Brateck

Heavy-Duty Strength Without the Pole.

GAS SPRING MONITOR ARM

The **Brateck LDT81N-C012UC Fusion Heavy-Duty Gas Spring Monitor Arm** is ideal for larger flat, curved and ultrawide displays used in professional offices, creative workstations, gaming setups and high-productivity environments. The gas-spring mechanism allows effortless repositioning throughout the day, while the integrated USB ports keep charging and data access close at hand.

Pole-Free Support for Larger Displays

Supports most 17"–49" standard, large and ultrawide flat or curved monitors up to 44 lbs, delivering smooth, stable repositioning and flexible height adjustment in a cleaner, more streamlined pole-free design.

Smart Connectivity & Easy Installation

The integrated USB-A and USB-C ports provide convenient data transfer or device charging with snap-off access plates for a cleaner setup, while top-side installation allows the mount to be installed entirely from above the desk for easier access.

Smooth Gas-Spring Movement

Provides responsive, effortless screen repositioning throughout the working day.

360° Rotation & Quick-Release VESA

Rotate the display between portrait, landscape or customised orientations, while the detachable VESA plate makes installation and removal faster and more convenient.
