Brateck

A Dual-Screen Setup with Precision and Control.

GAS SPRING DUAL MONITOR ARM

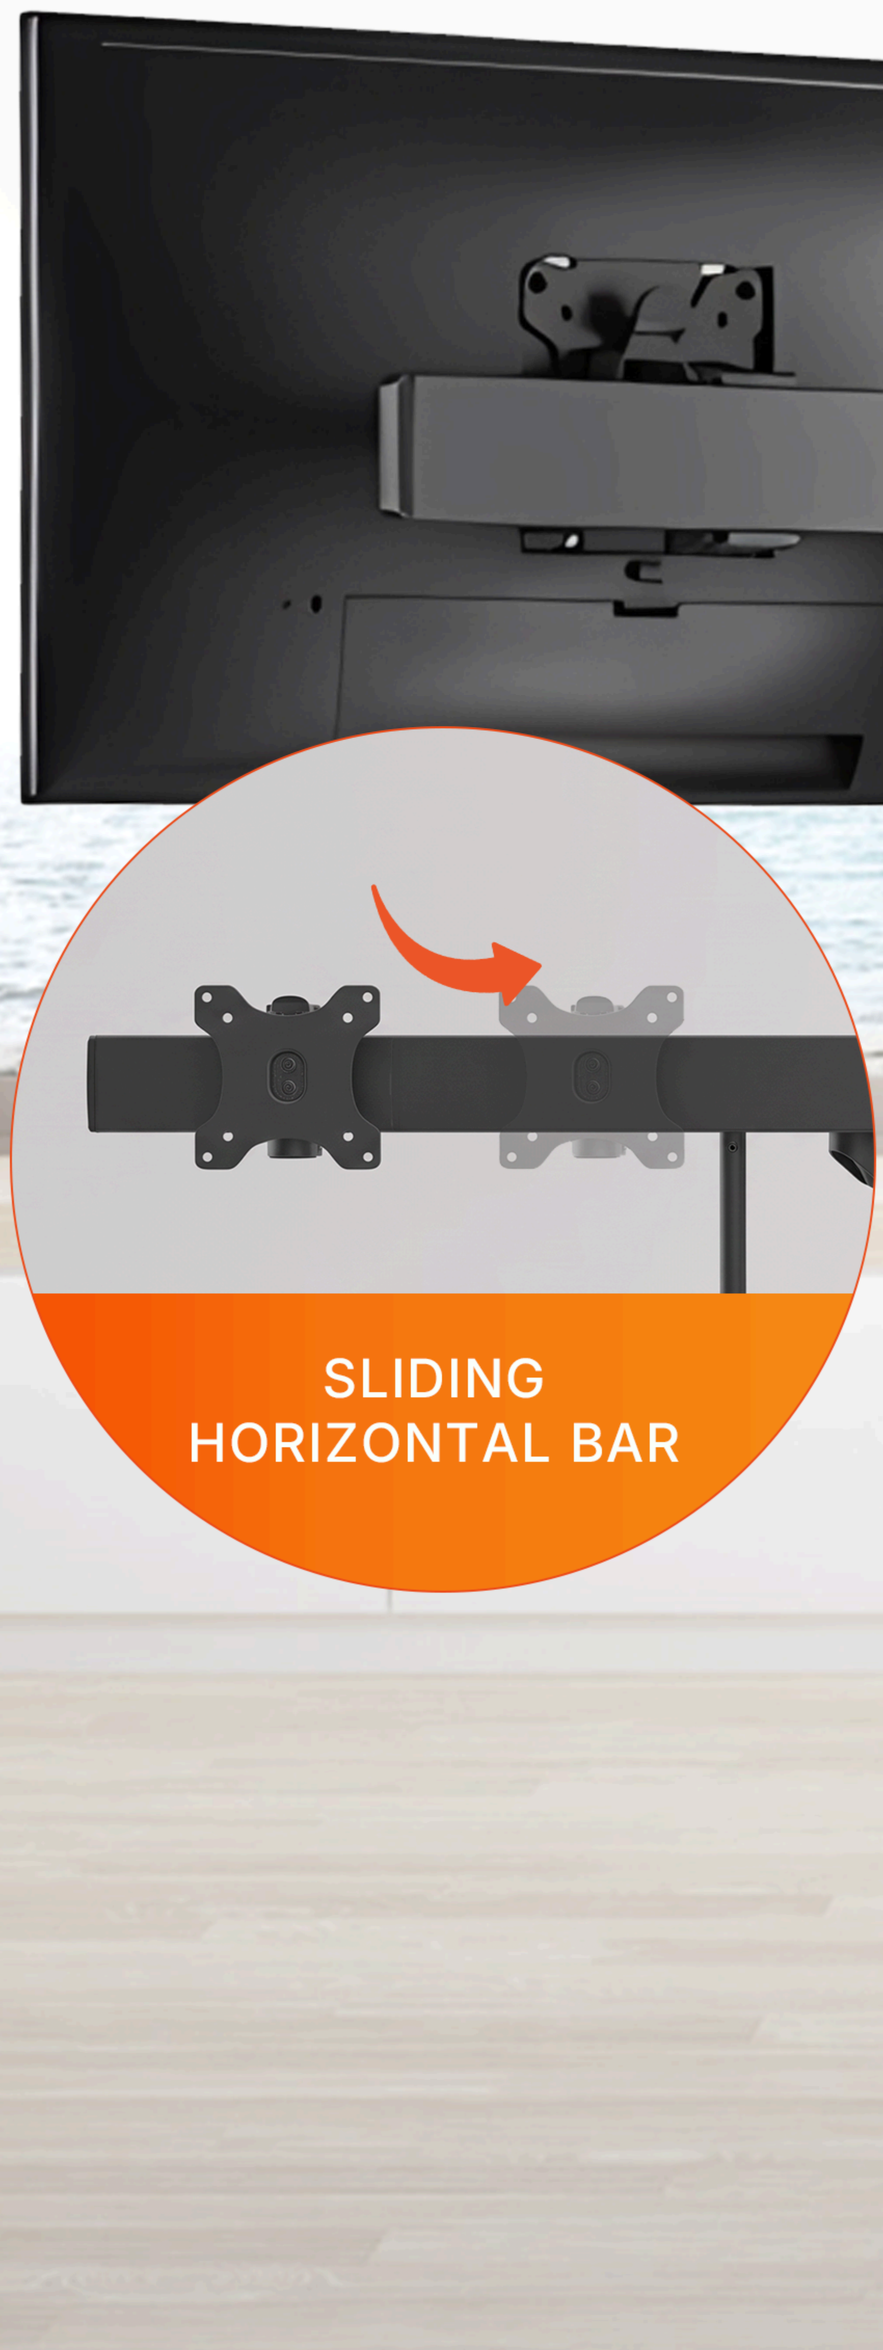

Experience effortless dual-screen positioning with **Brateck LDT43-C021 Select Gas Spring Aluminium Dual Monitor Arm.** Featuring a counterbalance gas spring mechanism and a conveniently positioned central easy-grip handle, it allows users to adjust both monitors simultaneously for comfortable viewing.

Simultaneous Dual-Screen Height Adjustment

Features a conveniently positioned central easy-grip handle and counterbalance gas spring mechanism, allowing users to raise or lower both monitors.

Lateral-Shift Monitor Alignment

Equipped with adjustable lateral-shift brackets that allow users to fine-tune the horizontal positioning and spacing between two displays.

Flexible Viewing Angles

Allowing users to customise viewing angles, switch between landscape and portrait orientations.

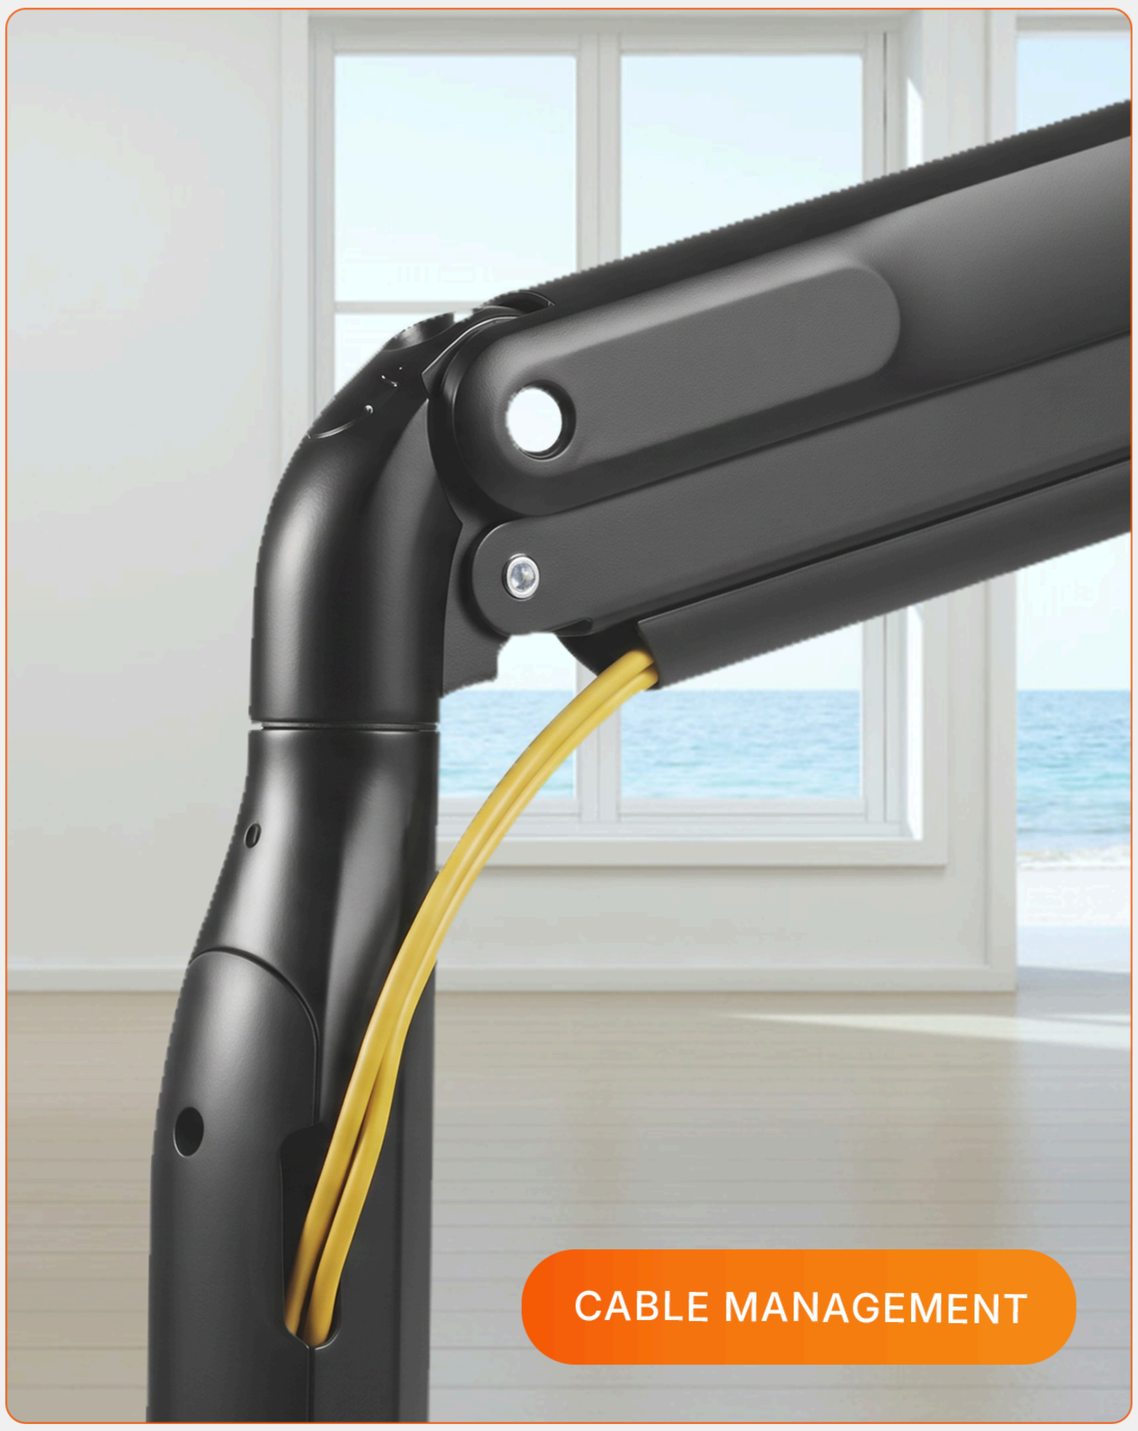

SPRING TENSION GAUGE

Easy Installation & Built-In Cable Management

Combines detachable VESA mounting plates with flexible desk clamp or grommet installation and integrated cable management.
