Brateck

Strong, Simple and Built to Adjust.

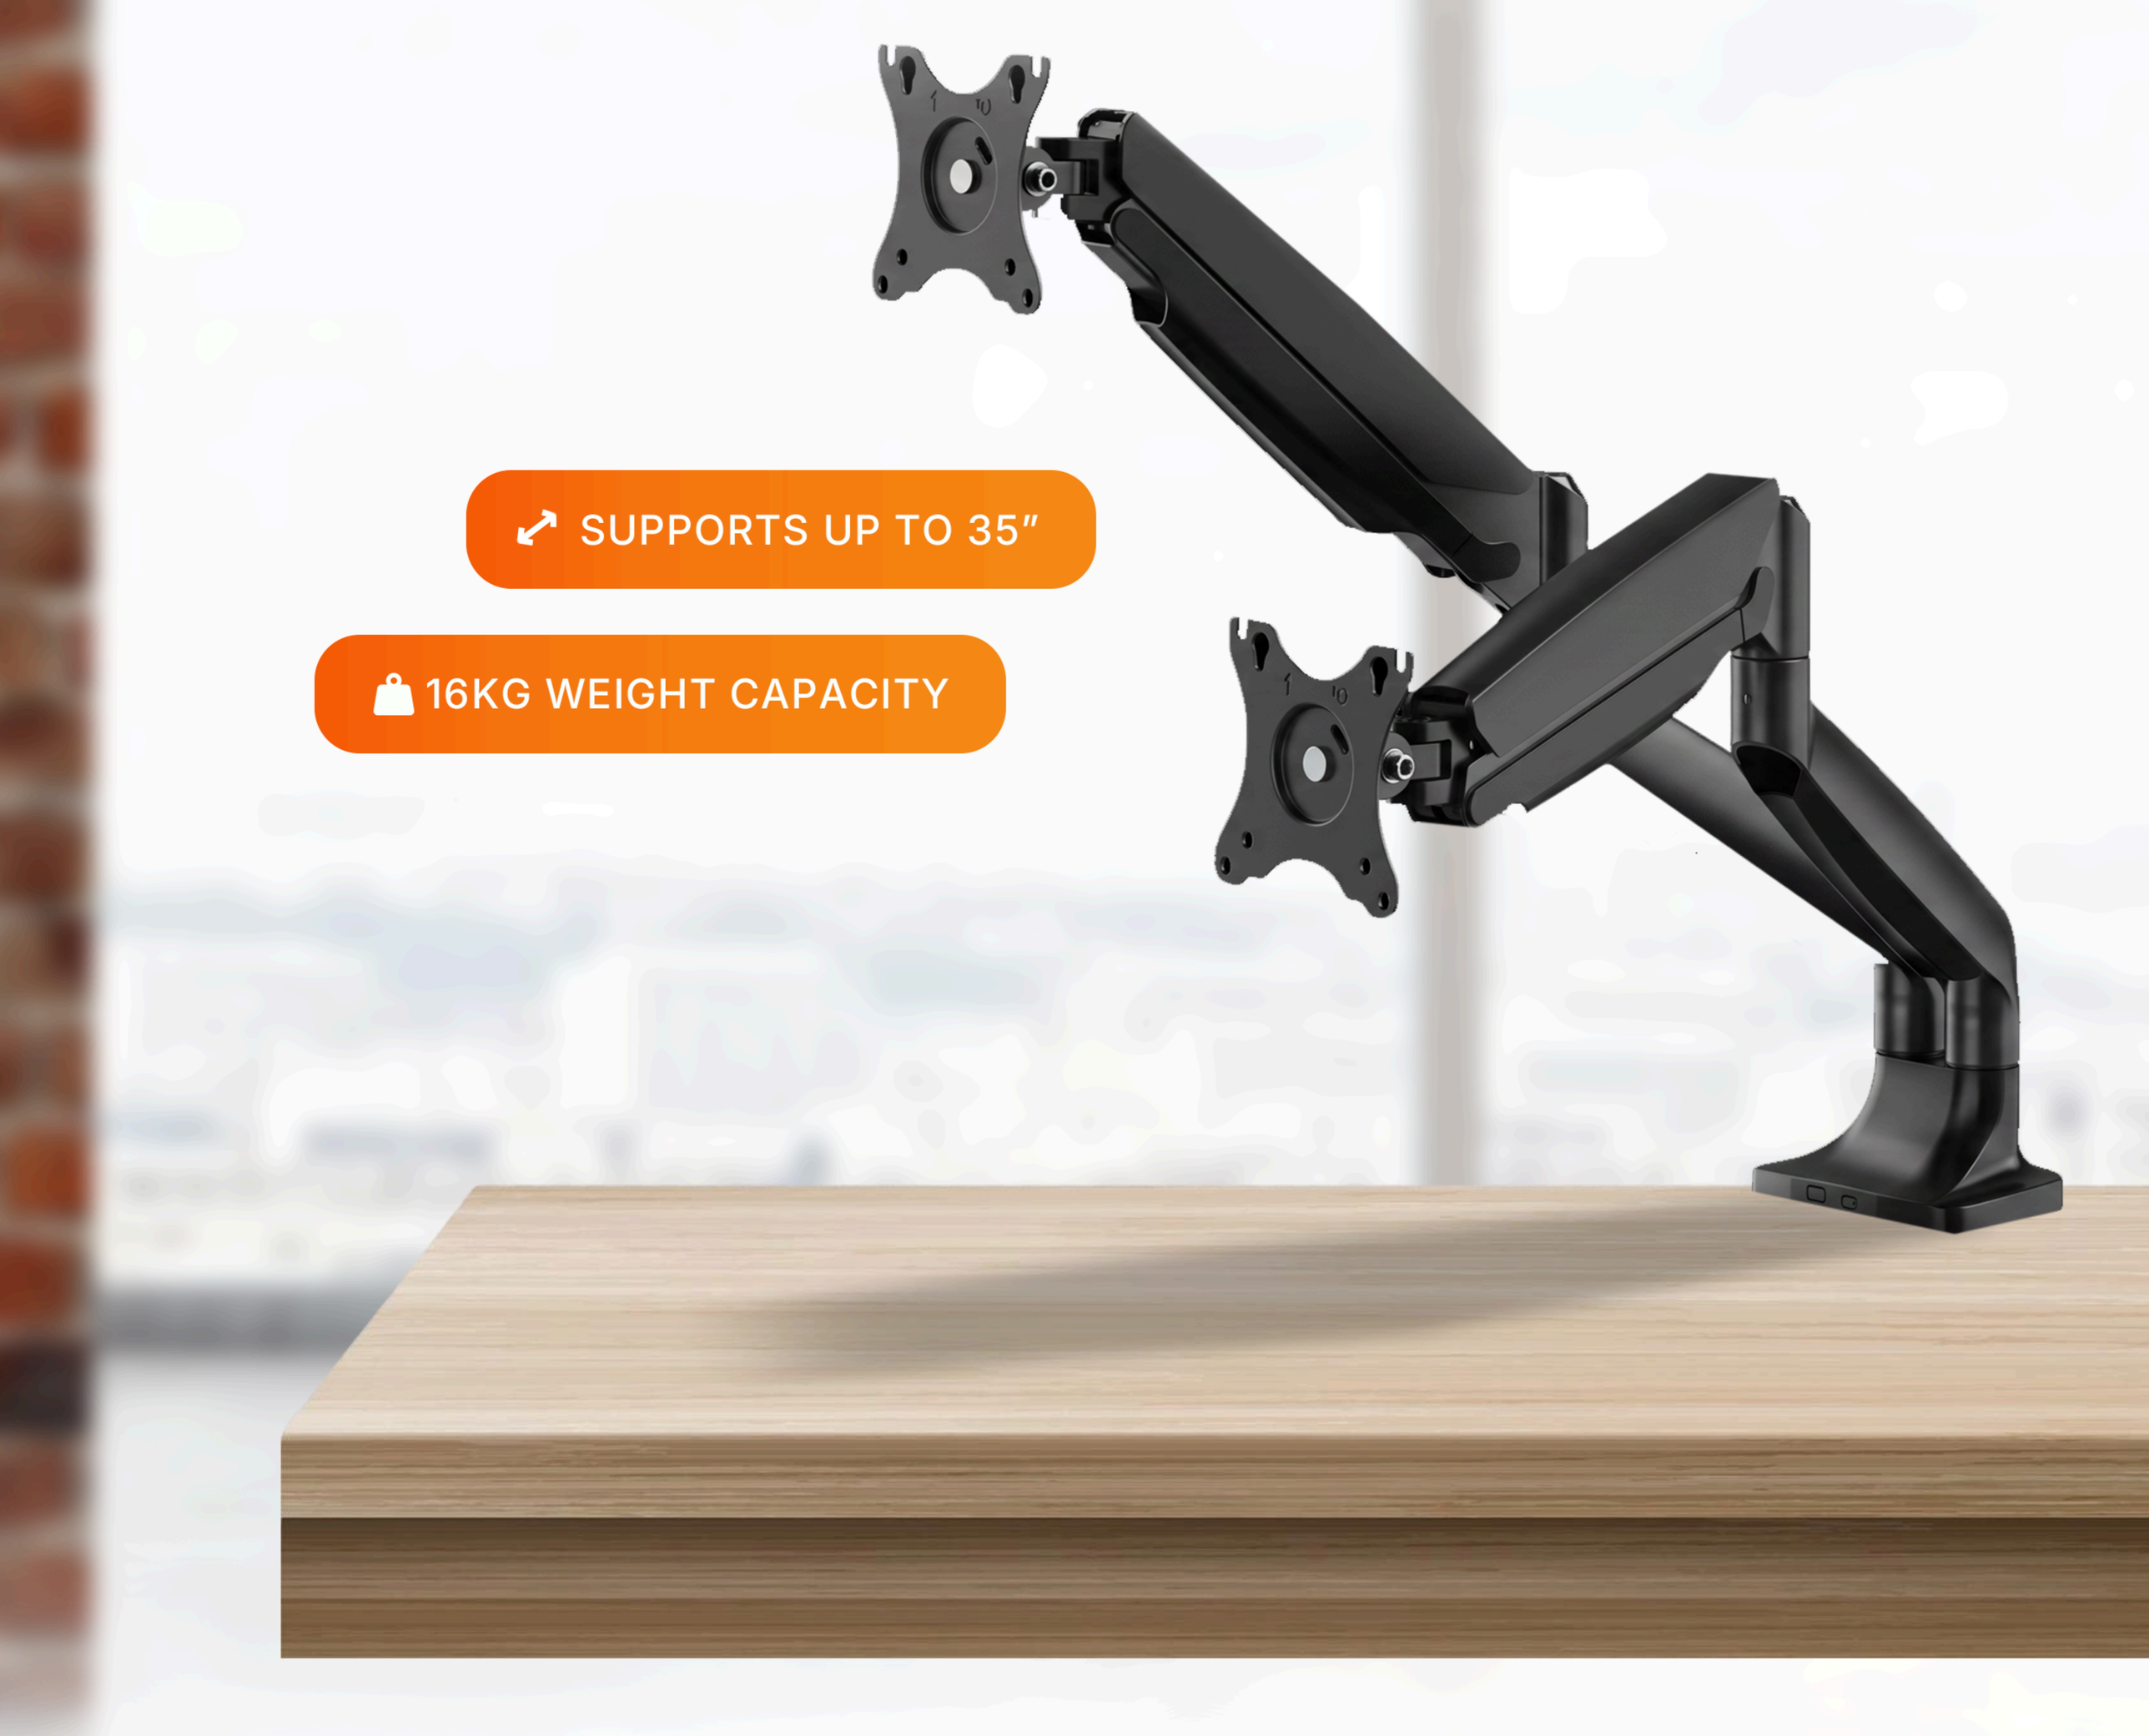

GAS SPRING MONITORY ARM

Focus on the essentials with the **Brateck LDT82-C024-BK Dual Screen Heavy-Duty Gas Spring Monitor Arm.** This matte-black version delivers the same style of heavy-duty dual-screen positioning in a simpler, connectivity-free configuration. It keeps the setup streamlined and focused on its core purpose: strong monitor support, smooth gas-spring movement, ergonomic adjustment and a cleaner dual-screen workspace.

Strong Dual-Screen Support

Designed to hold two compatible flat or curved displays.

Handles two 17"–35" monitors with up to 16kg per screen.

180° Rotation Stop

Prevents the arms from swinging too far and helps protect nearby screens, walls or workspace elements.

Built-In Spring Tension Mechanism

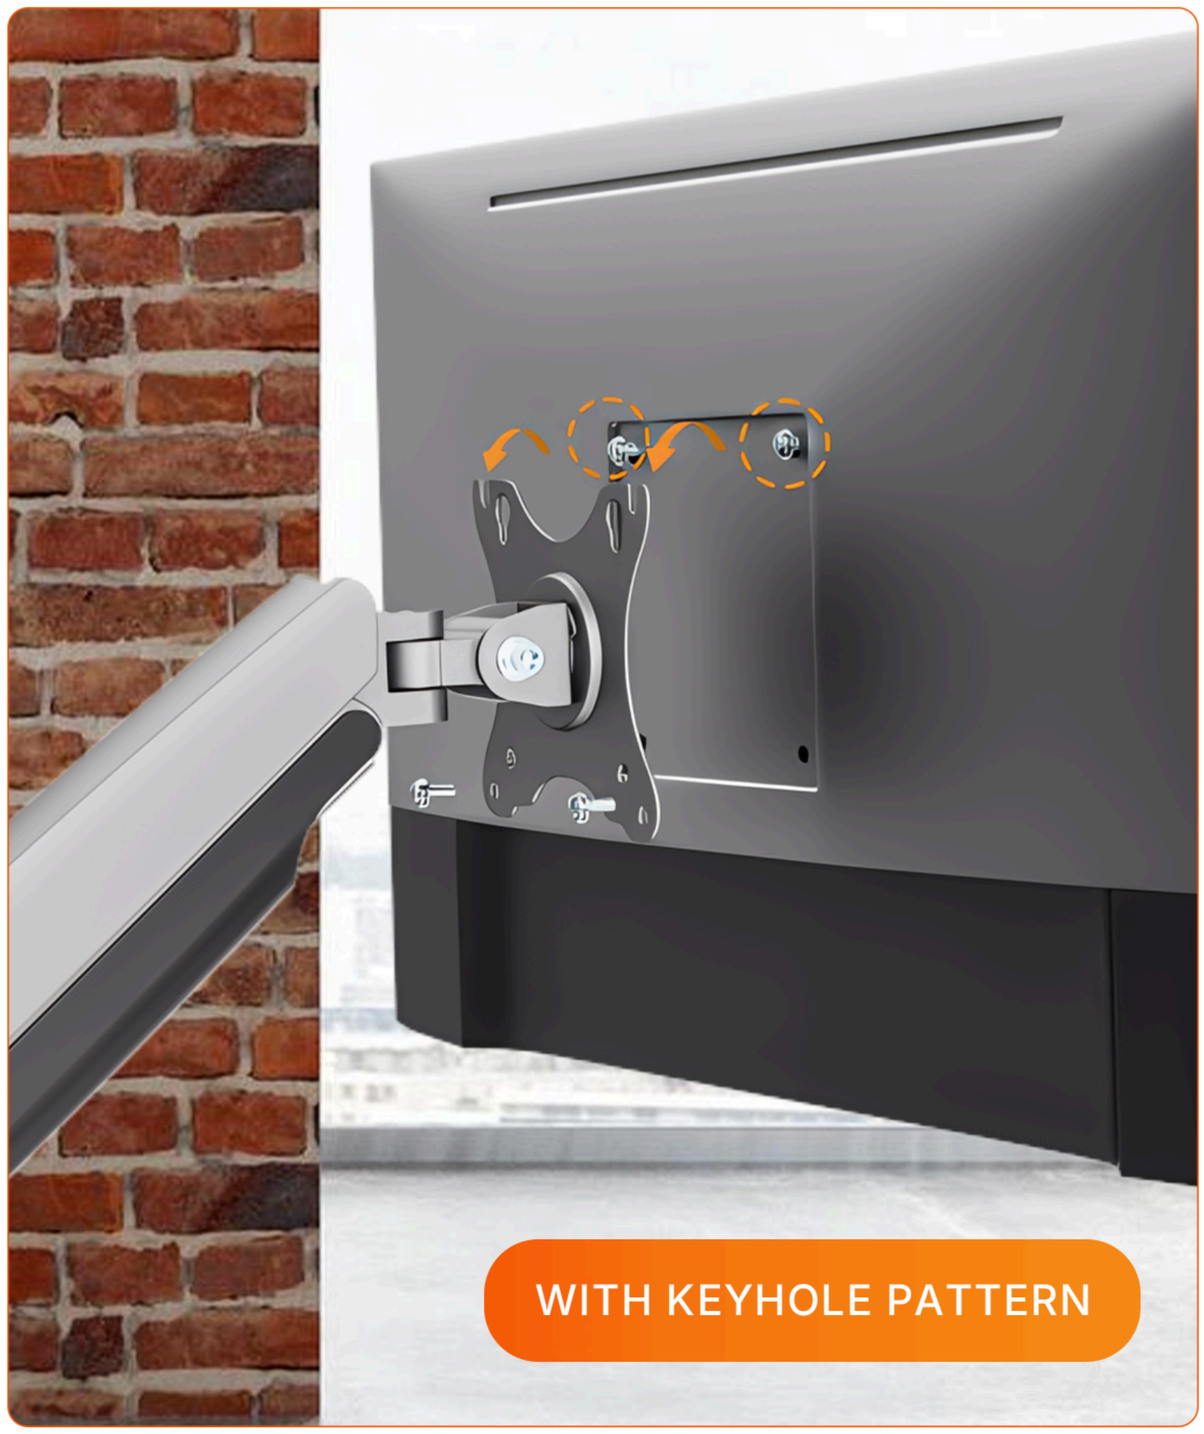

Helps balance different monitor weights for smoother,
more controlled adjustment.

Quick & Easy Installation

The keyhole pattern and quick-release joint simplify monitor mounting, assembly and removal for a faster, more convenient setup.
