Articulating Control for Modern Setups.

ARTICULATING GAMING MONITOR ARM

The **LDT89-C012 Articulating Gaming Monitor Arm** delivers flexible screen positioning in a clean matte-black design. The articulating arm helps users adjust the display for more comfortable viewing while freeing valuable desk space, making it a strong fit for gaming, streaming, content creation and everyday multitasking.

Articulating Arm Design

Allows flexible repositioning of each display to create a more personalised screen setup.

Freely Adjustable Height

Fine-tune each screen to a more ergonomic viewing position for better comfort during long sessions.

Detachable VESA Plate Design

Makes monitor installation and removal
faster, easier and more convenient.

Large Monitor Support

Designed for 17"-40" monitors, giving gamers and multitaskers more screen space while keeping the desk organised.
