Gas Spring Dual Monitor Arm

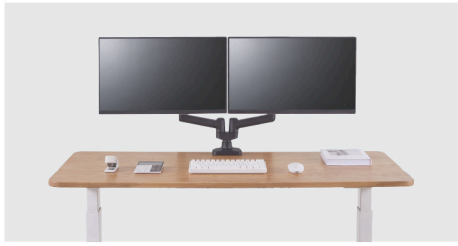

Built for Heavy Screens. Designed for Flexibility.

The Brateck LDT69-C024P2-BL Fabulous Pole-Mounted Gas Spring Dual Monitor Arm combines heavy-duty strength, ergonomic flexibility and smart workspace organisation for demanding multi-screen environments.

Enhanced Multitasking Efficiency

Supports a two-screen setup, allowing users to manage multiple applications simultaneously for improved productivity and workflow.

Maximum Viewing Flexibility

Enables each monitor to tilt, swivel, and rotate independently for customized positioning and optimal viewing comfort.

Ergonomic Viewing Position

Allows users to easily adjust monitor height to help reduce neck and eye strain during extended work sessions.

Gas Spring Dual Monitor Arm

Built for Heavy Screens. Designed for Flexibility.

Featuring a sturdy vertical pole, optimised tilting structure and gas spring-assisted arms.

Features

Versatile Screen Configuration
Supports both portrait and landscape modes to accommodate different tasks, from coding and content creation to data analysis.

Quick & Easy Installation
Simplifies monitor mounting and replacement, making setup faster and more convenient.

Clean & Organized Workspace
Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

Easy Installation
The quick-release VESA plate with keyhole slot makes monitor mounting faster and simpler.
