Wall-Mounted Bike Rack

Smarter Bike Storage. One Space-Saving Solution.

Keep your bicycles and riding essentials organised with the Brateck LBM09-02 Catch-All Wall-Mounted Bike Rack. Heavy-duty bike hooks, adjustable spacing and dedicated helmet storage.

-

Heavy-Duty Storage

Providing dependable wall-mounted storage for compatible bicycles while helping free up floor space.

Adjustable Lateral-Shift Hooks

Allows users to slide and adjust the spacing between hooks, making it easier to accommodate more.

Dedicated Helmet Storage

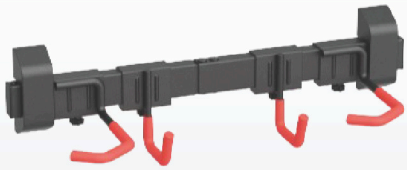

Includes two additional helmet hooks, each supporting up to 10kg, keeping helmets and cycling accessories.

Wall-Mounted Bike Rack

Smarter Bike Storage. One Space-Saving Solution.

Designed to maximise wall space and minimise clutter for a cleaner, more functional garage.

Features

Protective Hanging Hooks
Equipped with durable PVC-coated hooks designed to help protect bicycle rims against scratches.

Space-Saving Construction
Keeping garages and storage areas cleaner and more organised.

Easy Tool-Free Hook Adjustment
Features convenient tool-free securing knobs that allow users to adjust and lock the hook positions.

Durable Design
Combines sturdy steel construction with a protective powder-coated finish and compact wall-mounted design.
