# Articulating Gaming Monitor Arm

## Articulating Control for Modern Setups.

The LDT89-C012 Articulating Gaming Monitor Arm delivers flexible screen positioning in a clean matte-black design. The articulating arm helps users adjust the display for more comfortable viewing.

**Free-Tilting Design**
Makes forward and backward screen adjustment easy for a more comfortable viewing angle and reduced glare.

**Portrait & Landscape Orientation**
Rotate monitor to suit gaming, streaming, coding, productivity or vertical-content workflows.

**Detachable VESA Plate Design**
Makes monitor installation and removal faster, easier and more convenient.
