Gas Spring Monitory Arm

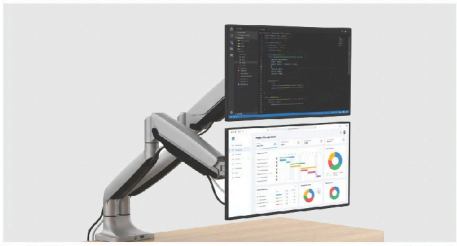

Dual-Screen Strength. Smarter Connectivity.

The Brateck LDT82-C024UC Dual Screen Heavy-Duty Gas Spring Monitor Arm with USB Ports combines strong gas-spring support with smooth independent screen adjustment for more comfortable viewing and efficient multitasking.

Spring Tension Mechanism
Helps balance different monitor weights for smoother, more controlled adjustment.

180° Rotation Stop
Prevents the arms from swinging too far and helps protect nearby screens, walls or workspace elements.

USB-A & USB-C Ports
Integrated connectivity provides convenient data transfer or device charging, with snap-off access plates for a cleaner setup.
