

Brateck

**Optimize Your View.
Enhance Your Workflow.**

GAS SPRING MONITOR ARM

Smooth gas spring adjustment and a sturdy pole-mounted design, **Brateck Triple Monitor Pole-Mounted Gas Spring Monitor Arm** allows users to easily position each screen for optimal comfort, improved ergonomics, and enhanced multitasking. Designed to maximize workspace efficiency by elevating three monitors into a clean, organized setup.

Full Motion Viewing Flexibility

Allows monitors to tilt, swivel, and rotate freely, providing customized viewing angles and seamless switching between landscape and portrait orientations.

Precision Adjustment & Easy Installation

Features a built-in spring tension gauge for accurate weight balancing and smooth monitor movement, while the detachable VESA plate design enables quick, easy, and hassle-free installation.

Desk Clamp & Grommet Installation

Includes two secure mounting methods to accommodate different desk configurations and workspace requirements.
