

Brateck

Easy Adjustment. Everyday Comfort.

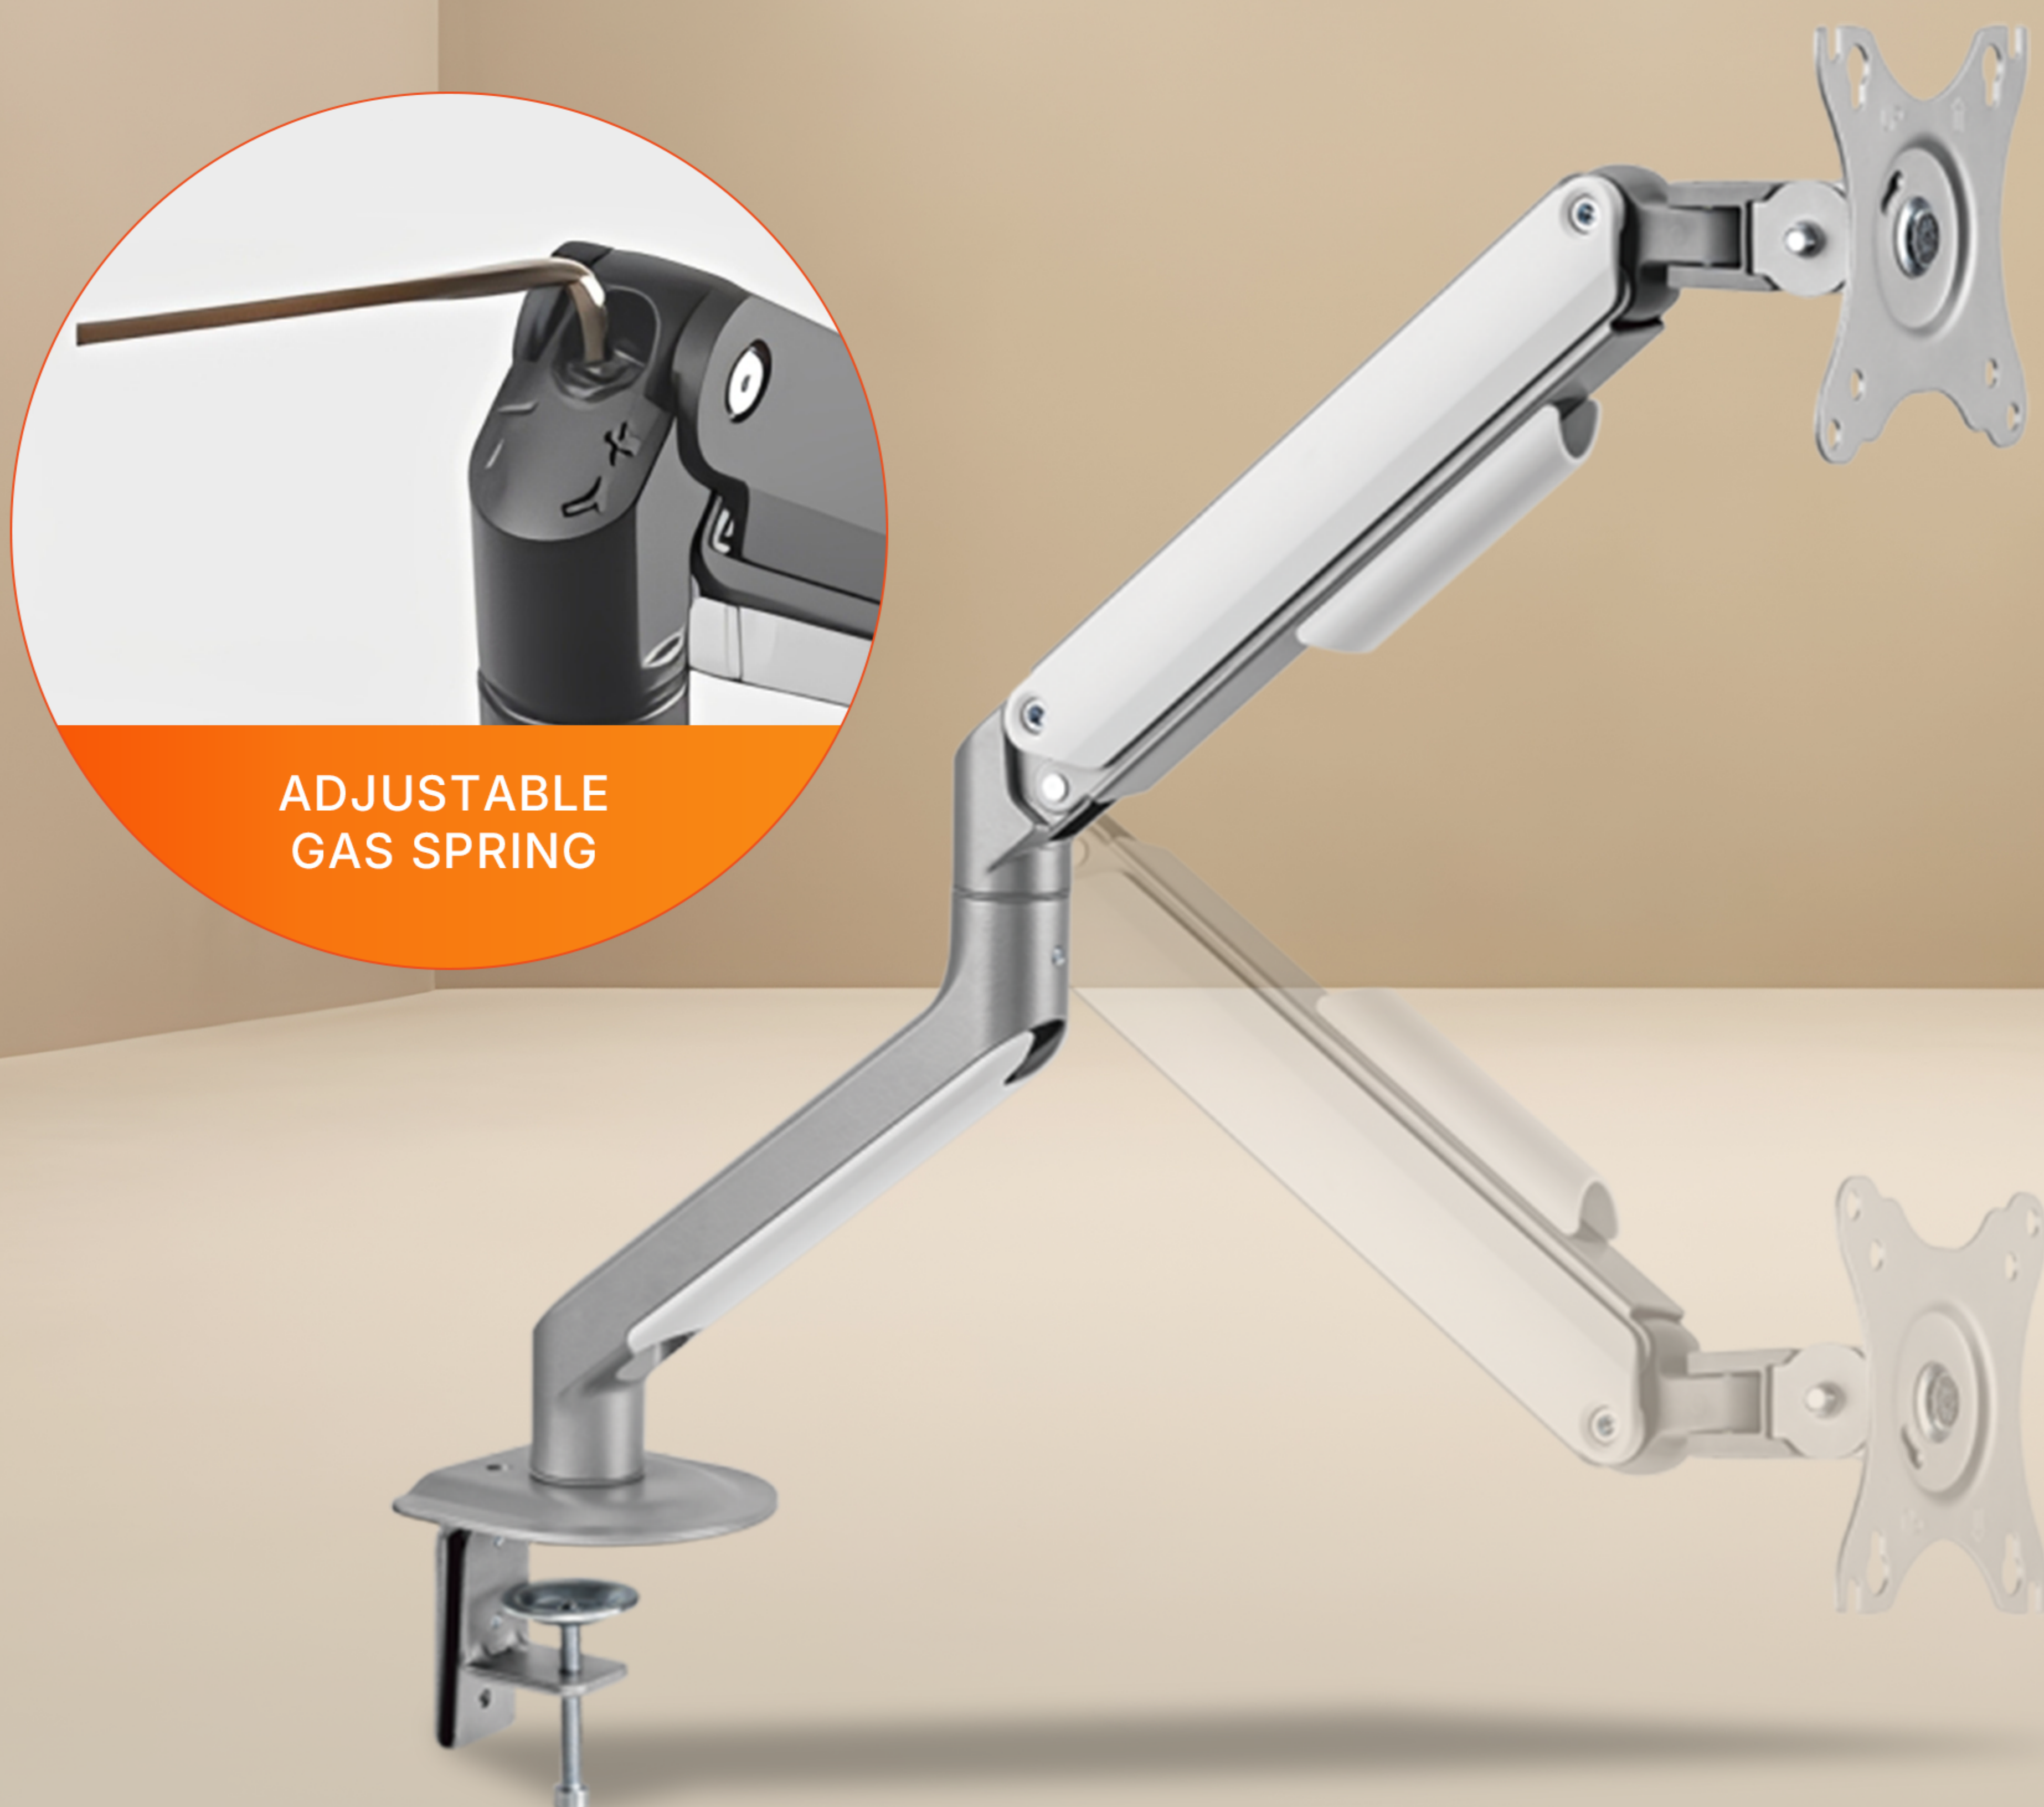

MECHANICAL SPRING MONITOR ARM

Ideal for home, office, and professional environments. The **Brateck Economical Spring-Assisted Monitor Arm** designed to support most monitors up to 9kg. Its spring-assisted mechanism provides smooth and effortless monitor adjustments for improved comfort and productivity.

Smooth Spring-Assisted Adjustment

The spring-assisted mechanism allows effortless up-and-down monitor movement, making it easy to achieve the perfect ergonomic viewing position.

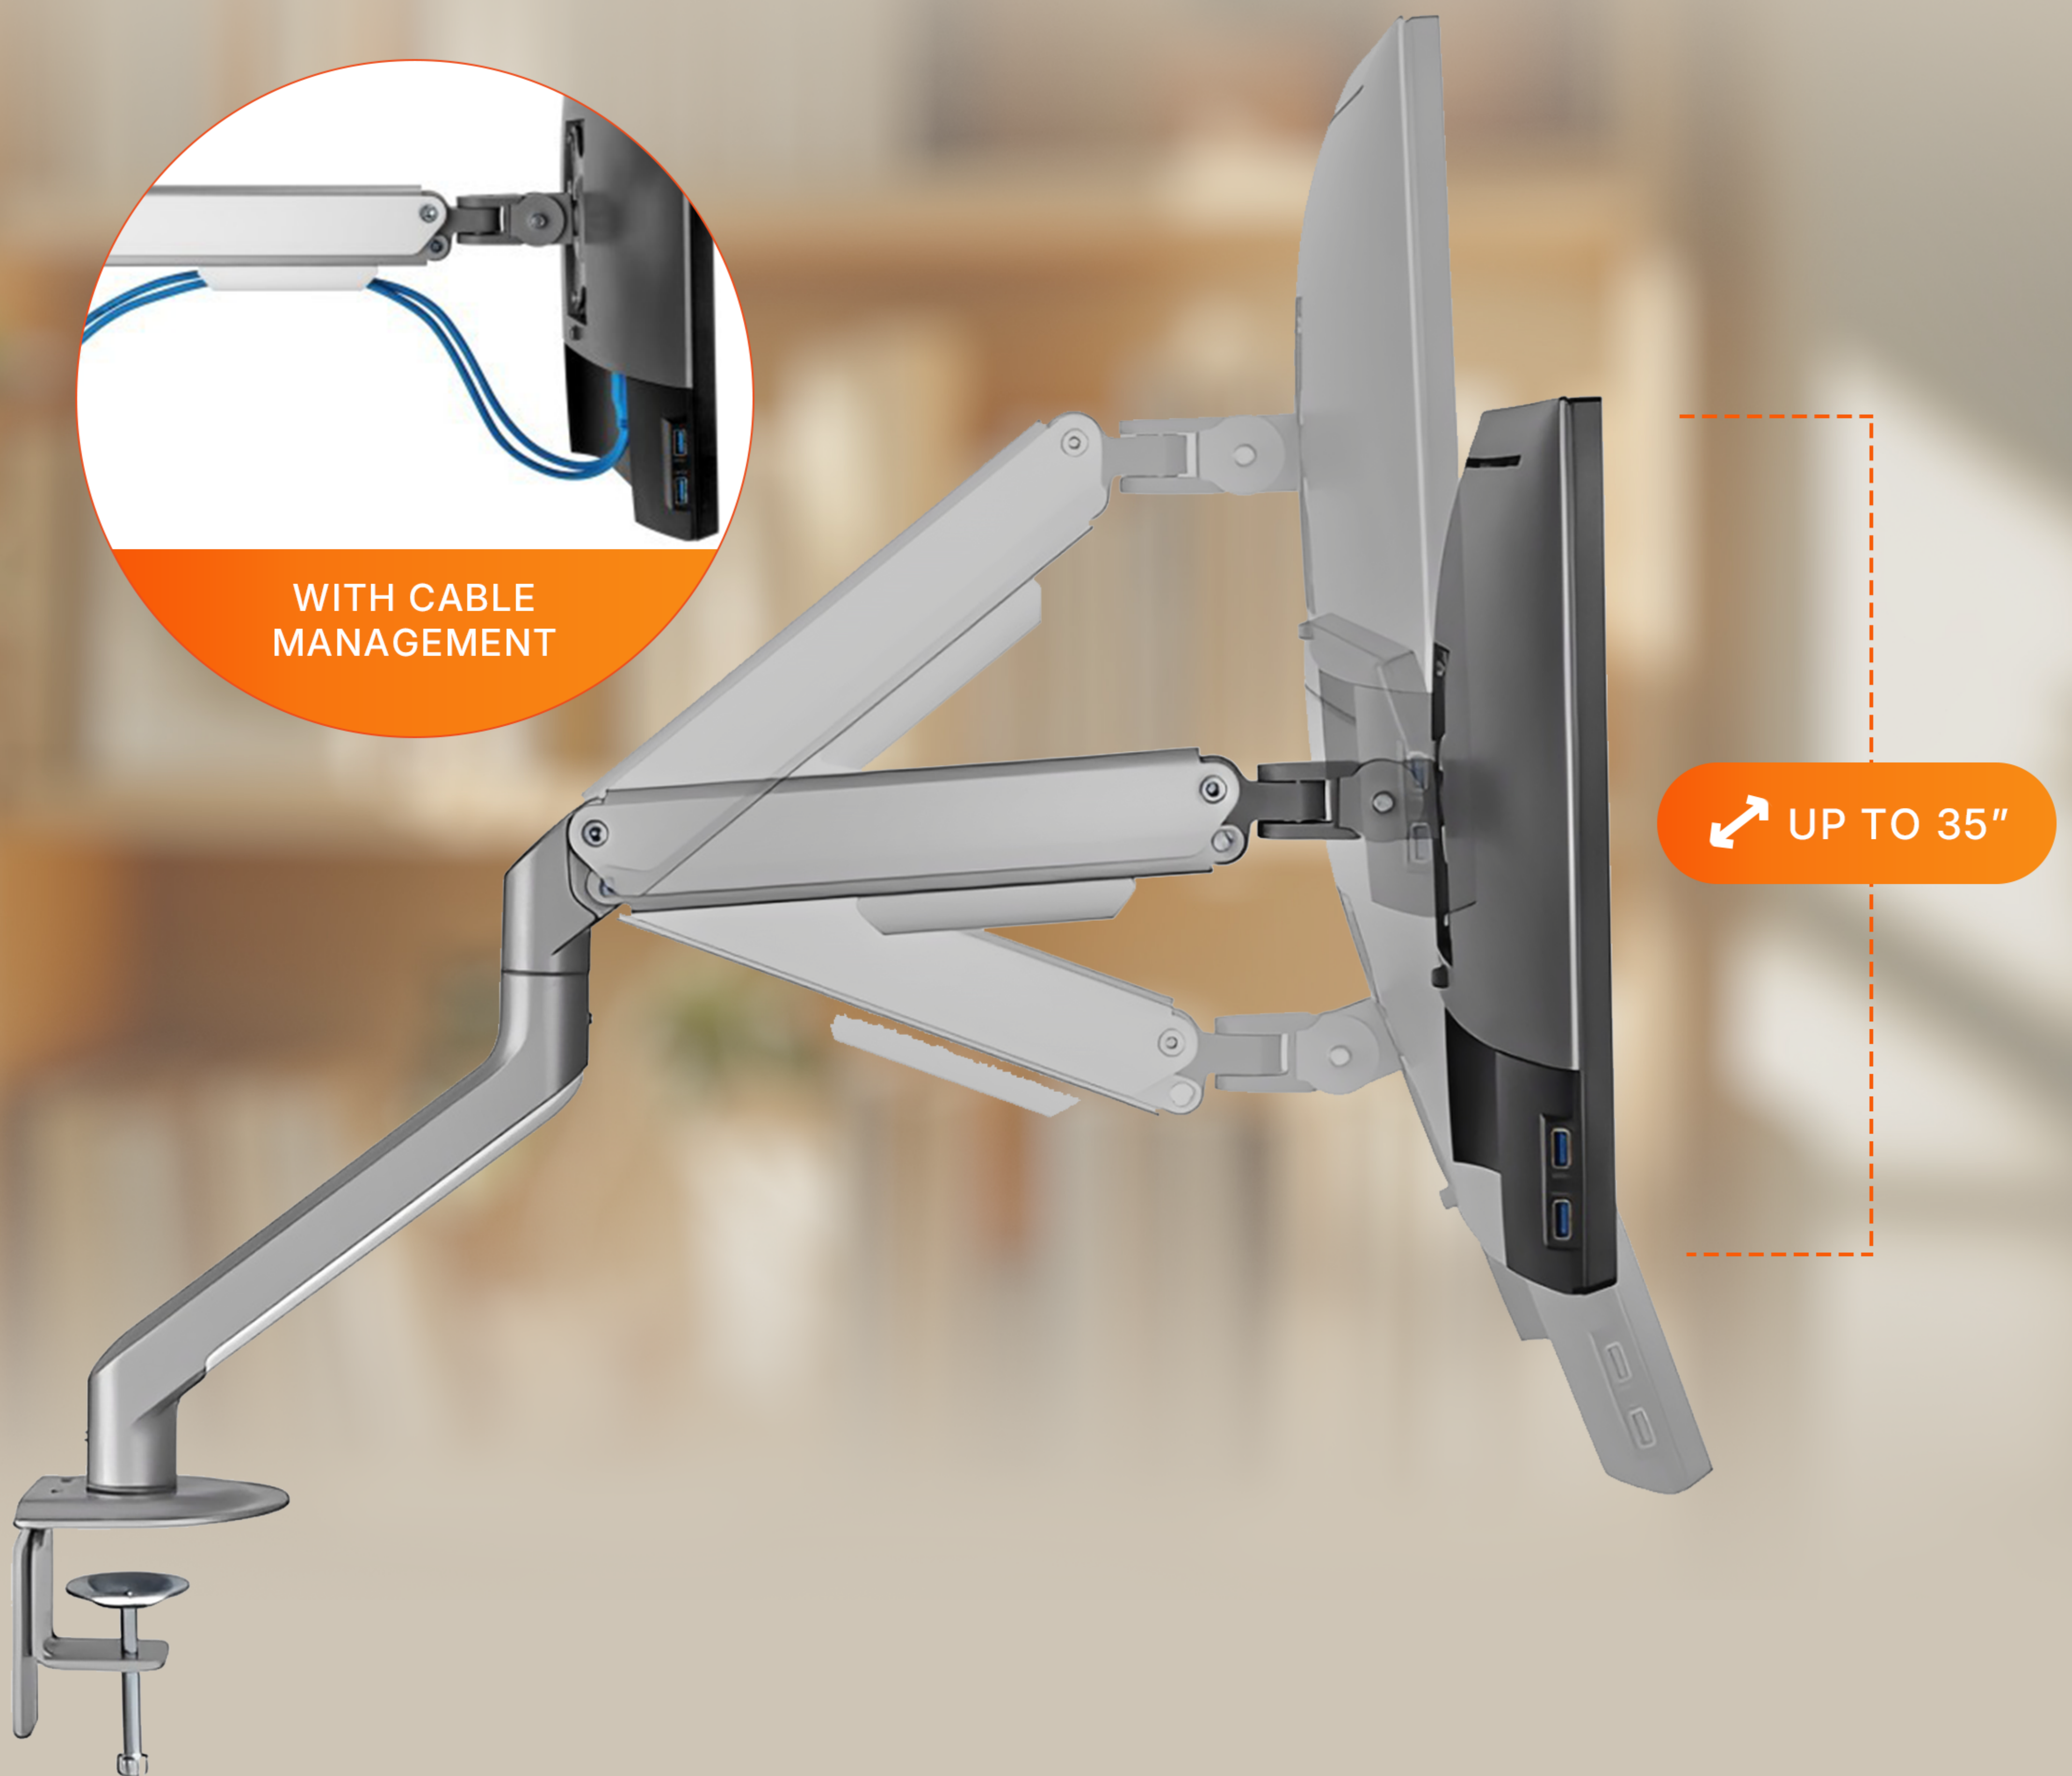

180° Rotation Stop

The integrated 180° rotation stop prevents the monitor arm from swinging into walls or adjacent screens, protecting your workspace and equipment.

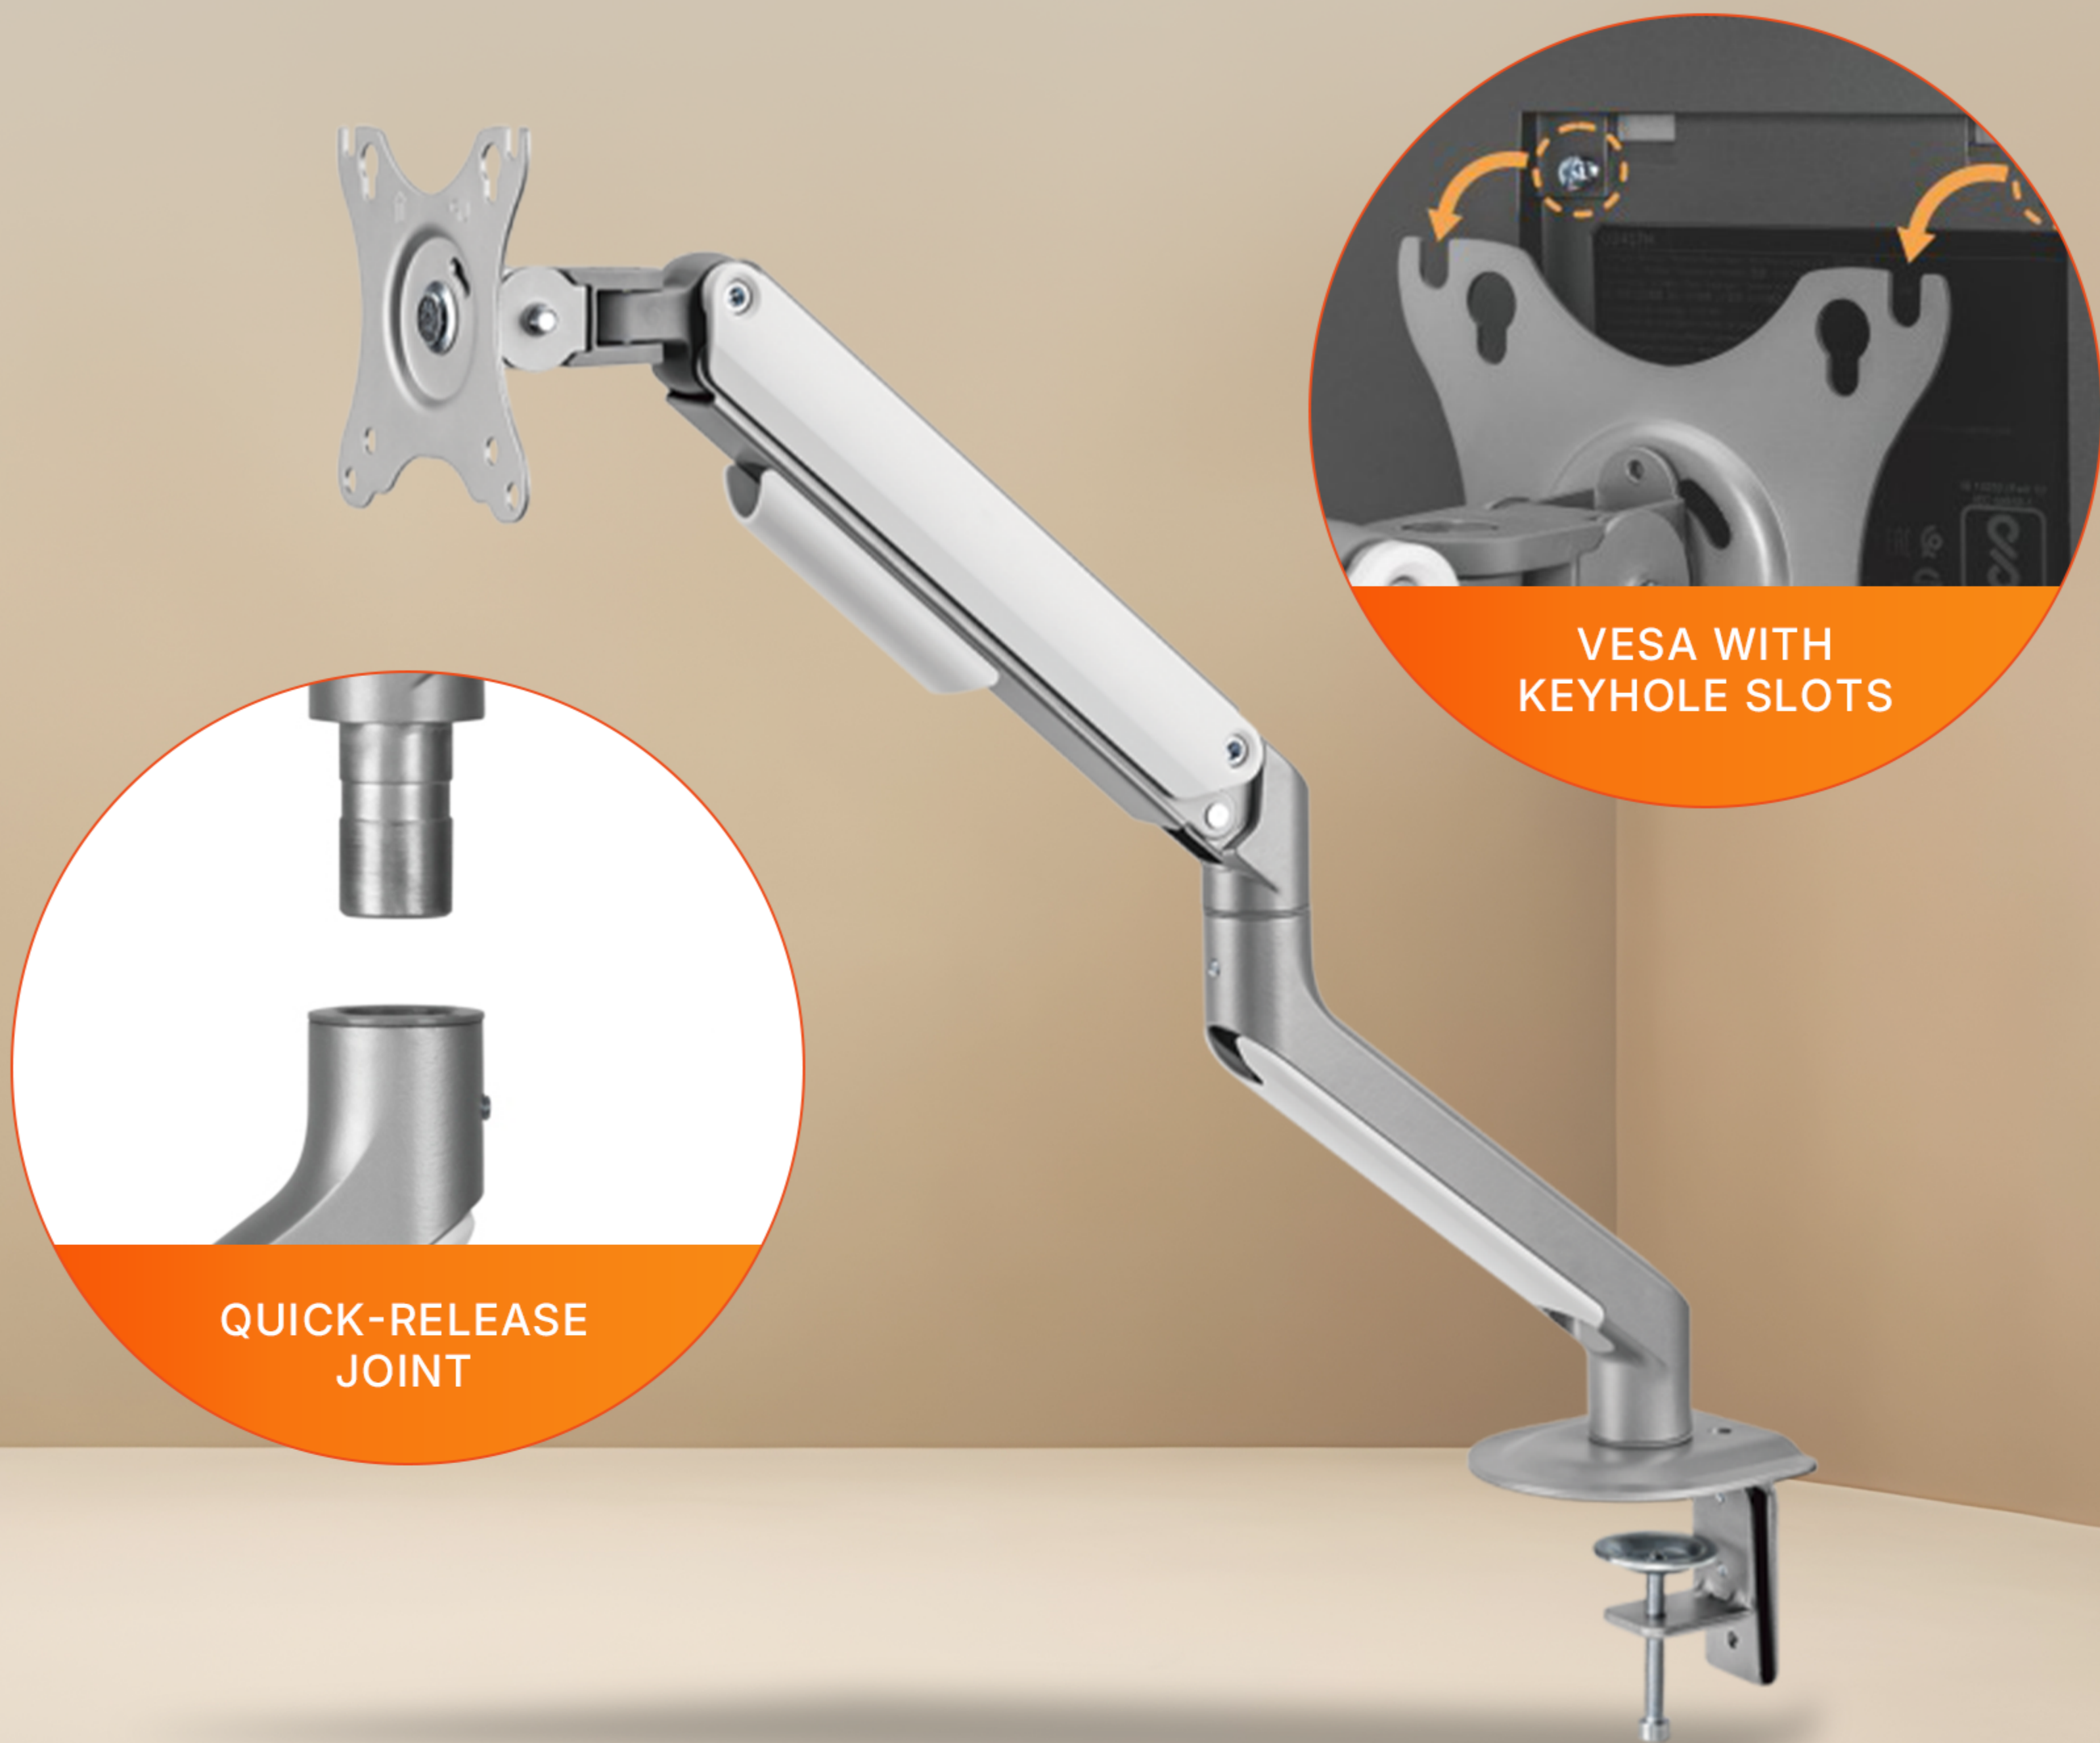

Self-Adjusting Counterbalance

Automatically balances monitors up to 9kg, providing smooth, stable, and effortless positioning for everyday use.

Easy Monitor Installation

The keyhole mounting pattern enables fast, hassle-free monitor attachment, making installation simple and convenient.
