Brateck

Heavy-Duty Performance Without the Bulk.

GAS SPRING MONITOR ARM

The **Brateck LDT87-C012-B Titan Heavy-Duty Gas Spring Monitor Arm** combines serious weight capacity with smooth gas-spring adjustment for easier repositioning of large, ultrawide and high-performance screens. The heavy-duty structure helps free up valuable desk space while allowing more ergonomic screen placement.

Heavy-Duty Support for Large Displays

Built from durable steel to support 24"–57" large and ultrawide monitors with a weight capacity of up to 27kg, delivering strong, stable and dependable performance.

Optimized Tilting Structure

Provides excellent weight-bearing performance with smoother, more controlled adjustment for large screens.

180° Rotation Stop

Helps prevent the arm from swinging into nearby walls, screens or other workspace elements.

Easy Top-Side Installation

The detachable VESA plate and included adapters simplify mounting and expand compatibility, while top-side installation allows the entire setup to be completed easily from above the desk.
