Brateck

Flexible Viewing. Simple Adjustments.

TILT TV WALL MOUNT

Combines reliable strength, flexible viewing adjustments and practical affordability for everyday entertainment and professional spaces. The **Brateck KL31-46T Super Economy Tilt TV Wall Mount** allows users to customise their viewing angle for greater comfort and reduced glare.

Flexible Tilt Adjustment

Allowing users to adjust the screen vertically for more comfortable viewing angles and reduced glare, particularly when televisions are mounted above eye level.

+12° TO −12°

Wide VESA Compatibility

Supports standard VESA mounting patterns, accommodating a wide range of compatible flat and curved televisions for versatile installation.

Secure Installation & Detachable Mounting Panels

Combines detachable mounting panels with security screws that help hold the television securely against the wall plate.

Reliable Large-Screen Support

Featuring durable steel construction and strength-tested reliability for secure wall mounting in home entertainment and professional environments.
