Brateck

Everything You Need For A Simple Setup.

GAS SPRING MONITOR ARM

Featuring a robust gas spring mechanism, optimised tilting structure and arm extension, the **Brateck LDT80-C012 Super Heavy-Duty Gas Spring Monitor Arm** detachable VESA plates, included mounting adapters and convenient top-side installation simplify setup.

Extended Reach & Ergonomic Flexibility

Offers a 526mm arm extension with flexible tilt, swivel and screen rotation adjustments, enabling users to customise monitor positioning for better ergonomic comfort and productivity.

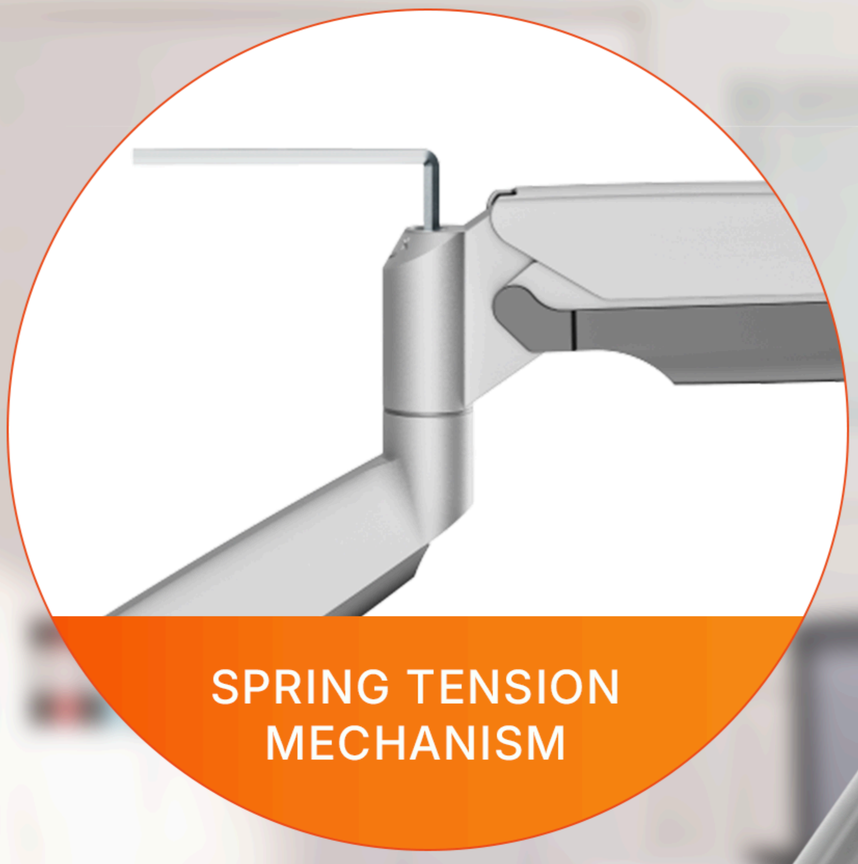

Super Heavy-Duty Monitor Support

Supports most 24"–57" flat and curved monitors
with a weight capacity of up to 27kg per flat
screen or 22kg per curved screen.

Smooth Gas Spring Adjustment

Enables smooth, effortless adjustments to accommodate different monitor weights, allowing users to easily reposition large displays for optimal viewing comfort.

SPRING TENSION MECHANISM

Easy Installation

Simplifies setup with convenient top-side installation and detachable VESA plates for effortless monitor mounting and removal, while included VESA adapters ensure compatibility with different mounting patterns.
