

Spring Triple Monitor Arm

A Better View Across Three Screens.

Designed for three monitors and supporting up to 11kg per flat screen, Brateck Modular Mechanical Spring Triple Monitor Arm with Sliders provides strong, adjustable support for productivity-focused desk setups.

Enhanced Multitasking Efficiency

Supports a three-screen setup, allowing users to manage multiple applications simultaneously for improved productivity and workflow.

Maximum Viewing Flexibility

Enables each monitor to tilt, swivel, and rotate independently for customized positioning and optimal viewing comfort.

Ergonomic Viewing Position

Allows users to easily adjust monitor height to help reduce neck and eye strain during extended work sessions.

Spring Triple Monitor Arm

A Better View Across Three Screens.

The modular slider system helps users fine-tune monitor positioning and alignment, while the mechanical spring arms make screen adjustment smoother and easier throughout the day.

Features

Versatile Screen Configuration

Supports both portrait and landscape modes to accommodate different tasks, from coding and content creation to data analysis.

Quick & Easy Installation

Simplifies monitor mounting and replacement, making setup faster and more convenient.

Clean & Organized Workspace

Keeps cables neatly routed and out of sight, reducing clutter and maintaining a professional desk setup.

Flexible Installation Methods

Includes both desk clamp and grommet mounting options for secure attachment to a wide range of desk configurations.
