

Articulating Monitor Stand

Premium Flexibility. Perfectly Positioned.

The Brateck Premium Aluminum Articulating Monitor Stand is designed for most 17"-32" monitors, it combines a sleek aluminium finish with smooth, flexible positioning for a cleaner, more comfortable setup.

Enhanced Multitasking Efficiency

Supports a three-screen setup, allowing users to manage multiple applications simultaneously for improved productivity and workflow.

Maximum Viewing Flexibility

Enables each monitor to tilt, swivel, and rotate independently for customized positioning and optimal viewing comfort.

Ergonomic Viewing Position

Allows users to easily adjust monitor height to help reduce neck and eye strain during extended work sessions.

Articulating Monitor Stand

Premium Flexibility. Perfectly Positioned.

Supporting monitors up to 8kg with VESA 75x75 and 100x100 compatibility, it's an ideal choice for modern home, office and professional workspaces.

Features

Versatile Screen Configuration

Supports both portrait and landscape modes to accommodate different tasks, from coding and content creation to data analysis.

Quick & Easy Installation

Simplifies monitor mounting and replacement, making setup faster and more convenient.

Clean & Organized Workspace

Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

Easy Installation

The quick-release VESA plate with keyhole slot makes monitor mounting faster and simpler.
