Gas Spring Dual Monitor Arm

Bigger Screens. One Streamlined Solution.

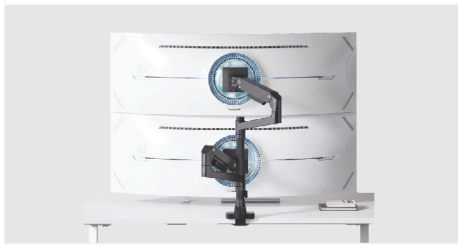

Built for demanding multi-screen workstations, the Brateck LDT81-C024P-B Heavy-Duty Pole Mounted Gas Spring Dual Monitor Arm is ideal for large, curved and ultrawide dual-screen setups used in offices and different workstations.

-

Heavy-Duty Support

Easily supports and repositions compatible large flat or curved monitors with confidence.

Freely Adjustable Height

Fine-tune screen height for a more ergonomic and comfortable workstation.

Pole-Mounted Support

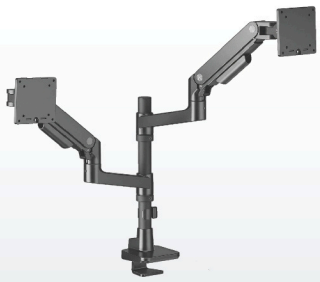

The pole-mounted design supports smooth, stable repositioning and greater height flexibility.

Gas Spring Dual Monitor Arm

Bigger Screens. One Streamlined Solution.

The pole-mounted structure provides greater vertical positioning flexibility, while independent monitor adjustment helps users create a more ergonomic and productive viewing setup.

Features

Built-In Cable Management
Keeps display and power cables neatly routed for a cleaner, more organised workspace.

Clean & Organized Workspace
Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

360° Rotary VESA Plate
Rotate displays freely between portrait, landscape or customised orientations.

Flexible Installation Methods
Includes both desk clamp and grommet mounting options for secure attachment to a wide range of desk configurations.
