Brateck

Pure Strength. Smooth Movement.

GAS SPRING MONITOR ARM

The **Brateck LDT80-C012P Super Heavy-Duty Pole-Mounted Gas Spring Monitor Arm** offers greater positioning flexibility for a comfortable, ergonomic workspace. Its smooth gas spring mechanism, optimised tilting structure and detachable VESA plates ensure effortless adjustments and convenient installation.

Heavy-Duty Support

Supports most 24"–57" flat and curved monitors
with a weight capacity of up to 27kg.

Extended Pole-Mounted Flexibility

Features a 385mm vertical mounting pole and
580mm maximum arm extension, offering greater
reach and flexible positioning.

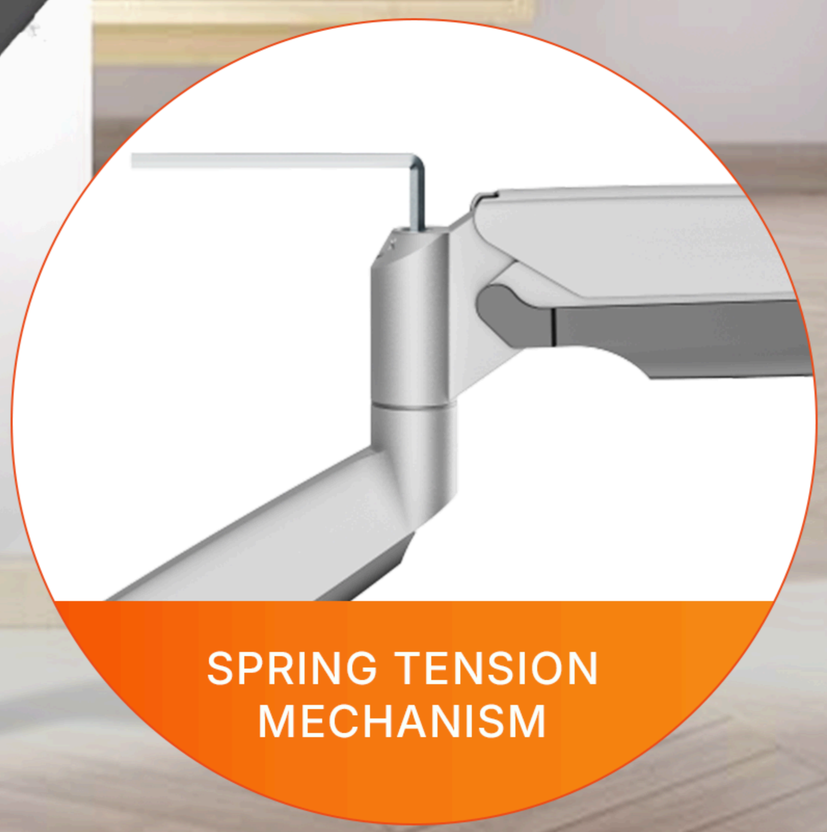

Smooth Gas Spring Adjustment

Enables smooth, effortless adjustments to accommodate different monitor weights, allowing users to easily reposition large displays for optimal viewing comfort.

OPTIMIZED STRUCTURE

SPRING TENSION MECHANISM

Easy Installation

Simplifies setup with convenient top-side installation and detachable VESA plates for effortless monitor mounting and removal, while included VESA adapters ensure compatibility with different mounting patterns.
