

Mechanical Spring Monitor Arm

Easy Adjustment. Everyday Comfort.

Ideal for home, office, and professional environments. The Brateck Economical Spring-Assisted Monitor Arm designed to support most monitors up to 9kg.

Enhanced Multitasking Efficiency

Supports a three-screen setup, allowing users to manage multiple applications simultaneously for improved productivity and workflow.

Maximum Viewing Flexibility

Enables each monitor to tilt, swivel, and rotate independently for customized positioning and optimal viewing comfort.

Ergonomic Viewing Position

Allows users to easily adjust monitor height to help reduce neck and eye strain during extended work sessions.

Mechanical Spring Monitor Arm

Easy Adjustment. Everyday Comfort.

Its spring-assisted mechanism provides smooth and effortless monitor adjustments for improved comfort and productivity.

Features

Versatile Screen Configuration

Supports both portrait and landscape modes to accommodate different tasks, from coding and content creation to data analysis.

Quick & Easy Installation

Simplifies monitor mounting and replacement, making setup faster and more convenient.

Clean & Organized Workspace

Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

Flexible Installation Methods

Includes both desk clamp and grommet mounting options for secure attachment to a wide range of desk configurations.
