

Brateck

Built to Move. Designed to Glow.

ARTICULATING GAMING MONITOR ARM

The **LDT89-C012L Articulating RGB Lighting Gaming Monitor Arm** combines smooth articulating movement with integrated RGB lighting to create a more immersive, gaming-focused workspace. The adjustable arm helps free up desk space and position the screen for more comfortable gaming, streaming or everyday use.

Articulating Arm Design

Allows flexible repositioning of each display to create a more personalised dual-screen setup.

Immersive RGB Accents

Integrated lighting adds atmosphere and a distinctive gaming aesthetic to your monitor setup.

Detachable VESA Plate Design

Makes monitor installation and removal
faster, easier and more convenient.

Large Monitor Support

Designed for 17"-40" monitors, giving gamers and multitaskers more screen space while keeping the desk organised.
