# Upgrade Dual-Screen Comfort

EPIC MONITOR ARM

The **Brateck MABT-LDT37-C024P-GG** delivers effortless dual-screen positioning with a premium gloss-grey aluminium finish, smooth gas spring adjustment, and flexible installation for modern workspaces.

## Smooth Dual-Screen Adjustment

Gas spring technology counterbalances each monitor, allowing easy movement and comfortable positioning throughout the day.

## Smart Setup & Protection

Detachable VESA plates make installation quick and easy, while the built-in spring tension gauge allows precise weight adjustment and non-skid silicone pads help protect the desktop from scratches and scuffs.

### Quick-Release VESA Plate

Allows for effortless monitor installation and removal

### Built-in Spring Gauge

Adjusted to fit various monitor weights

### High Grade Silicone Padding

Prevents movement while protecting the desktop from scratches

## Flexible Clamp or Grommet Mounting

Install the arm with clamp or grommet mounting, while non-skid silicone pads help protect the desk surface from scratches and scuffs.

## Clean & Organized Setup

Integrated cable management helps reduce clutter and keeps your workstation neat, tidy, and productivity-ready.
