Brateck

Different VESA Sizes. One Simple Solution.

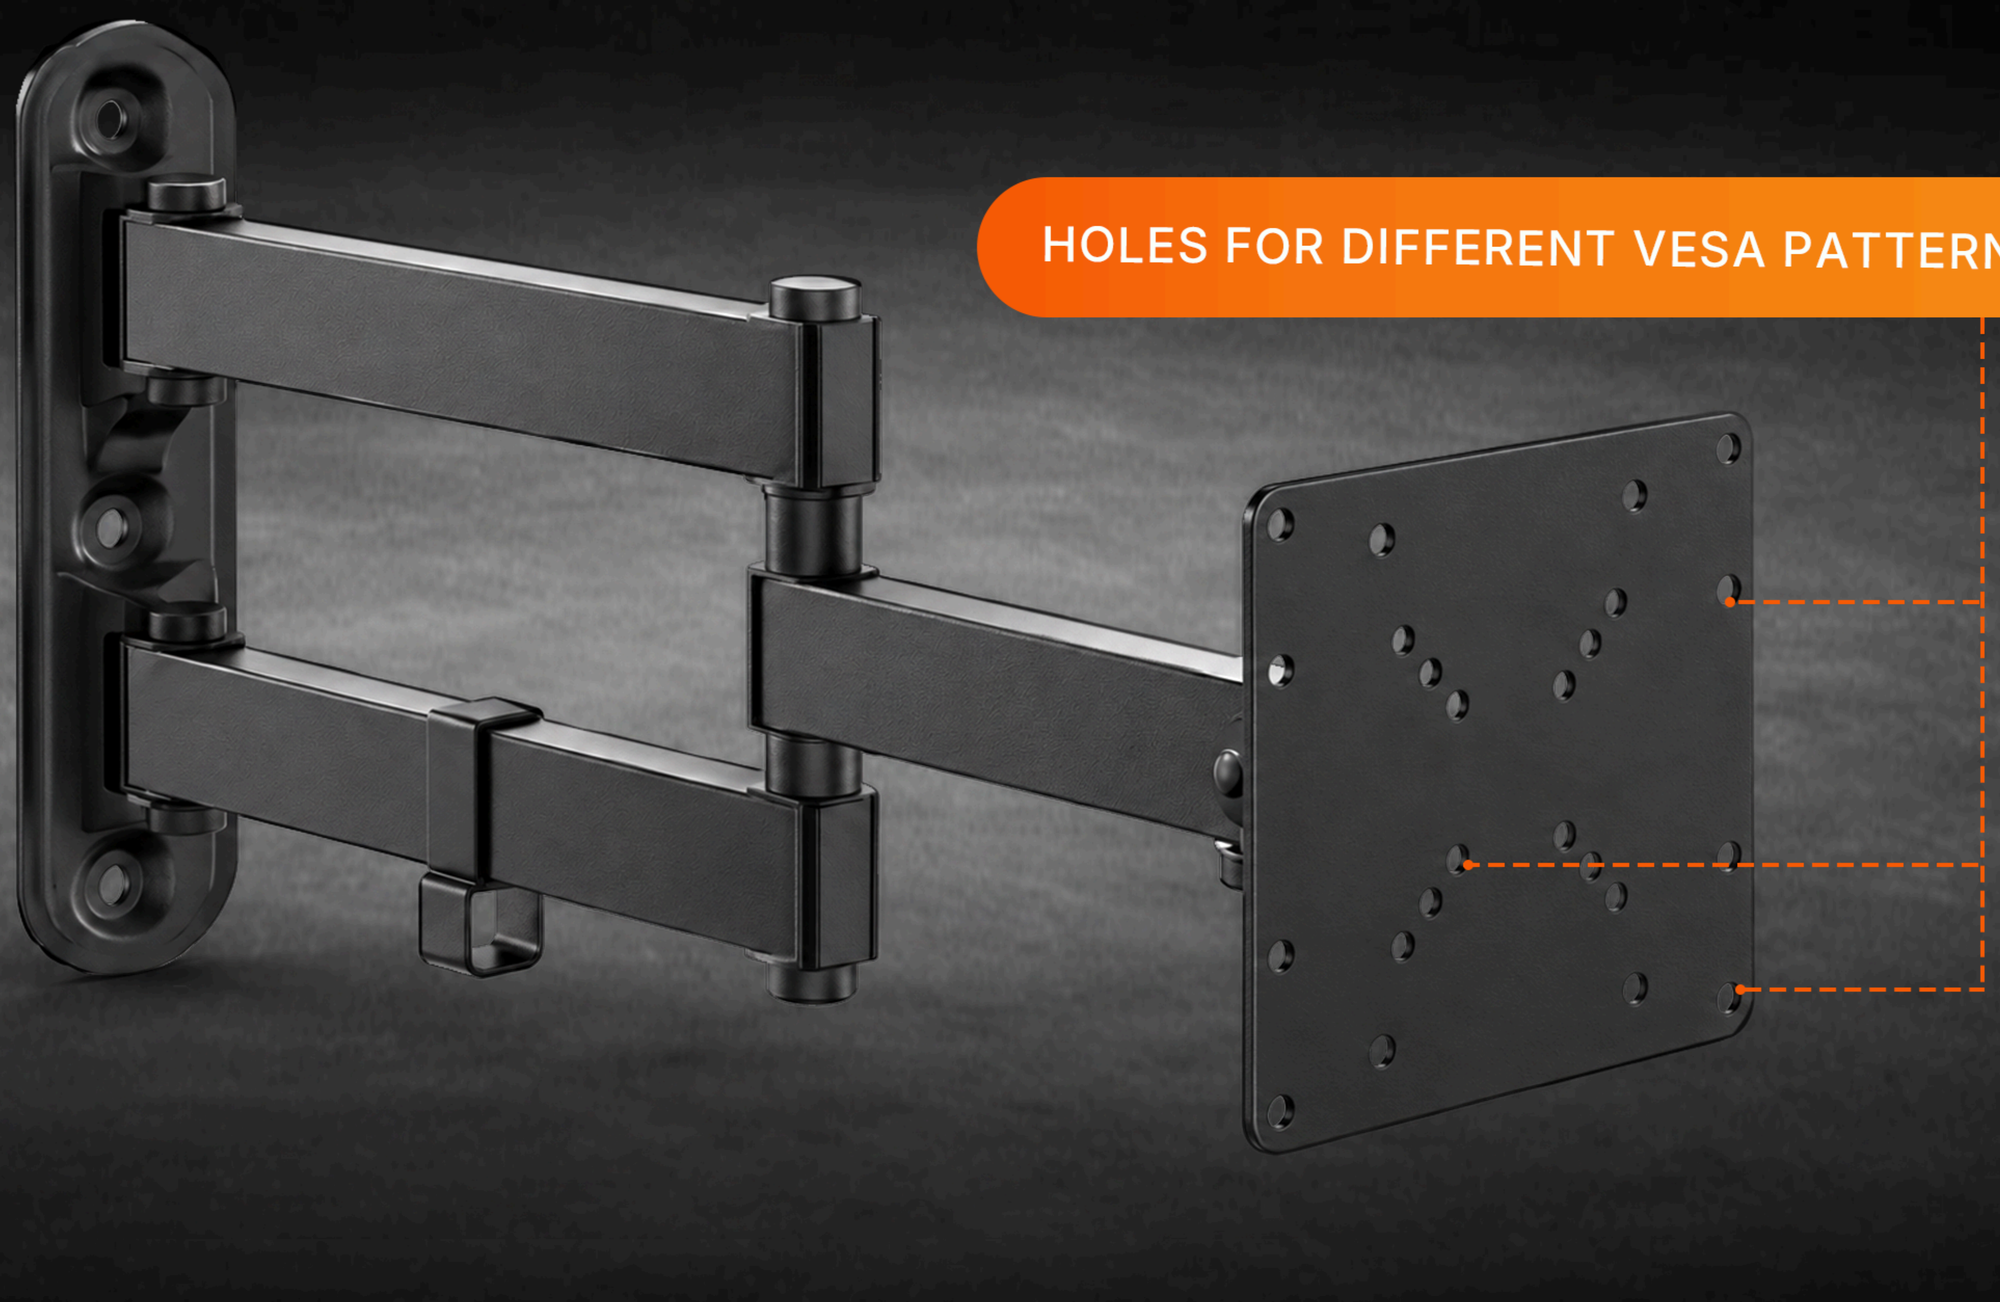

VESA EXTENSION PLATE

Upgrade your mounting compatibility with **Brateck LCD-201C VESA Extension Plate.** A simple, reliable adapter designed to support 200×100mm and 200×200mm VESA displays. Built from durable steel and rated for up to 30kg, it makes adapting compatible existing mounts easier than ever.

Extended VESA Compatibility

Converts compatible 50×50mm, 75×75mm and 100×100mm mounting interfaces to accommodate displays with 200×100mm or 200×200mm VESA patterns, providing greater flexibility when upgrading.

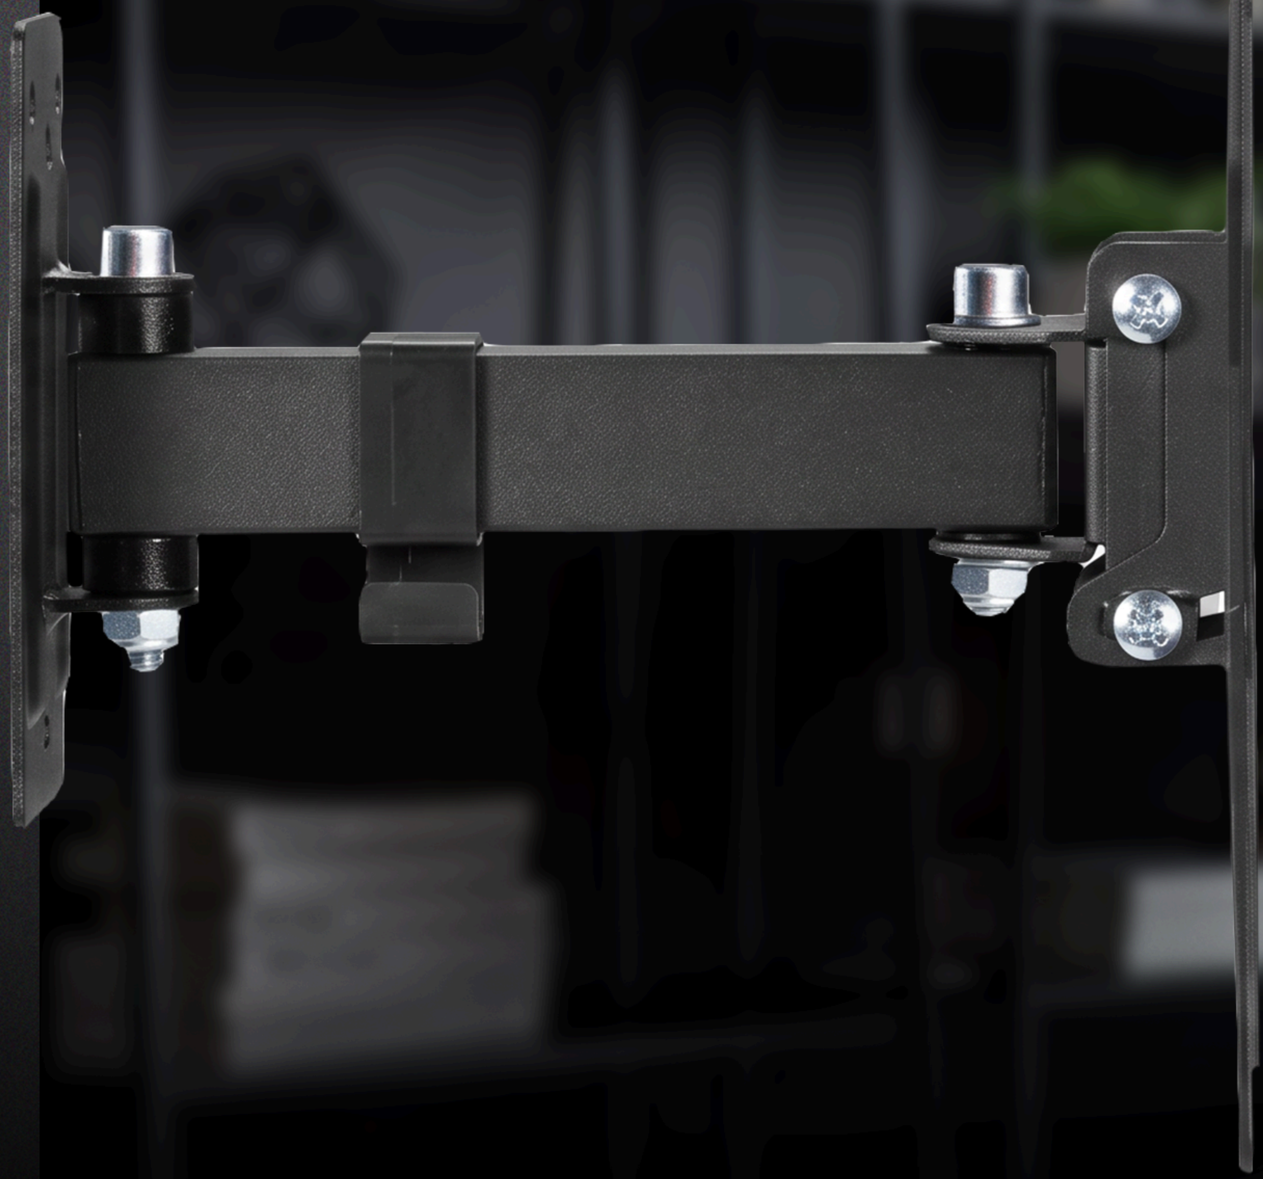

Reliable 30kg Weight Capacity

Constructed from durable steel with a rated weight capacity of up to 30kg, providing dependable support for compatible 23"–42" flat-panel displays.

Easy Installation & Assembly

Features a straightforward extension plate design with assembly hardware included, making it convenient to connect compatible mounting.

Durable, Compact Steel Design

Features a 220×220mm powder-coated steel construction with a fine-texture black finish, offering a sturdy, practical mounting solution.
