

Brateck

Precision Adjustments for Your Perfect View.

SINGLE LIFT MONITOR STAND

Enhance your workspace with the **Brateck Single Free-Standing Pneumatic Vertical Lift Monitor Stand**. Its pneumatic height adjustment allows effortless lifting for optimal ergonomic comfort, while the free-standing base offers flexible placement without the need for desk clamping. Perfect solution for creating a clean, comfortable, and productive workspace.

Broad Monitor Compatibility

Supports most 17"–32" flat and curved monitors weighing up to 7 kg, making it ideal for home, office, and gaming setups.
