

Brateck

Designed for Immersive Dual-Screen Control.

GAMING POLE-MOUNTED DUAL MONITOR ARM

The **Brateck Atlas Neo Gaming Pole-Mounted Dual Monitor Arm**. pole-mounted design allows precise screen positioning for immersive gaming, streaming, content creation and multitasking, while integrated USB ports keep essential connectivity within easy reach. Finished in matte black and white, Atlas Neo brings a clean, performance-driven look to modern battlestations and professional setups.

Complete Ergonomic Viewing Control

Enjoy effortless tilt adjustment with reduced friction, freely fine-tune screen height for better ergonomics, and rotate displays 360° for landscape, portrait or customised viewing.

Heavy-Duty Support for Large Displays

Supports most 24"–57" curved or flat monitors with up to 27kg per arm, delivering strong, reliable support while allowing smooth repositioning.

↗ SUPPORTS UP TO 57"

🏷 27KG WEIGHT CAPACITY

Quick Installation & 360° Rotation

The detachable VESA plate makes monitor installation and removal faster, while the 360° rotary design lets you easily switch between portrait, landscape or customised viewing positions.

Smart Connectivity & Easy Installation

The integrated USB-A and USB-C ports provide convenient data transfer or device charging with snap-off access plates for a cleaner setup, while top-side installation allows the mount to be installed entirely from above the desk for easier access.
