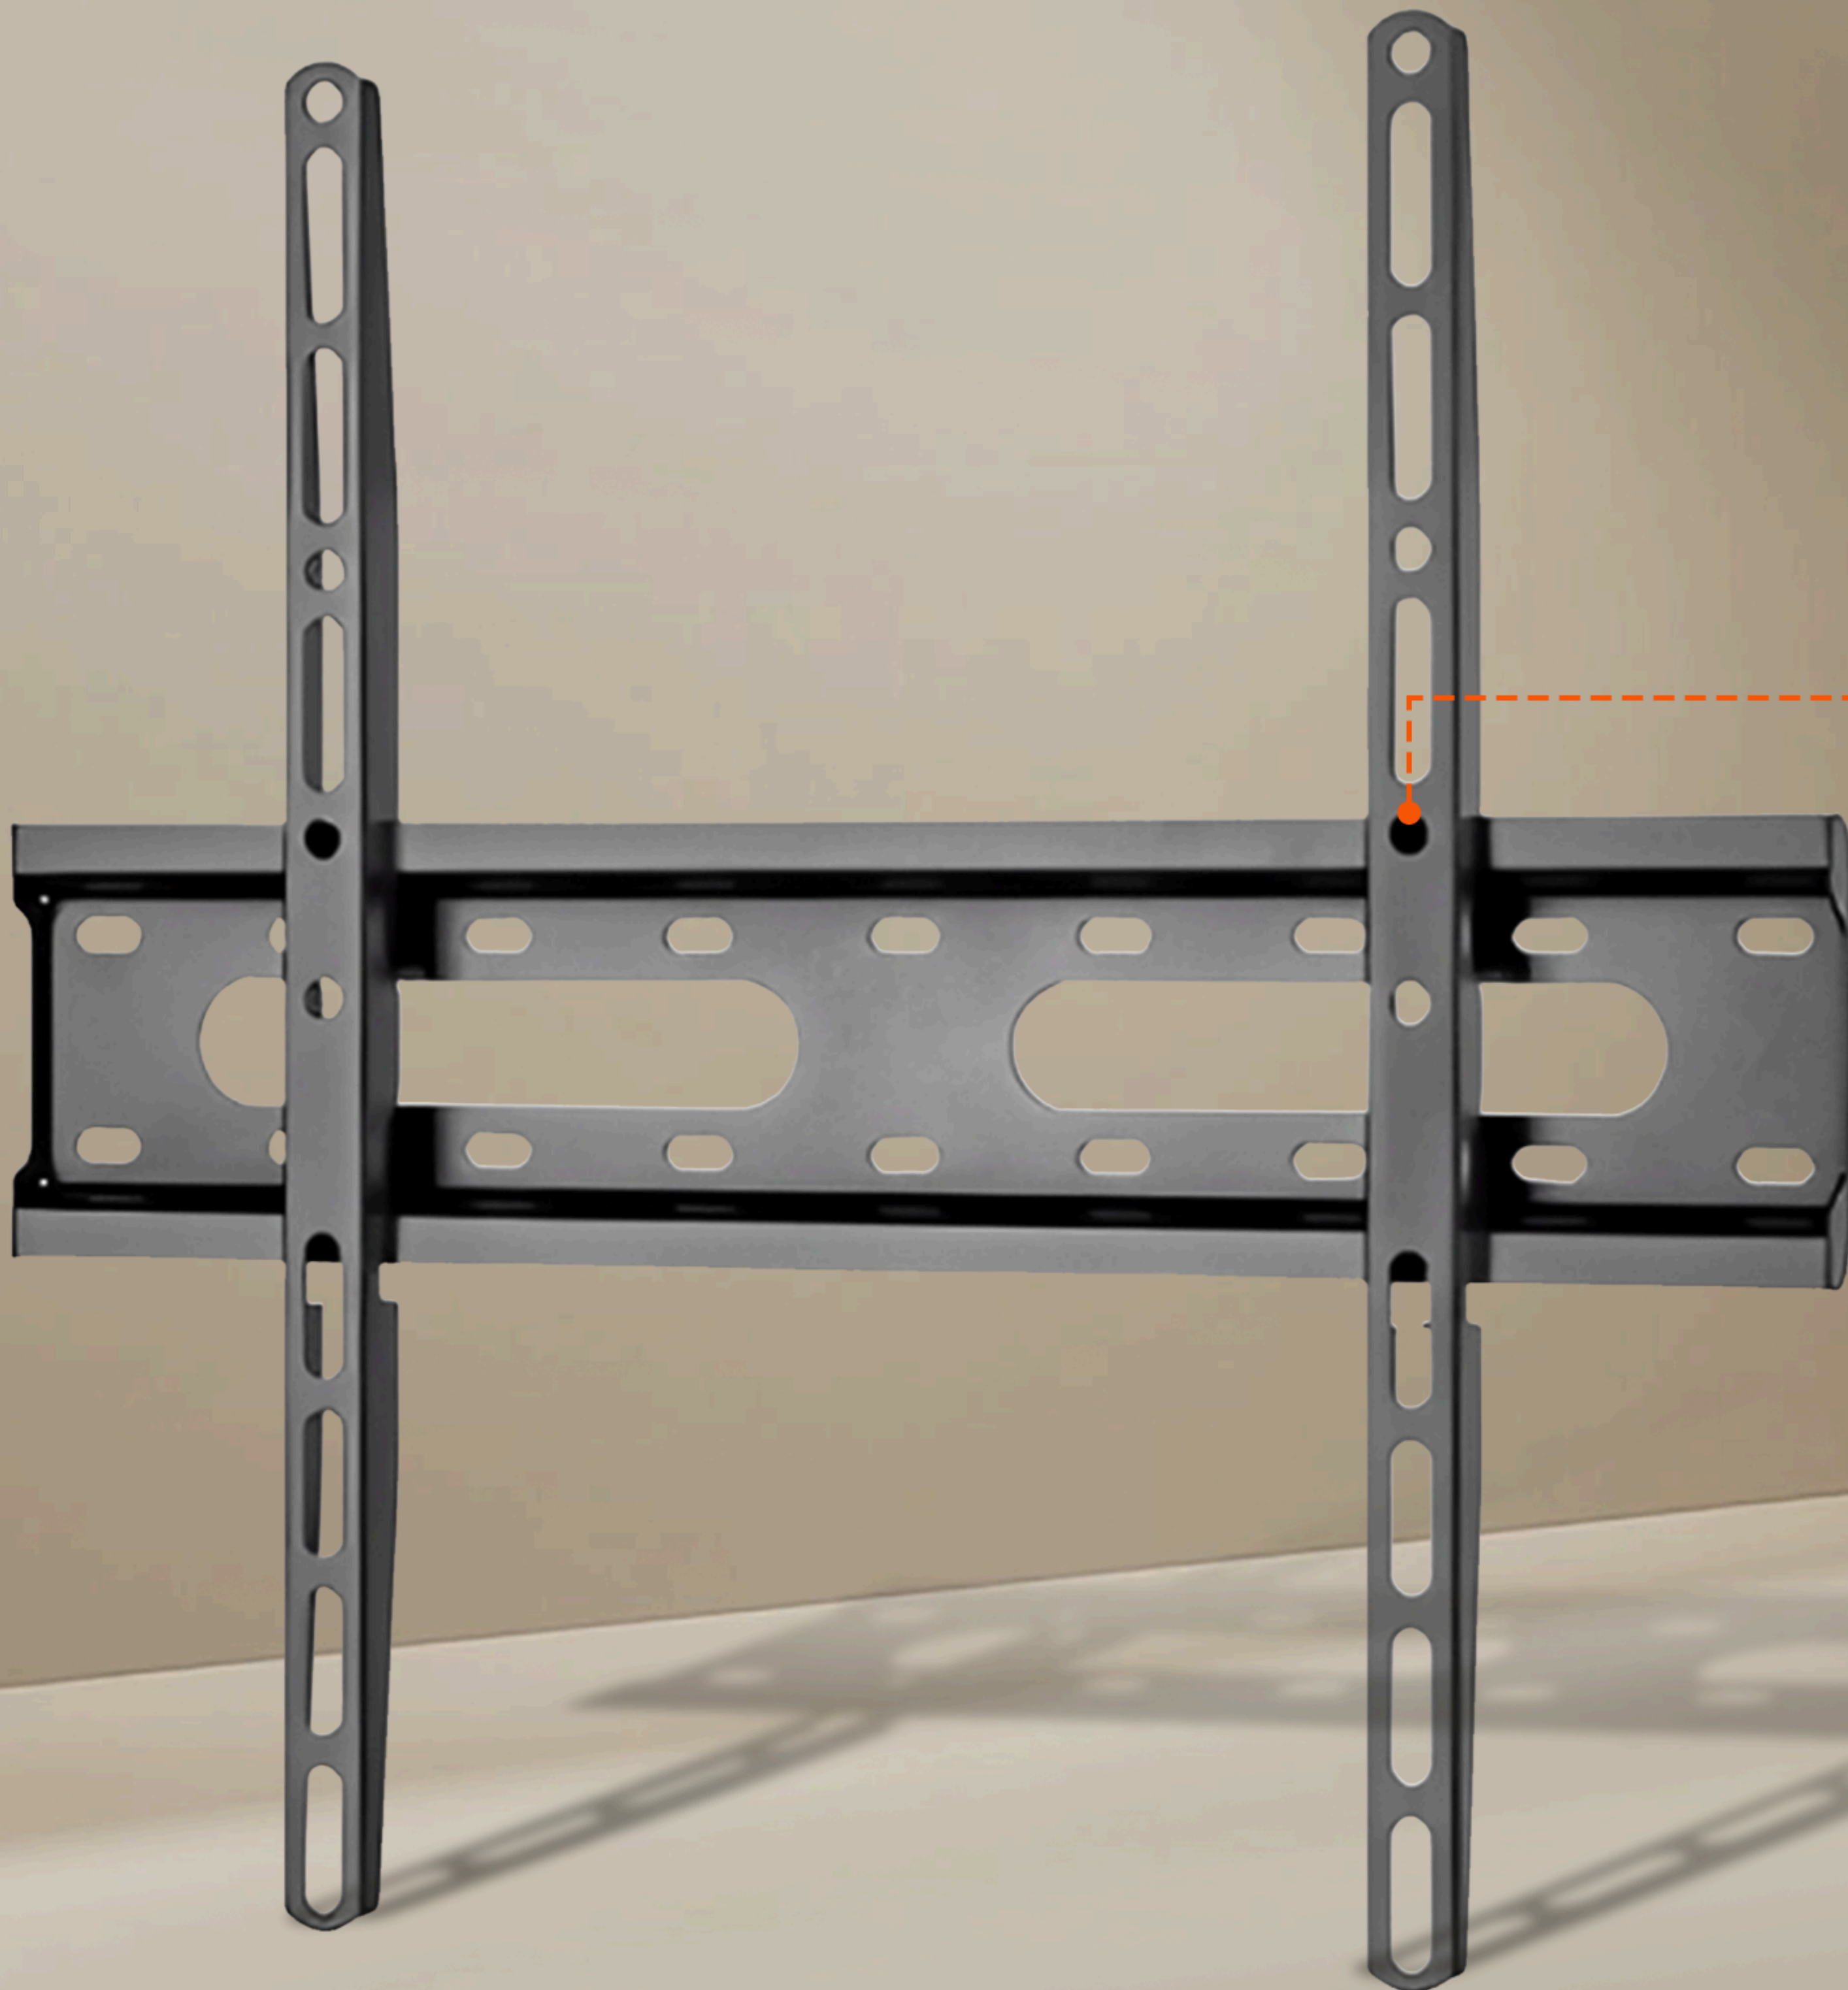

Upgrade your entertainment space with the **Brateck Fixed TV Wall Mount**. Engineered to support most 32"–55" flat and curved TVs up to 45kg, this sturdy steel mount offers a secure, ultra-slim installation that saves space and creates a clean, modern look.

Easy to install and built to last, it's the smart choice for affordable TV mounting.

## Wide Compatibility Design

Accommodates most 32"–55" flat-panel and curved TVs and supports a wide range of VESA mounting patterns.

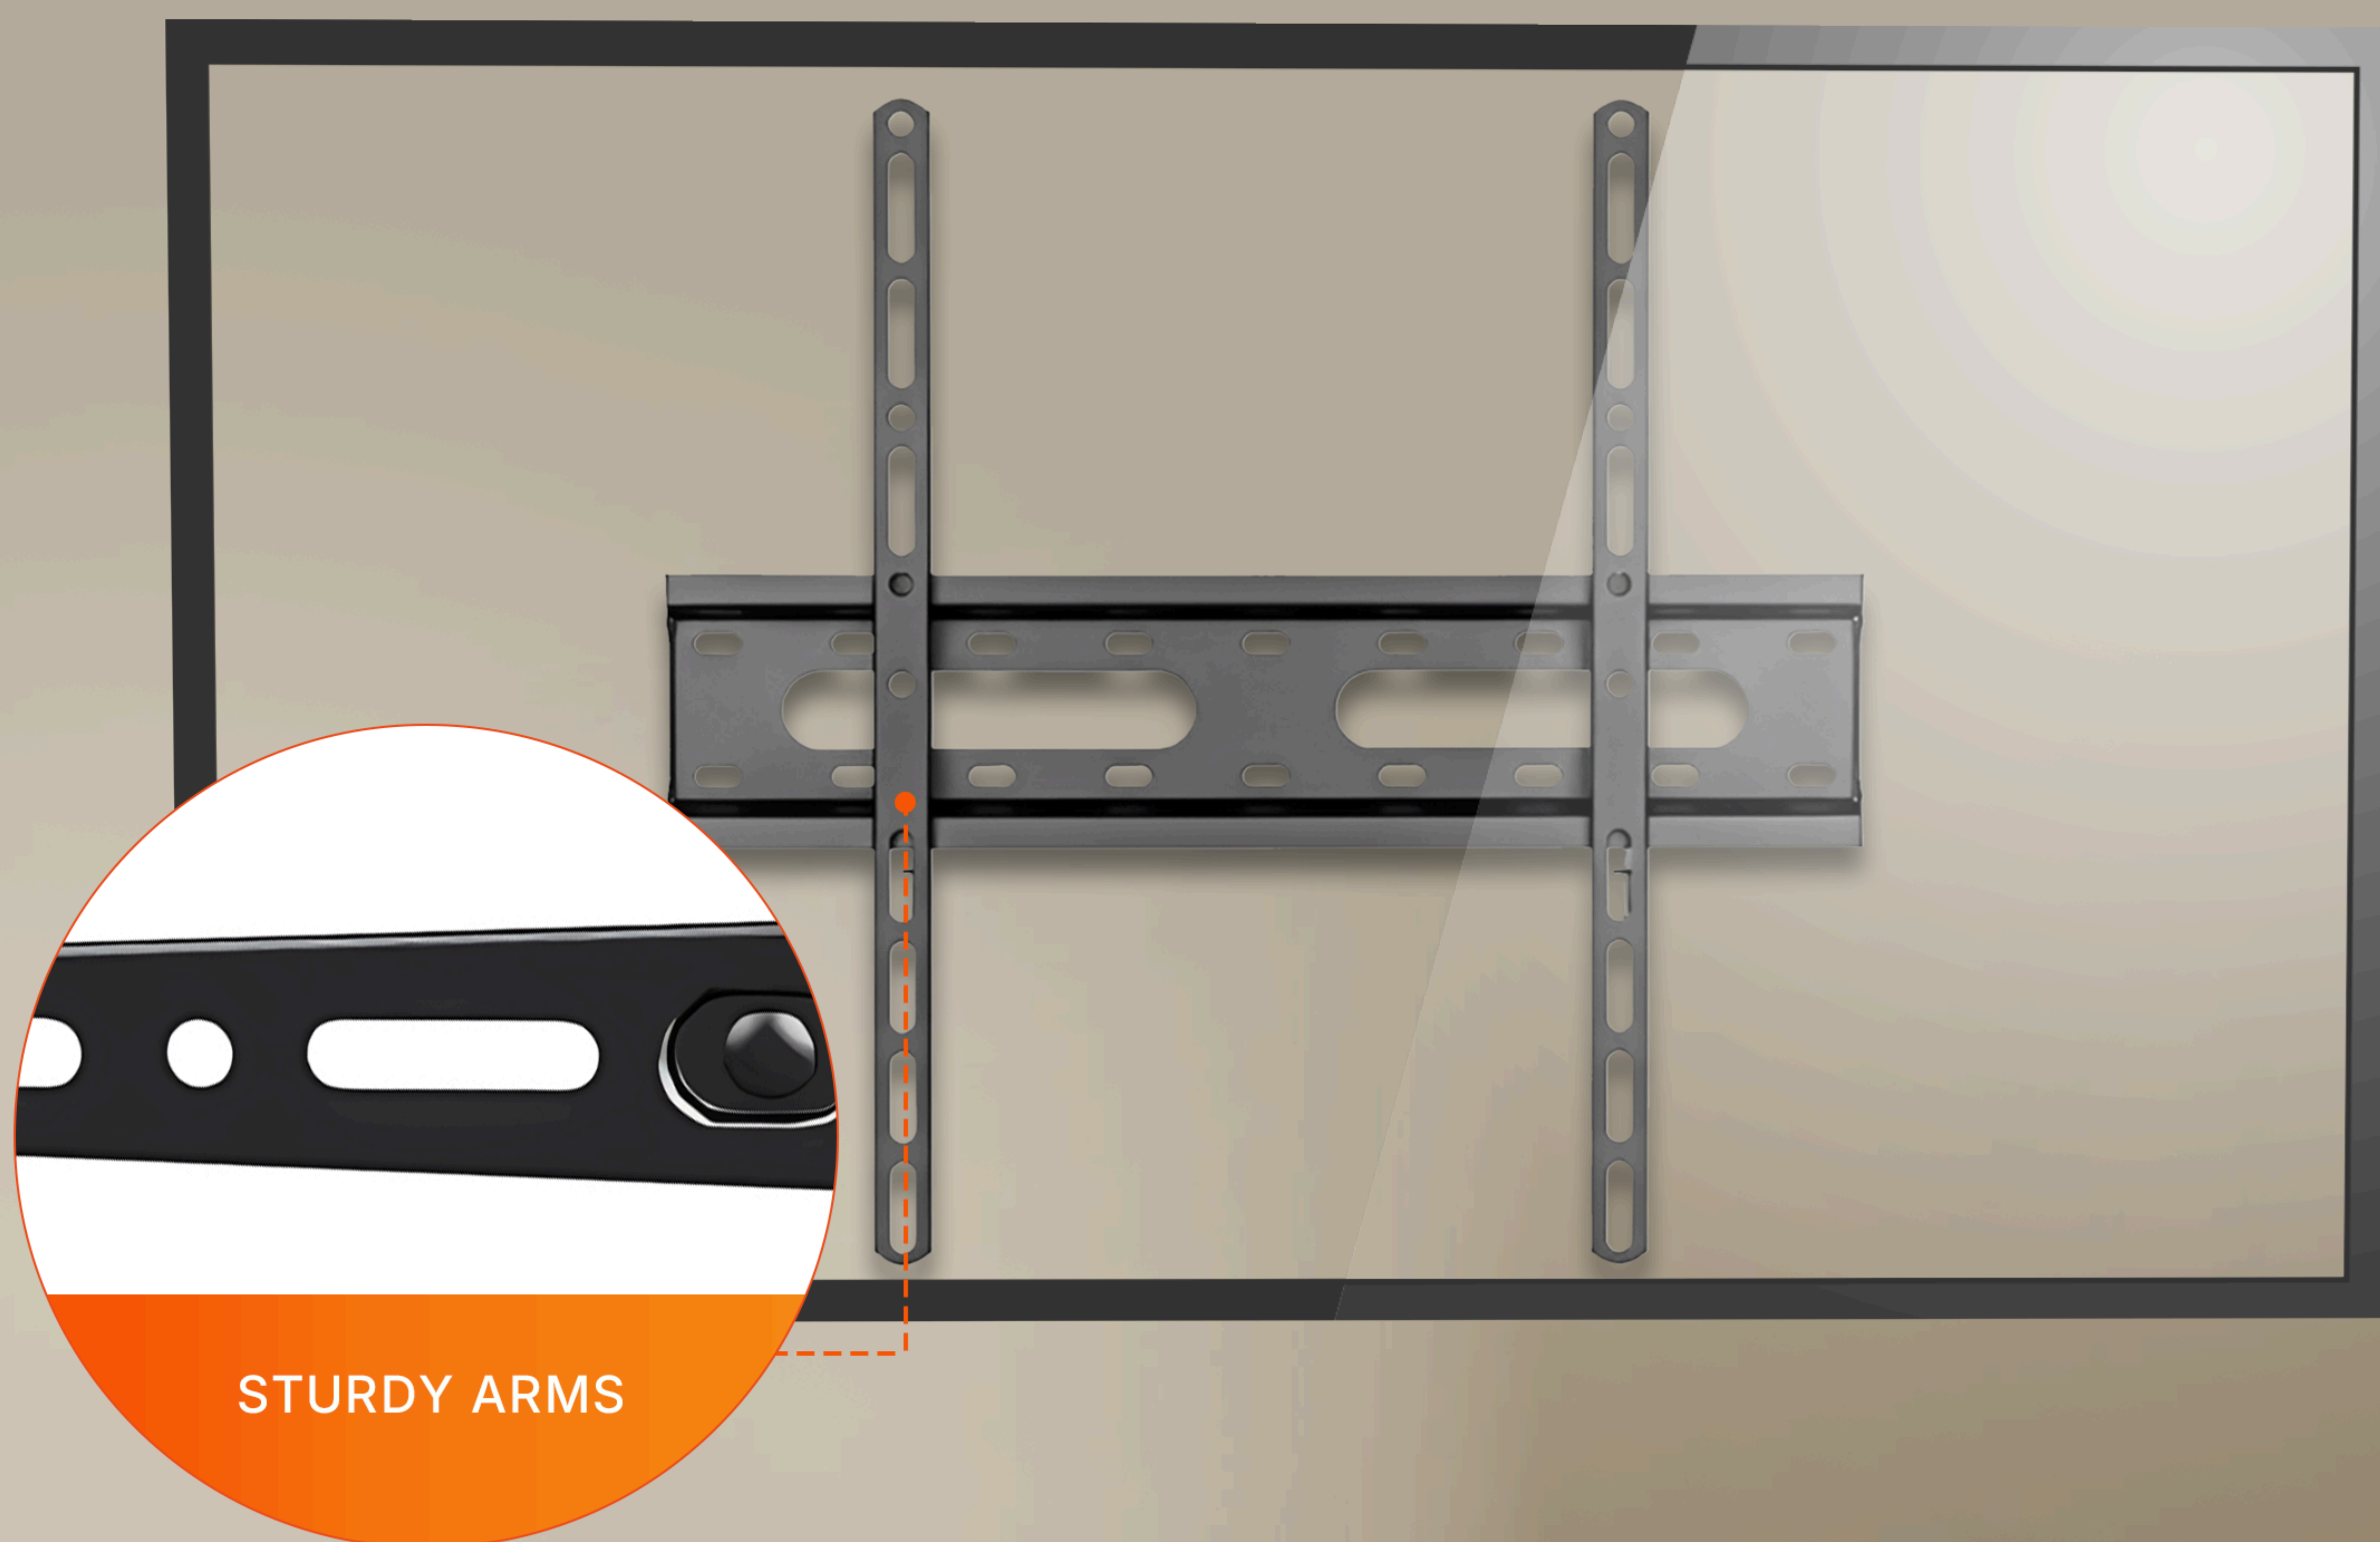

## Easy Installation System

Features a straightforward mounting process with included hardware and a leveling aid for quick and accurate setup.

## Strong & Secure Construction

Supports TVs up to 45kg with heavy-duty steel construction for dependable stability and long-lasting performance.

# Affordable Value Design

Delivers a budget-friendly mounting solution without compromising on safety, reliability, or durability.
