

Single Lift Monitor Stand

Precision Adjustments for Your Perfect View.

Enhance your workspace with the Brateck Single Free-Standing Pneumatic Vertical Lift Monitor Stand. Perfect solution for creating a clean, comfortable, and productive workspace.

Stable Freestanding Base

The freestanding design provides a secure and flexible mounting solution without requiring desk clamps or drilling.

Universal VESA Compatibility

Supports VESA 75×75 mm and 100×100 mm mounting patterns for broad compatibility with popular monitors.

Wide Monitor Compatibility

Designed to support most 17"-32" flat and curved monitors weighing up to 7 kg, making it a versatile choice for home offices, workstations, and professional setups.

Single Lift Monitor Stand

Precision Adjustments for Your Perfect View.

Its pneumatic height adjustment allows effortless lifting for optimal ergonomic comfort, while the free-standing base offers flexible placement without the need for desk clamping.

Features

Full-Motion Viewing

Easily adjust your screen for the perfect viewing angle whether you're working, creating, or watching content.

Clean & Organized Workspace

Built-in cable clips help route and organize monitor cables along the stand, reducing clutter and giving your workstation a cleaner appearance.

Durable Construction

Built with a sturdy structure and powder-coated finish, the stand is designed for reliable everyday use while providing solid support for your monitor.

Pneumatic Height Adjustment

The gas spring mechanism allows smooth and effortless vertical height adjustment, making it easy to position your monitor
