

Brateck

Ergonomics Made Effortless.

GAS SPRING MONITOR ARM

Ideal for offices, home workstations, control rooms, and shared workspaces, the **Brateck Single Monitor Pole-Mounted Gas Spring Monitor Arm** is a flexible and space-efficient solution designed to improve ergonomics and workspace organization. It delivers smooth, effortless adjustments through a precision gas spring mechanism.

Detachable 360° Rotary VESA Plate

The quick-detach 360° rotary VESA plate enables fast monitor installation and effortless switching between landscape and portrait orientations for maximum viewing flexibility.

Precision Tension Adjustment & Flexible Swivel

The built-in spring tension gauge ensures smooth, balanced monitor movement, while the swiveling arm provides maximum positioning flexibility for optimal viewing from any angle.

BUILT-IN
SPRING GAUGE

Two Mounting Options

Includes both desk clamp and grommet mounting options for flexible installation to suit different desk configurations.
