

Brateck

Elevate Your Workspace with Slim Elegance.

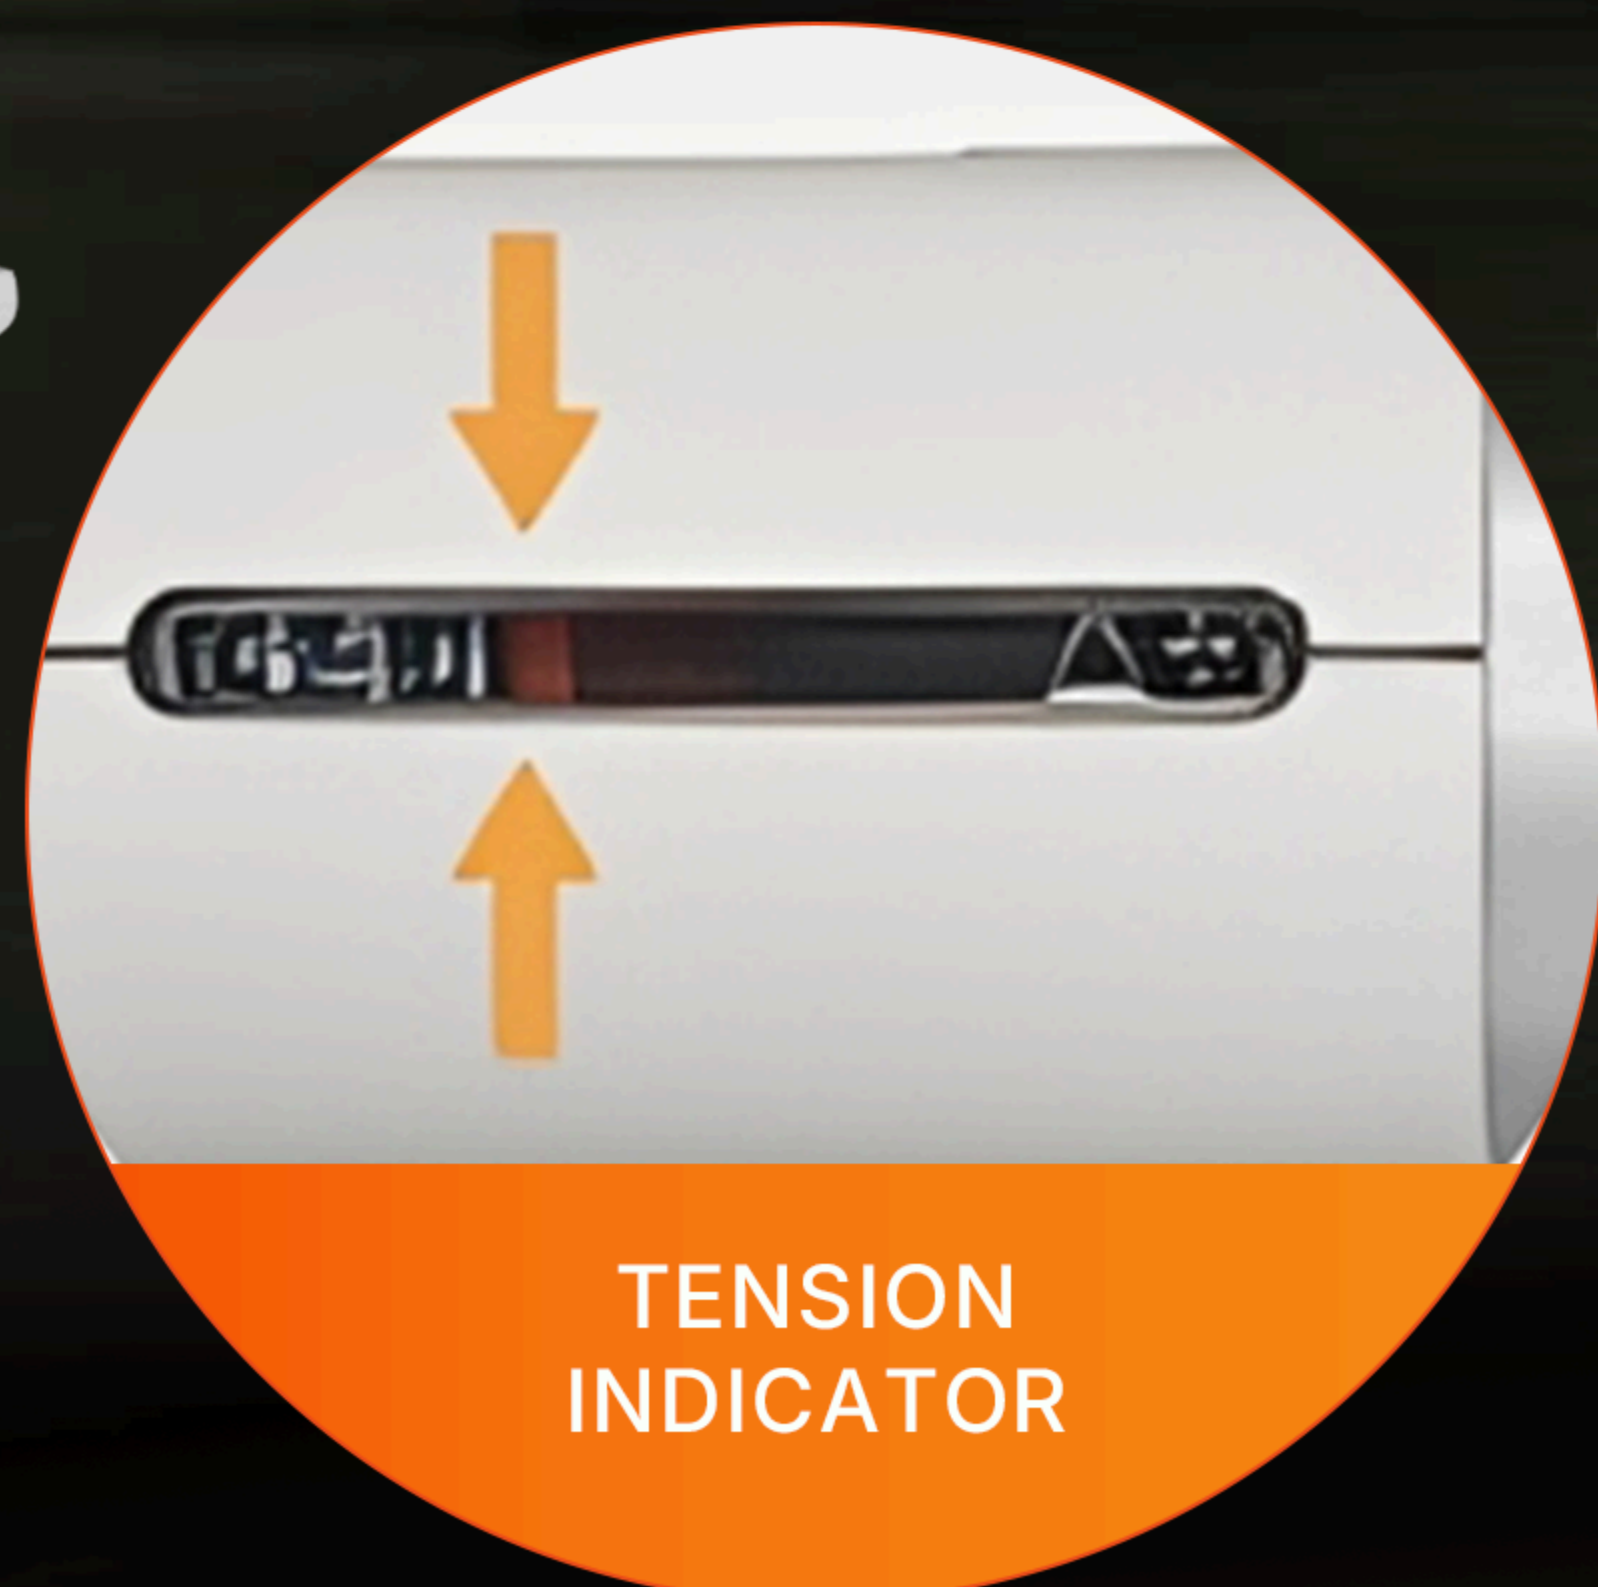

MECHANICAL SPRING MONITOR ARM

Crafted from high-quality aluminum and finished in a sleek White color, the **Brateck Single Monitor Premium Slim Aluminum Spring-Assisted Monitor Arm** sophisticated monitor arm delivers smooth and effortless screen adjustments through its advanced spring-assisted mechanism. Its ultra-slim profile enhances modern office and home environments while maximizing valuable desk space.

Built-In Spring Tension Gauge & Tension Indicator

The integrated spring tension gauge and tension indicator enable precise weight adjustment and simplified tension alignment, ensuring smooth, balanced monitor movement and consistent positioning.

Integrated 180° Rotation Stopper

Prevents the monitor arm from swinging into walls, partitions, or adjacent screens, enhancing workspace safety and protecting equipment.

Detachable VESA Plate Design

The quick-detach VESA plate enables fast and hassle-free monitor installation, making setup, upgrades, and maintenance more convenient.
