

**Brateck**

# Built Strong for Bigger Screens.

TV WALL MOUNT

The **Brateck X-Large Heavy-Duty TV Wall Mount** is built to securely support large curved and flat panel Plasma/LCD TVs while delivering a clean, space-saving installation. Designed with a durable heavy-duty structure, it provides stable wall mounting for home entertainment systems, conference rooms, commercial displays, and digital signage setups.

# Heavy-Duty Steel Construction

Built with reinforced steel materials to provide strong and reliable support for extra-large 60"–100" TVs.

## Stable & Secure Locking System

Engineered with a dependable locking mechanism to help keep mounted TVs firmly secured for enhanced safety and stability.

## Ultra-Slim Fixed Profile

Low-profile wall mounting design keeps TVs close to the wall for a clean, modern, and space-saving appearance.
