Tilt TV Wall Mount

Big Screen Strength. Smarter Foldable Design.

Complete with automatic spring locks, quick-release cords and an anti-theft locking provision, it is an ideal solution for every space.

Features

Compact Wall Profile
Positions the television just 49mm from the wall, helping conserve room space while maintaining a clean, streamlined appearance.

Quick-Release Installation
Combines automatic spring locks, convenient quick-release cords, simplifying TV attachment and removal.

Anti-Theft Locking Provision
Features an integrated anti-theft locking hole that accommodates a compatible padlock for additional security.

Open Architecture
An open-frame wall plate, providing easier access to cables and connections.
