Brateck

Dual-Monitor Power with Mechanical Precision.

MECHANICAL SPRING MONITOR ARM

Built for demanding multi-monitor setups, the **Brateck LDT84-C024P-B Dual Screen Pole-Mounted Heavy-Duty Mechanical Spring Monitor Arm** combines heavy-duty mechanical spring support with a sturdy pole-mounted structure to keep two displays securely positioned while freeing valuable desk space. Independent articulation lets each screen be adjusted for a more comfortable viewing position

Mechanical Spring Support

Provides dependable strength with smooth positioning
for demanding dual-monitor setups.

360° Rotation with Flexible Tilt & Swivel

Easily switch between portrait, landscape or
customised orientations while fine-tuning each display
for better viewing comfort and reduced glare.

Quick & Easy Installation

The quick-release joint simplifies monitor attachment and removal, while top-side installation lets you complete the setup conveniently from above the desk.

Dual-Screen Pole-Mounted Design

Supports two displays from a central pole while helping free valuable desk space.
