Brateck

Fixed in Place. Slimmer Mounting.

FIXED TV WALL MOUNT

The **Brateck LP72-46F Fixed TV Wall Mount** combines exceptional strength, space-saving functionality and a streamlined design for modern home entertainment and professional environments. Built with durable cold-rolled steel construction, it provides secure, fixed-position mounting without unnecessary adjustments or bulky mechanisms.

Ultra-Slim Fixed Wall Profile

Features a low-profile fixed mounting design that keeps televisions just 28mm from the wall, creating a clean, streamlined appearance while maximising available space.

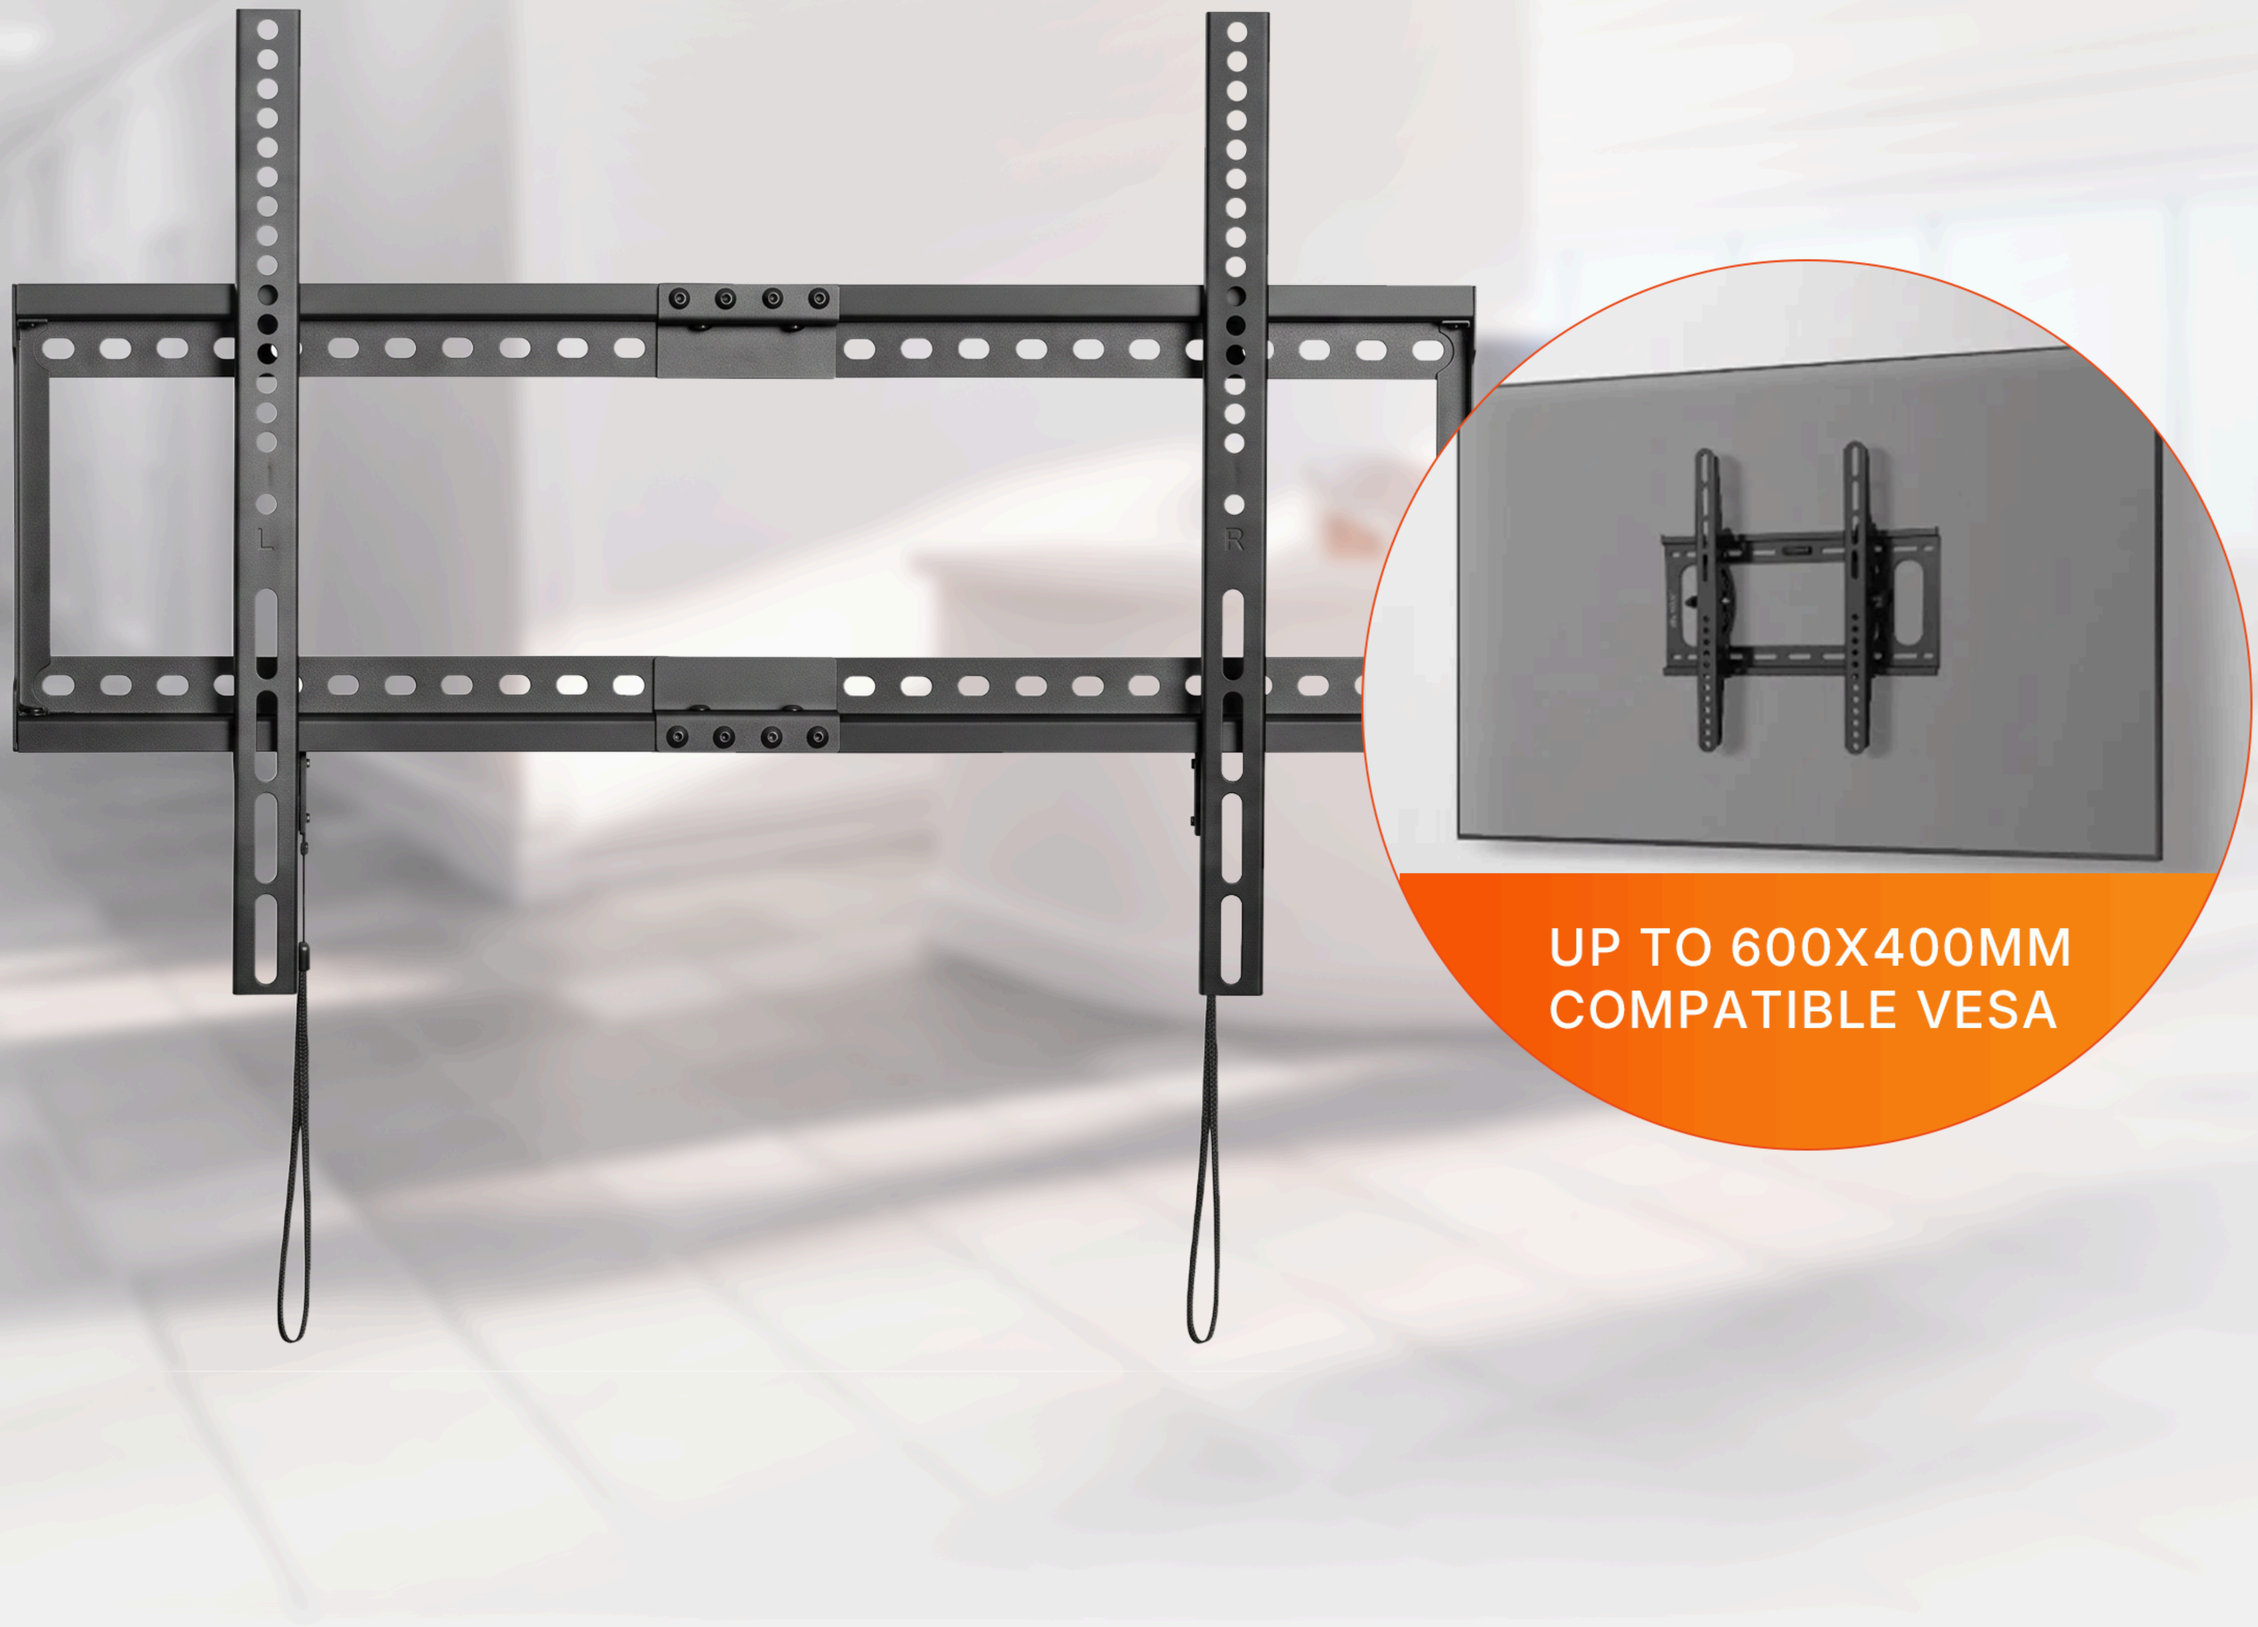

Automatic Spring Locks & Quick Release

Equipped with automatic spring-lock mechanisms that help secure the television during installation, while convenient quick-release cords allow easier removal.

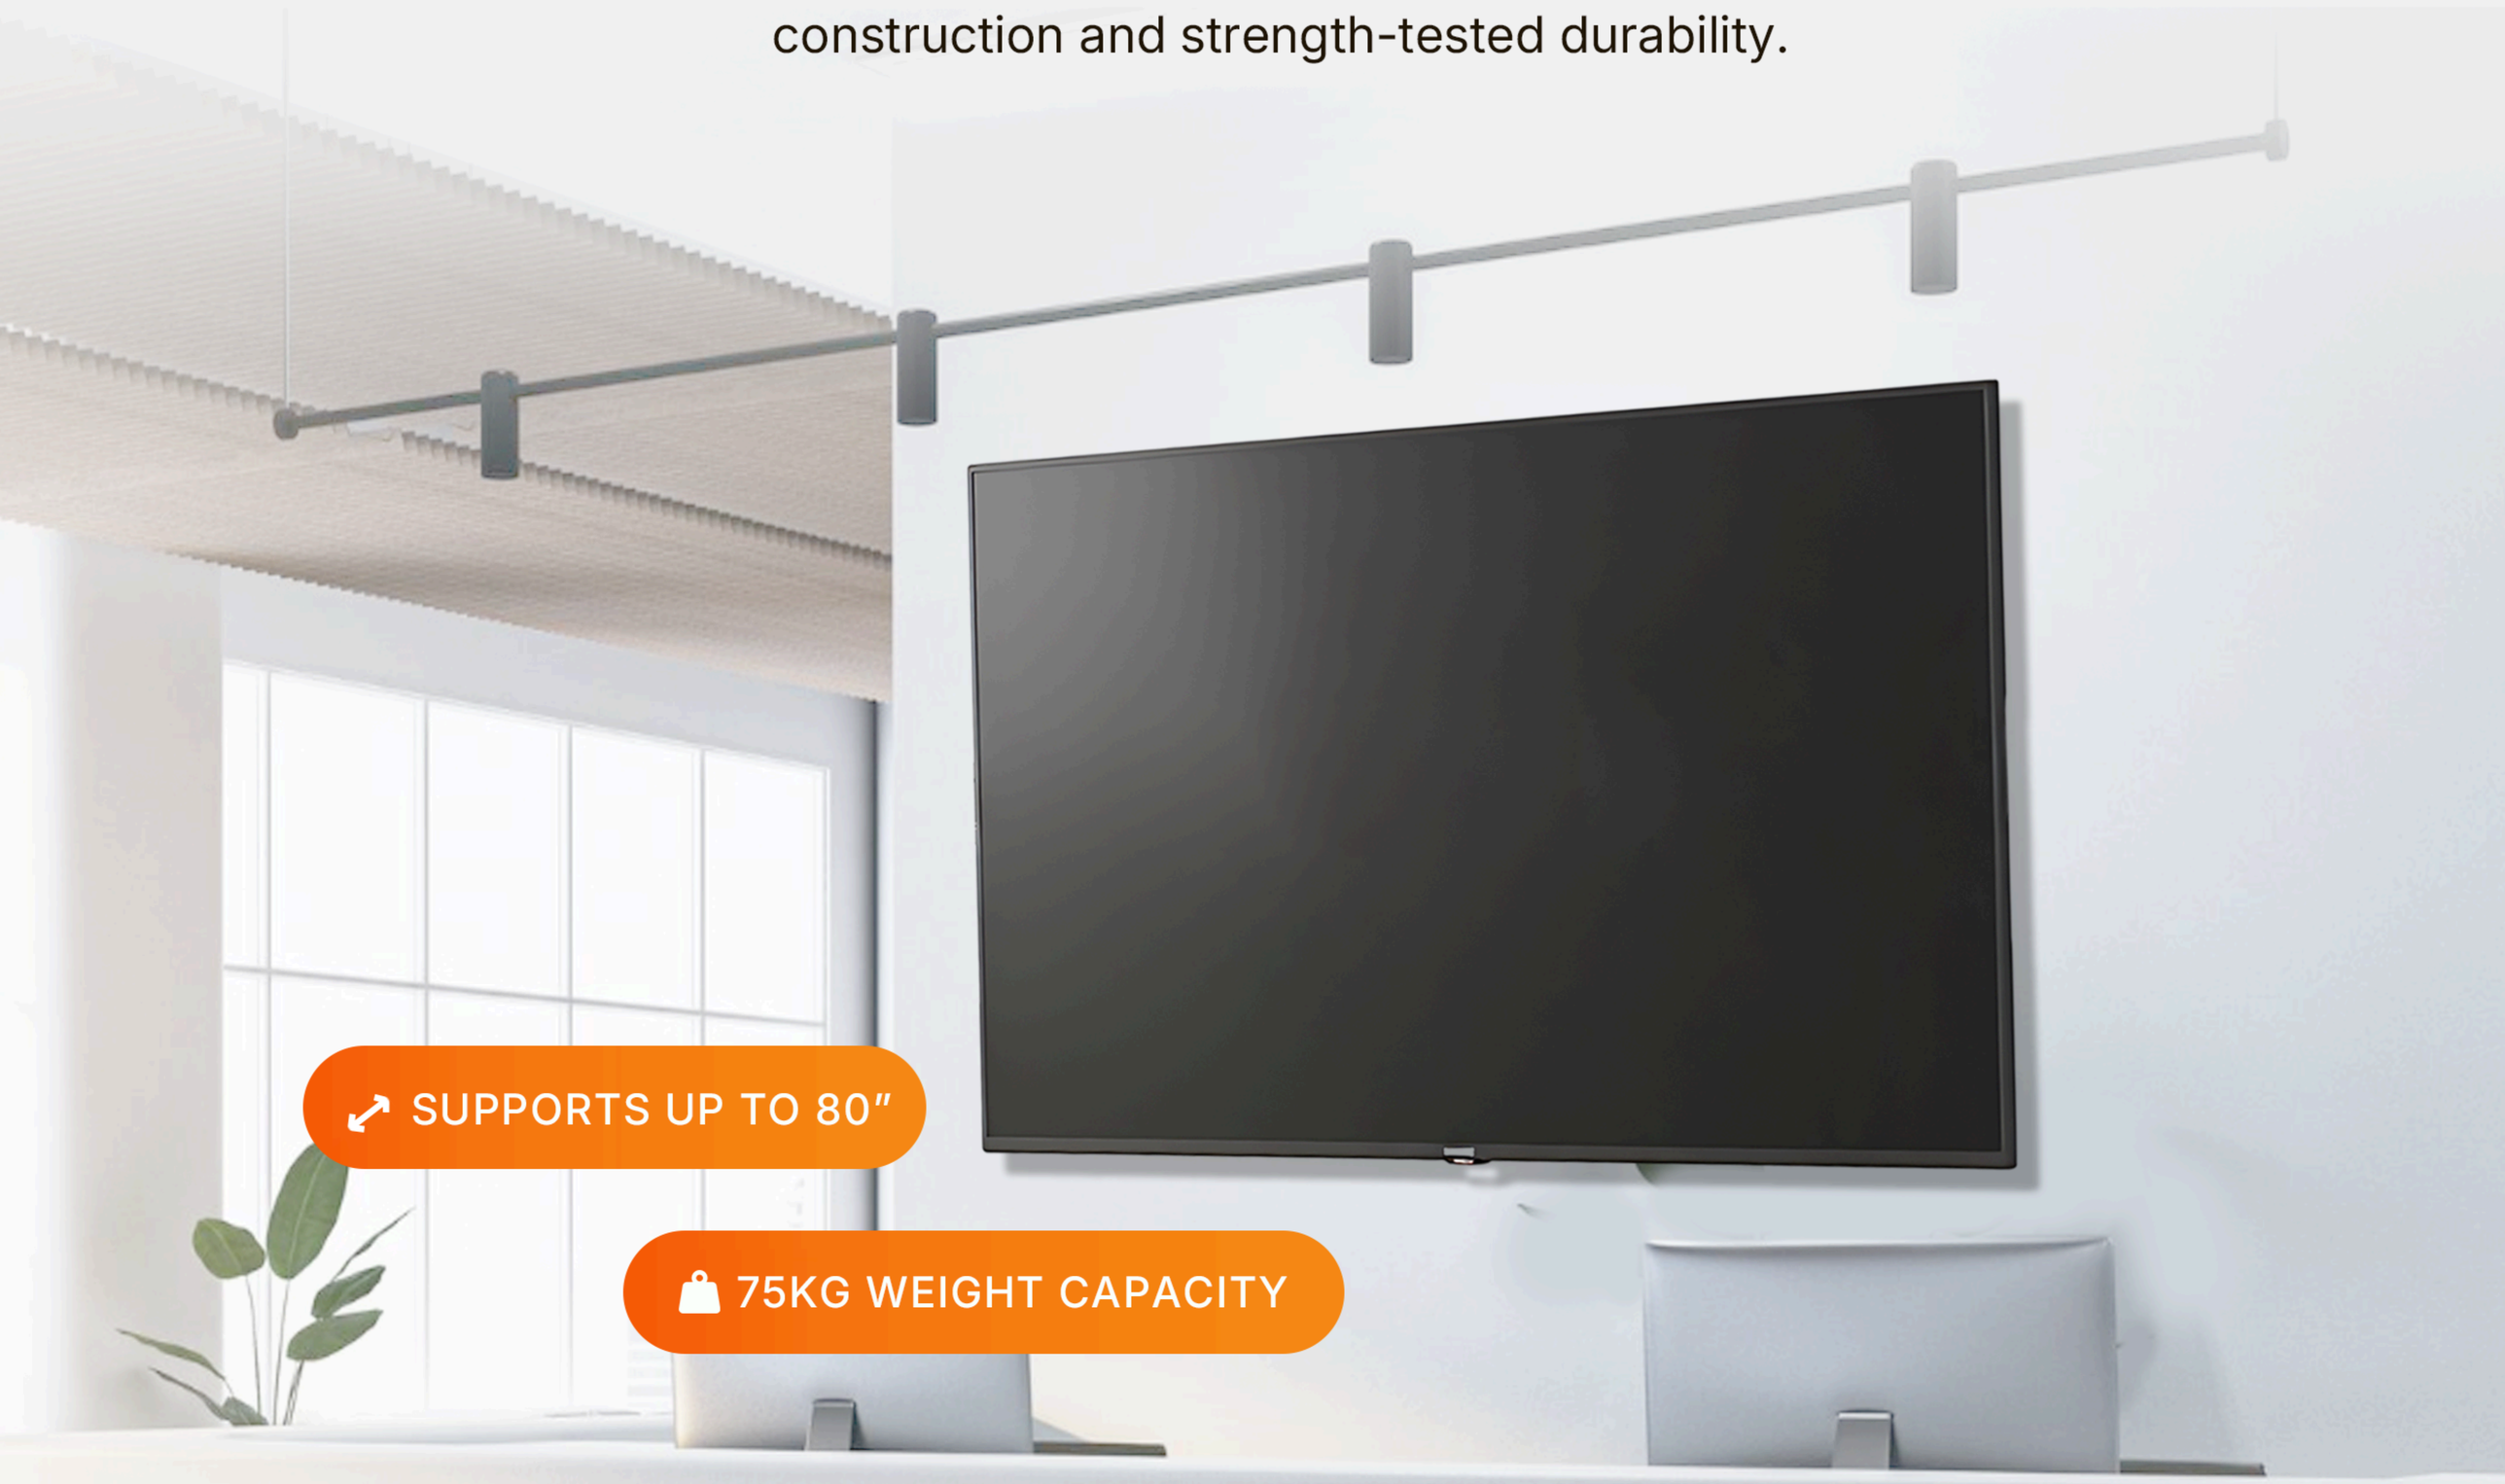

Wide VESA Mounting Compatibility

Providing broad compatibility with a variety of flat and curved televisions for flexible installation.

Heavy-Duty TV Support

Supports most 37"–80" flat and curved TVs weighing up to 75kg, featuring sturdy 1.5mm cold-rolled steel construction and strength-tested durability.
