MECHANICAL SPRING MONITOR ARM

Designed for most monitors, the **Brateck LDT82-C012UCE Single Screen Heavy-Duty Mechanical Spring Monitor Arm with USB Ports** integrated USB connectivity keeps essential ports within easy reach, while the matte silver finish gives the setup a clean, premium look suited to professional offices, creative workstations, gaming desks and productivity-focused environments.

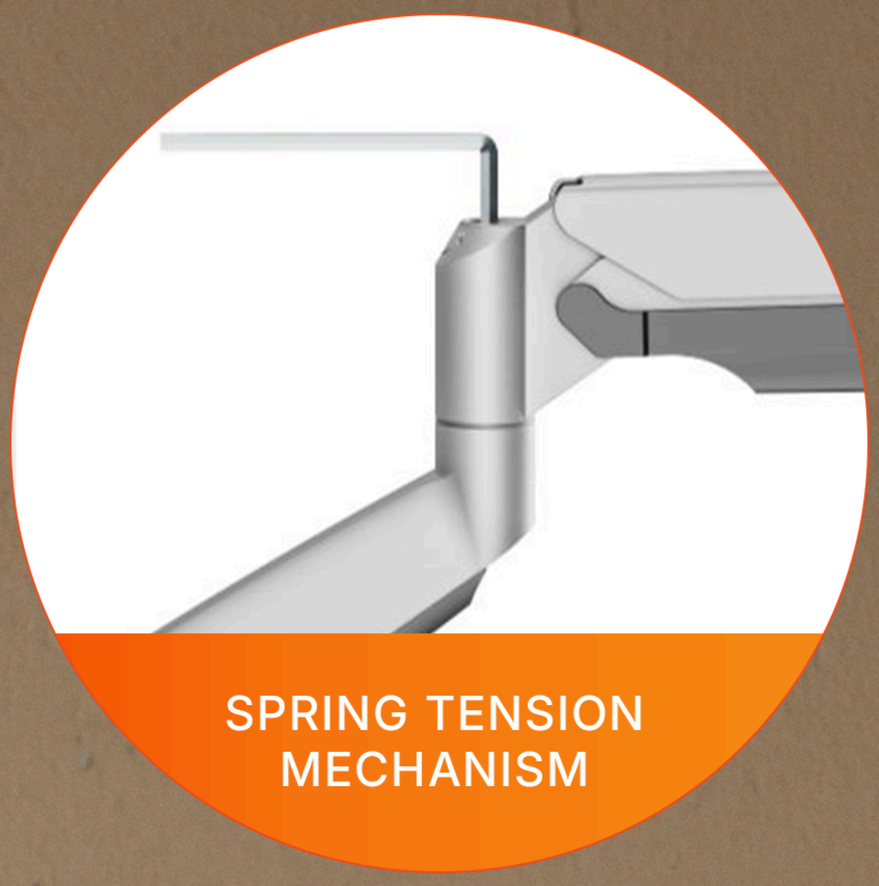

Smart Base with USB-A & USB-C Ports

Integrated connectivity supports convenient data transfer or device charging, with snap-off plates for cleaner cable access.

Built-In Spring Tension Mechanism

Allows precise weight balancing for smoother,
more controlled monitor movement.

180° Rotation Stop

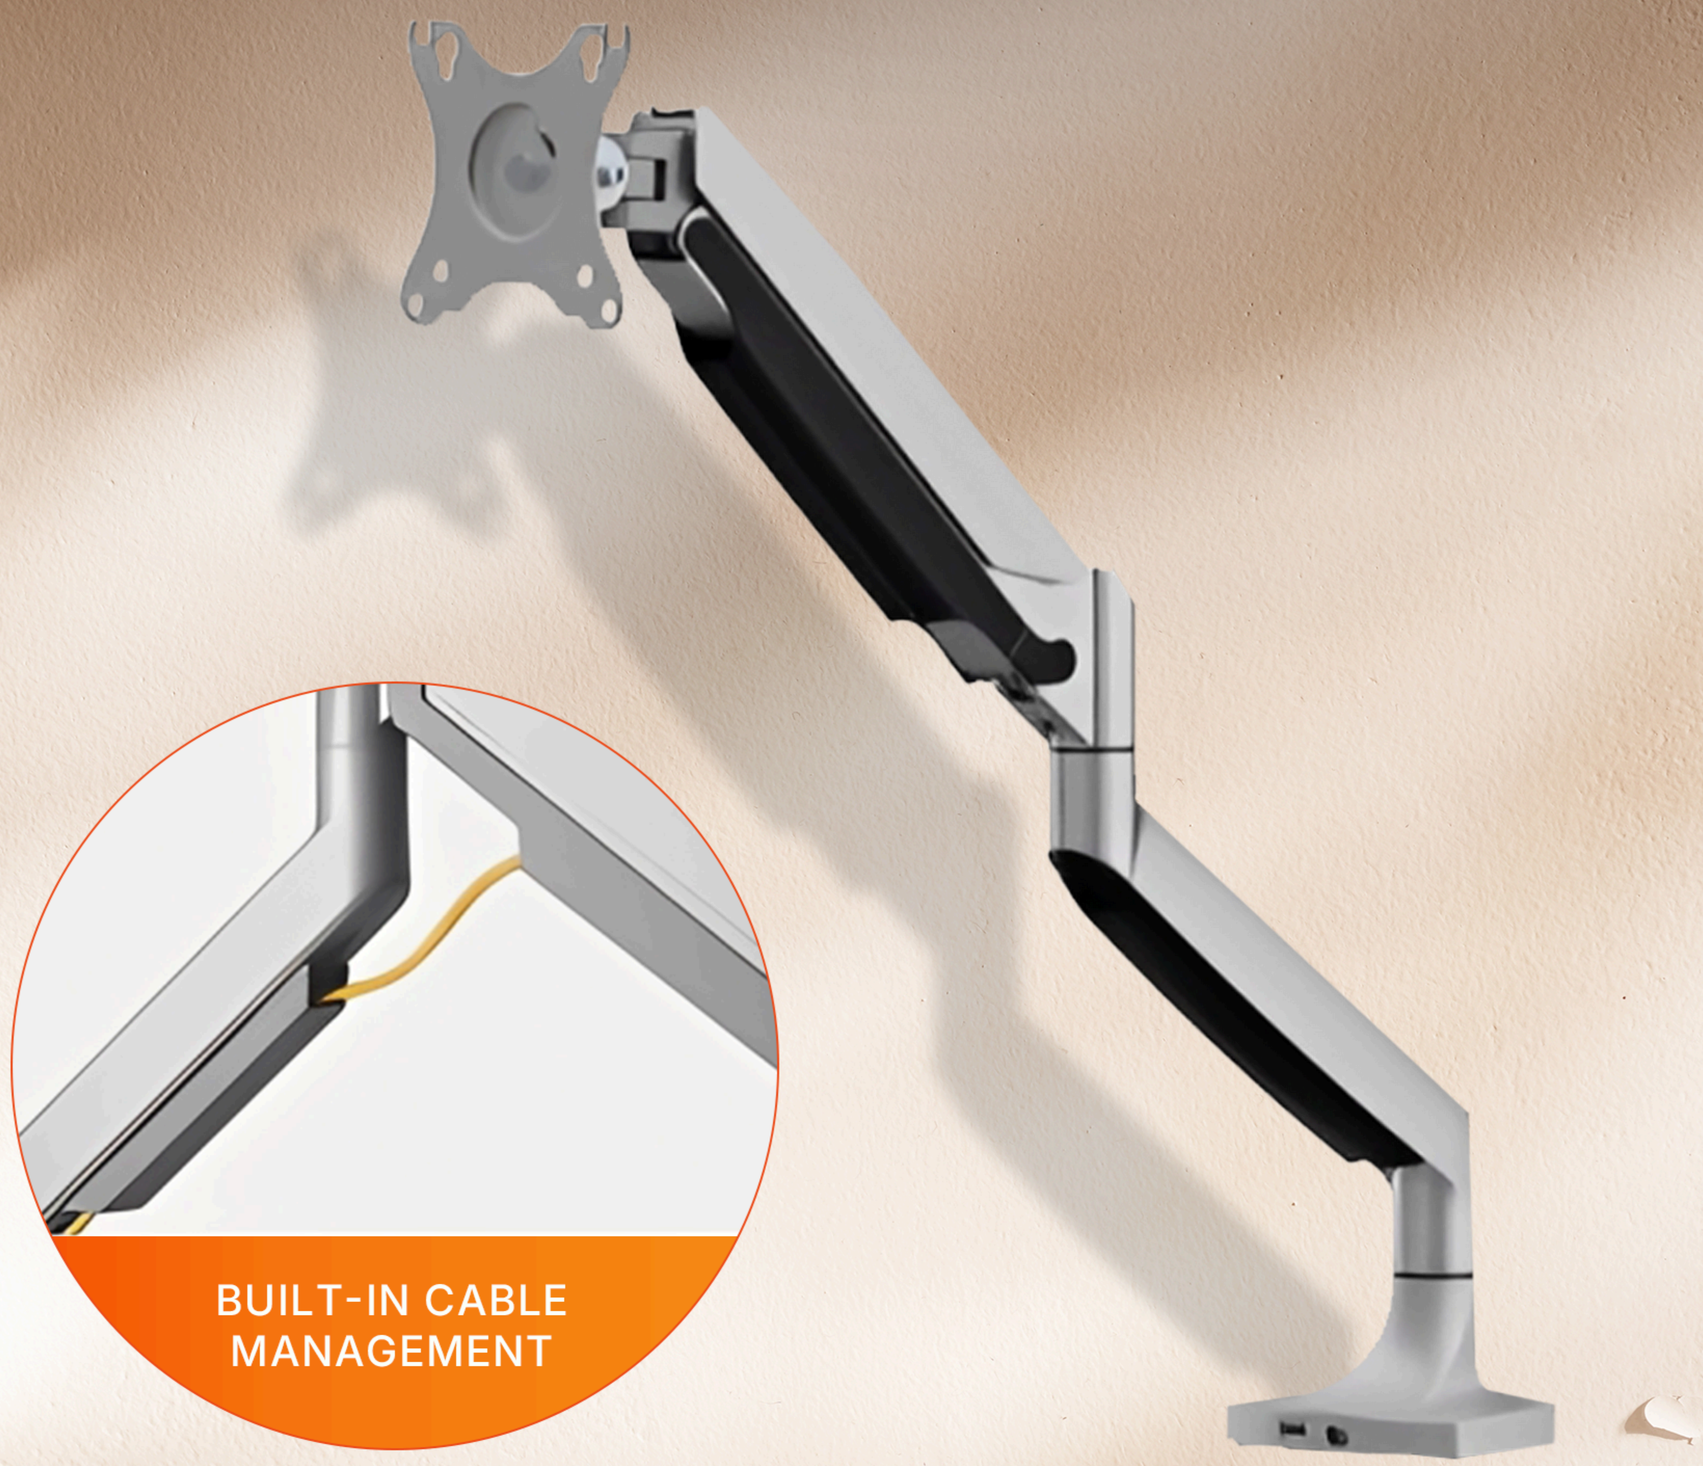

Helps prevent the arm from swinging into nearby walls, screens or workspace elements.

Built-In Cable Management

Keeps power and display cables neatly routed for a cleaner, more organised workstation.
