

Brateck

Dual Displays. Dynamic RGB.

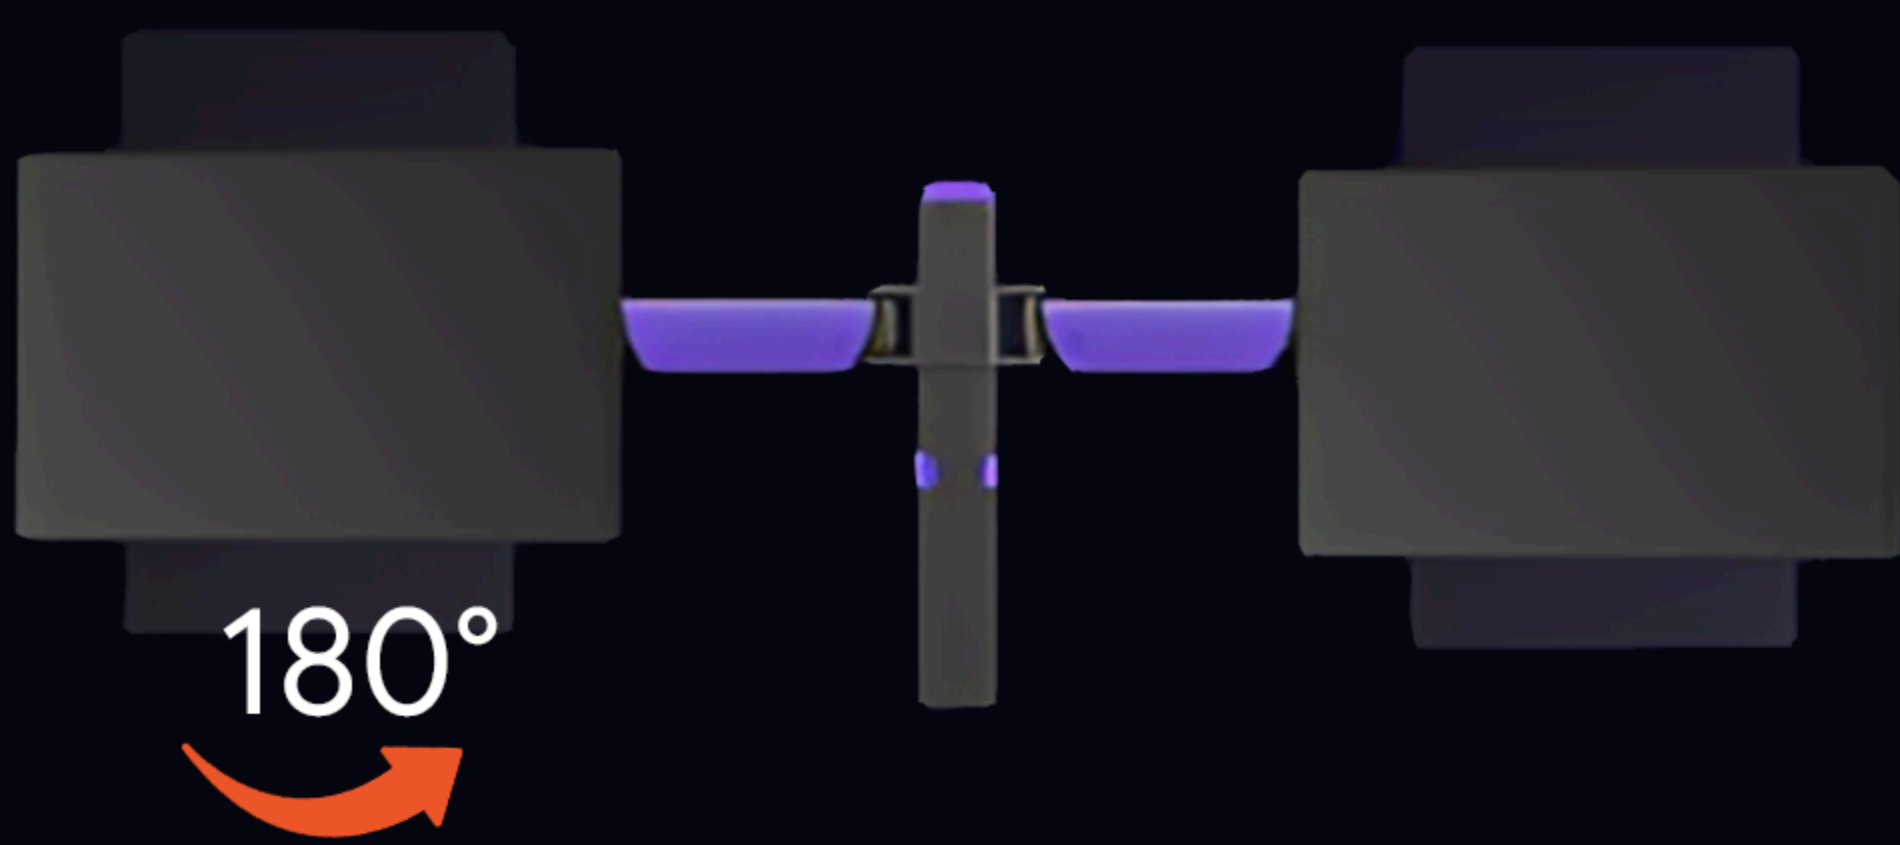

ARTICULATING GAMING MONITOR ARM

The **Brateck LDT89-C024 Amethyst Articulating Gaming Dual Monitor Arm** combines flexible screen positioning with integrated RGB multi-colour lighting to create a more atmospheric battlestation. The lighting adds visual impact behind and around the displays, while the articulating arm design keeps both monitors adjustable, elevated and neatly organised.

Articulating Arm Design

Allows flexible repositioning of each display to create a more personalised dual-screen setup.

Immersive RGB Accents

Integrated lighting adds atmosphere and a distinctive gaming aesthetic to your dual-monitor setup.

Detachable VESA Plate Design

Makes monitor installation and removal
faster, easier and more convenient.

Dual-Monitor Support

Designed for two 17"-32" monitors, giving gamers and multitaskers more screen space while keeping the desk organised.
