Gas Spring Monitory Arm

Strong, Simple and Built to Adjust.

This matte-black version delivers the same style of heavy-duty dual-screen positioning in a simpler, connectivity-free configuration.

Enhanced Multitasking Efficiency

Supports a two-screen setup, allowing users to manage multiple applications simultaneously for improved productivity and workflow.

Maximum Viewing Flexibility

Enables each monitor to tilt, swivel, and rotate independently for customized positioning and optimal viewing comfort.

Ergonomic Viewing Position

Allows users to easily adjust monitor height to help reduce neck and eye strain during extended work sessions.

Gas Spring Monitory Arm

Strong, Simple and Built to Adjust.

It keeps the setup streamlined and focused on its core purpose: strong monitor support, smooth gas-spring movement, ergonomic adjustment and a cleaner dual-screen workspace.

Features

Versatile Screen Configuration
Supports both portrait and landscape modes to accommodate different tasks, from coding and content creation to data analysis.

Quick & Easy Installation
Simplifies monitor mounting and replacement, making setup faster and more convenient.

Clean & Organized Workspace
Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

Flexible Installation Methods
Includes both desk clamp and grommet mounting options for secure attachment to a wide range of desk configurations.
