

Brateck

Stronger Hold Smarter Storage

CATCH-ALL WALL MOUNTED BIKE RACK FOR 3 BIKES

The **Brateck LBM09-03** Catch-All Wall Mounted Bike Rack is a strong, space-saving storage solution for up to 3 bikes. Its sturdy powder-coated construction, laterally adjustable hooks and tool-free securing knobs make it ideal for organised bike storage at home or in the garage.

Heavy-Duty Structure

Holds bikes and equipment securely with **up to 25kg (55lbs)** per bike hook and **10kg (22lbs)** per helmet hook.

 MAX

10 kg / 22 lbs
per helmet hook

 MAX

25 kg / 55 lbs
per bike hook

Lateral Shift Bike & Helmet Hooks

Easy to set the spacing for different bike sizes. Tool-free securing knobs help fix the hooks with less effort.

Tool-Free Securing Knobs

Fix the hooks with less effort

Wall-Mounted Storage for 3 Bikes

The catch-all design helps maximise wall space while keeping bikes neatly organised and easy to access.

Sturdy Construction & Powder Coating

Built for solid, long-lasting performance
