Brateck

Tilt with Ease.
View with Comfort.

TILT TV WALL MOUNT

Experience **Brateck KL38-44T Large-Screen Compact Tilt TV Wall Mount,** dependable support for flat and curved TVs up to 75", with a sleek 50mm wall profile, adjustable tilt and heavy-duty steel construction. Designed for a cleaner setup and more comfortable viewing experience.

Flexible Tilt Adjustment

Allowing users to adjust and secure their preferred viewing angle for greater comfort and reduced unwanted screen glare.

Open Architecture & Wide VESA Compatibility

Features an open-frame design that promotes ventilation and provides easier access to TV connections, while supporting compatible VESA mounting patterns for versatile display installation.

Easy Installation with Integrated Bubble Level

Supports most 60"–100" displays weighing up to 100kg, featuring a robust steel base and durable caster wheels for reliable stability and effortless movement.

Compact 50mm Low-Profile Design

wall profile that keeps the television close to the wall,
helping maximise room space while maintaining a clean,
streamlined appearance.
